Intermediates Win from Elmira 7-1 to Take Biggest Lead in Game Since O. H. A. Entry — Juniors Outclass Burlington and Woodbridge Teams and Take Big Scoring Leads — Elora Plays in Acton Tonight and Big Crowd Expected — Elmira Comes to Acton Tuesday Night — Acton Teams to Get Some Place This Year — Fans are Enthusiastic for Championship.

JUNIORS WIN FROM BURLINGTON

Last Friday night, in front of a small crowd of fans, the 1933-34 edition of the Acton Juniors, showed some class when they swept the boys from Burlington by the score of 11-0. The locals were better in every department of the play, although the southern lads had lots of bluck and tried hard all the way, but never proved really dangerous. Gilbert, in the Acton net, had a comparatively restful night, while Howden, for the visitors, had very little else to think of but to get in the way of a flying rubber disc, and although it got past him for eleven counters, it was through no carelessness on his part, as he played a bang-up game, and saved his team from a somewhat worse beating.

The first period opened rather slowly, with both teams taking it easy, as it was the longer first game, and the Lake Shore boys were a little uneasy on their feet. Acton carried the play and vetoed Howden out with some shooting, but he was nobody's fool and he knew how to handle them. Burlington made repeated attempts to get in on Gilbert, but didn't meet with much success. C. Tyler drew the first penalty for unnecessary roughness, and went to the cooler for a two-minute rest, but no damage was done while he was off. Money, for Acton, and Thorpe, for Burlington, also drew penalties in this period. The first goal was scored when Morton took Money's perfect pass and scored on a lovely shot from the wing. Burlington tied it up a few minutes later when Thorpe worked in on Gilbert and gave him no chance to save, but John Brush came to the rescue and he banged one past Howden to put the locals on top. This finished the scoring for this period, although both sides had various chances, but Acton proved the aggressor and had most of the play.

The second period started at a whirlwind pace as far as Acton was concerned and they completely hemmed the Lake Shore boys inside their own blue line. When the smoke cleared, Acton had notched seven goals, with Burlington getting presented with one. (We will come to the presentation later). Brush started the ball rolling with his second goal; Morton followed in quick succession with his second one, and it was just a continual bombardment on Howden, who did very well considering. Before the period ended Brush had his name on the score sheet three more times for a total of five, with Marshall and Money notching one each. The goals were, talked so fast we could hardly keep track of them. Money was the only one to get a trip to the cooler in this period, although three more were very close to getting a five minute rest. Elman, of Burlington, and Gibbons, of Acton, collided at the Acton blue line, and they sparred up to each other as if they were going to fight. McGeechie, anxious to keep law and order, stepped between them, and whilst the three of them were having their little argument, Cooper, of Burlington, broke away and, with nobody but the goal keeper to stop him, he tallied Burlington's second goal, which was the sweetest earned goal we ever saw. This quickly ended the argument, as that was all it amounted to, but we imagine there would be a lot more heard about it in the dressing room. The period ended soon after this without any more damage being done.

The third period didn't contain as many thrills as Acton was inclined to be a little careless, and they let their men get away from them occasionally, but they still showed some good hockey and kept carrying the play into the Burlington zone. Howden was called on to make a good many more save, but C. Gibbons, or "Oswald," as the crowd called him, managed to score as he was left uncovered in front of the net, and drew the biggest cheer of the night, as this was his first game in junior company. McGeechie and Lantz were both responsible for Acton's eleventh goal, when they banged Marshall's pass past Howden. McGeechie, Brush and Lantz, all of Acton, received penalties in this striker. The game ended with Acton having eleven goals, and Burlington two.

D. Brush, of Milton, was the referee, and he seemed to please the few that saw the game.

The following was the line-up: Burlington, Howden, goal; Cooper and Law, defence; Elman, centre; Wheeler and Stevens, wings; Thorpe, Smith, Brooker and Walter, alternates; Connolly, sub-goalie.

Acton, Gilbert, goal; Mamo and Tyler, defence; Money, centre; Morton and Brush, wings; Marshall, Lantz, McGeechie, Gibbons, alternates; W. Gibson, sub-goalie.

SHORTS FROM THE PENALTY BOX
The crowd at the game on Friday was the disappointment, but the

weather was very bad, and probably had a lot to do with it.

Jack Morton seems to have a real team this year on the Junior aggregation, and they should be in the win column pretty often.

Gilbert, from Milton, who is filling the breach in goal this year, should help the team quite a bit. He didn't have much to do on Friday night, and couldn't show to advantage.

Normi Morton, another new member, who played with Toronto Ganoes Club last year, is another great help to the boys. He knows a lot about the game and patrols the right boards in great style.

