A Bumper Apple Crop

A bumper crop of apples is being harvested in Canada this year. The total commercial yield for 1933 is placed at 4,598,000 barrels, an increase of 621,000 barrels over the 1932 production. Of this year's commercial crop the Province of Nova Scotia will account for 1,846,000 barrels; British Columbia, 1,394,000 barrels; Ontario, 1,064,000 barrels; Quebec, 254,000 barrels and New Brunswick, 40,000 barrels. This year's yield in Nova Scotia is nearly 750,000 barrels more than in 1932. In Ontario the increase is 146,000 barrels compared with last year. In British Columbia the 1933 crop is less than in the previous year. The total yield of pears this year will be 465,000 bushels, about the same as in 1932. Peaches will, it is estimated, return 825,000 bushels, or about 80,000 bushels below the 1932 production. Plums and prunes will yield 218,000 bushels, a decrease of 64,000 bushels. The total production of grapes is estimated at 44,681,000 pounds or 1,022,000 tons below the yield in 1932. Practically all the pears, peaches, prunes, plums and grapes grown in Canada for the commercial market come from the Provinces of Ontario and British Columbia.

Social Evening at United Young People's League

Tuesday evening was "Get Together Night" for the Young People's Society of the United Church. Seated around a very realistic campfire, in the centre of the school room, a large crowd had a very enjoyable evening. The newly-elected President, Miss Clara Savage, presided. After devotional exercises, during which the scripture lesson was read by Miss Lorna Kennedy, the Vice-Presidents read the names of those on the various committees and the President gave an outline of the year's work. Messrs. G. Masles, Ted Clifton and Melvin Locker favored the audience with musical numbers and also the male quartette, Messrs. Norman Gibson, G. Masles, T. Clifton and G. Simpson. Song sheets were distributed and everyone took part in the community singing, led by Mr. G. Masles. The winning groups of the two contests that were worked had quite a time unwrapping their prizes, with which Mr. Albert Mills presented them, but were eventually rewarded by discovering boxes of candy concealed in the large boxes. Of course a very important part of the evening came at the last, when the Lunch Committee served hot rolls and coffee, to which everyone did justice. The meeting closed with "God Save the King."

The McCartney-Mason Wedding at Campbellville

A quiet, pretty wedding took place at the manse of the Presbyterian Church, Nassagaweya, when Edna Adelaide, daughter of Mr. and Mrs. Wm. She was attended by Miss Mabel McCartney, sister of the groom, frocked in brown transparent velvet, with hat and accessories to match, and carrying pink roses. The best man was Mr. Douglas Mason, brother of the bride. After the ceremony a reception was held at the bride's parents' home and later the bride and groom left on a motor trip to Quebec and Montreal. For traveling the bride wore a brown georgette with brown velvet trimmings, brown velvet hat, brown coat and matching accessories. The groom's gift to the bride was a necklace, to the best man a cigarette lighter. On their return from their wedding trip, Mr. and Mrs. McCartney will reside in Dundas.

School Board and Principal Herbert

Discuss Matters Pertaining to School Work and School Sports—Trophies Have Been Promised

At the regular meeting of the School Board on Tuesday evening, Trustees Graham, Norton, Dr. Buchanan and Scarrow were present and Chairman J. M. McDonald presided. The minutes of the last meeting were read, and upon motion of Trustees Scarrow and Graham, adopted.

The Committee on Finance presented their ninth report and recommended payment of the following accounts: Canadian National Express Co., \$ 1.15; Elliott Bros., supplies, 2.57; E. The report was adopted. A letter, outlining the programme of the Halton Educational Association was read. The letter was ordered to be filed. The Field Day arrangements were discussed with Principal Herbert. A trophy has been donated for annual competition by the schools on Field Day by Mr. T. A. Blakelock. The Rugby League was also explained and it was anticipated that Dr. R. K. Anderson would donate a trophy for this league.

In order to allow the pupils from the rural sections to take part in the school sports the Board sanctioned the plan that school studies commence at one o'clock and discontinue at 3.30 for those pupils taking part actively in school sports.

Details regarding the purchase of equipment for rugby were discussed, and plans for the raising of funds by the school pupils were submitted by the Principal for the approval of the Board. The Principal also read the circular from Hon. W. G. Martin, designating Friendship and Fellowship Week. In conjunction with this it was thought advisable to hold an open meeting of the Literary Society, in order that parents and citizens might get acquainted with teachers and pupils. It was also suggested to have an outstanding speaker; address of the meeting on this occasion. Details were to be arranged by the teachers and pupils. The need of a first aid kit for the schools was also pointed out and it was hoped that this might be secured soon. Preparing for 1934 Acton Fair

At a meeting of the Directors of Acton Fair last Friday evening, it was decided that in order to balance the books of the society that seventy-five per cent. of the prize money would be paid this year. Owing to the wet, disagreeable weather prevailing the gate receipts on Wednesday afternoon fell considerably and it was felt that this was the only fair method of meeting the deficit. A deficit had occurred the year previously when the admission had been reduced to 25 cents; and this also had to be met. Acton was, last year, one of the few fairs which met the prize list in full. By paying a percentage this year the society will be able to start again with a clear sheet. Plans were also made for the improvement of the Fair for next year and the various departments are all aiming for a greater Fair in 1934. There was a good attendance of Directors at the meeting.

Parkview Athletic Club

The regular monthly business meeting of the Club was held on Tuesday evening in the club rooms. A good attendance was on hand and a fine programme was laid out for the fall and winter months. The guest of the evening was Gordon Cooper. He delivered a fine address on athletics, which was enjoyed by the boys. The Honorary President, Mr. E. E. Barr, also gave an interesting talk on self defence, and made it very interesting by giving a few illustrations. During the business session Gordon Cooper was elected Director of Athletics in the Club. On Saturday afternoon a Field Day is being planned and all the boys are asked to come and bring their friends. Another item was the collecting of Buckingham packages by the Club, to help the Legion carry out their splendid work of distributing toys to the needy at Christmas time.

Funeral of Infant Daughter of Mr. and Mrs. George Hilton

The funeral of the six-months-old daughter of Mr. and Mrs. George Hilton, R. R. No. 4, Rockwood, took place from their residence to Everton Cemetery on Sunday. The services were unusually largely attended and the many people present were tribute to the esteem in which the parents of the dead child are held, as well as a mark of the sympathy of the community to them in their bereavement. Flowers were very numerous and included those from the Ladies' Aid Societies of Everton and Rockwood, as well as those from many private individuals. Rev. Mr. Taylor, of Rockwood, conducted the services at the home and grave. The pallbearers were four cousins, Earl Barber, Gordon Heydon, Ocell Murdoch and Jack Alton, while the flower bearers were Mildred Stewart, Jean Alton, Helen Robinson, Berna Peck, Margaret Day, G. Alton and J. Hayden. During the service, Chas. Scott rendered a solo, being accompanied by her brother, Gordon Scott.
