CANADIAN CATTLE OPPORTUNITY

Reviewing the situation of an opportunity time for steer feeding and finishing, pamphlet 143, issued by the Dominion Department of Agriculture, states: "We have in Canada large quantities of course grains, i. e., barley, oats, feed wheat, etc., as well as abundance of good quality roughages for which there is a very poor market."

POTATOES IN THE ARGENTINE

As far as the import of seed potatoes into the Argentine is concerned, Canada shipping only small quantities in the past, it is important that they arrive by December 1st at the latest so as to be available for the second planting.