John Brush, who also hails from Milton, made a great hit with the fans when he scored five goals. He is a tireless worker, and should score many more goals.

Oswald, Gibbons, a local boy, who is new to the team this year, also made a hit with the fans. He has all kinds of weight and should develop into a very good defence man.

You know all the rest of the team, as they played last year.

The boys are showing some nice combination, and pulled off some good plays.

Ilo Marzo was not playing in the game Friday and his presence on the line-up should strengthen the team somewhat.

ACTON 7-ELMIRA 1

Acton met the unknown quantity in the unknown surroundings on Monday night, and came back from Elmira with a 7-1 victory tucked away in the bag. Elmira is the one team and place in the group with which Acton had not previously played or visited. The year Acton was grouped with Elmira this team defaulted its games, owing to the late start of the season. Ferguson did the same thing that year, but Acton has played exhibition games with Ferguson and has passed through the town to meet Elmira.

Now we know a good deal about Elmira's rink and Elmira's hockey team. The rink is not modern but it packed a lot of enthusiasm on Monday night. The ice surface is small, which did not allow for the best hockey by either team, but it lacked no thrills, spills and seemed to delight the crowd—so what else matters? The score, in our opinion, just about illustrated the play of the two teams on Monday night. Now here's the way it happened.

Mayor A. Brandt gave the boys a few words for the opening game and tossed in the first puck. Acton was late in arriving due to slippery roads and bus trouble, but they endeavored to put on a good curtain raiser for Elmira. Terry scored the first goal for Acton after two minutes and 30 seconds of play. Holloway saved nicely for Acton, and Gibbons rushed the Elmira, citadel and almost. At one time Acton was playing two men short, but Elmira failed to capitalize. Acton was using their head as well as their heels. Terry got right through again, no luck for him, and all luck for Rudow—no score, we mean. Romberg and Schmidt, for Elmira, and Gibbons and Ainslie, for Acton, got the trips to the cooler. Period ended 1-0 for Acton. Acton played the best hockey in our estimation—if good hockey could be played.

Elmira started period two off strong and first part of this period we give to them. Sideward went right through and Holloway made a nice save, only to have to repeat the performance again. Ainslie, for Acton, made the count two after two minutes of play, on an assist from Terry. Minute Walters made the count three at 4:10 on a nice work around the Elmira boys that left Rudow flat-footed. Jack Kentner and Bus Morton combined for a nice play, but failed to tally. Morton and Frank Gibbons repeated the act, but Rudow saved again. The Elmira team lacked any hockey finish or team action. Rudow went down with all on board, but the puck was saved from crossing the blue line. Then he came ten feet out of goal to save the next one, and he did. Holloway was called on for an almost duplicate performance. Elmira had a tough break when their shot missed the open net. Then the puck got tangled up in Holloway's skates or pads, and the goal post saved him from going in with it. This scene developed an argument but no score. You know what they say about persistency. Well, Elmira got its reward for this virtue after sixteen and a half minutes of play. Selling, who was formerly with Elora, was the goal-keeper and incidentally we picked him for

Extreme Winter Weather
The extreme changes in temperature that have been characteristic of December have again marked the past week. The severity of last Thursday and Friday, with temperatures as low as 28 below zero, moderated on Saturday and on Sunday and Monday a rain took away the snow and led to a coating of ice on highways and sidewalks. During Monday a colder wave came along and the temperature touched seven below zero that night, but went above the zero mark by ten to twelve degrees yesterday. The December just past has put up a record for its severity as a winter month. The promise of milder weather has been forecast for the immediate future.

She was attended by Miss Alice King, frocked in pale green lace, with matching accessories, and carried pink chrysanthemums. Mr. Alfred King was groomsmen. Hospital Inmates in Serious Accident
Following a roadside collision between a Canadian National Railway train and a motor truck carrying 17 patients of the Ontario Hospital at Orillia, back to the institution during a blinding blizzard, two youths are dead there on Thursday night last, and four were severely injured. Clarence Culp, of Caledonia, 19-year-old son of Mr. and Mrs. William Culp, one of the passengers on the truck, died instantly when the engine of the Cochrane fier splattered the crowded vehicle. Gordon Selby, Albert Street, Regina, was injured so severely that he died a few hours after being taken to the hospital. Angus Seymour, a hospital patient from the Smith Falls Indian reserve, was severely injured about the head. His condition was at first considered critical, but hope is held for his recovery. Less severely hurt were Alex. Goldstick, Windsor, who suffered a fractured leg, and Roy Alkins, of Acton, who received scalp lacerations. Gordon Shodden, driver of the truck, escaped with minor hurts.

THE EVENING MEAL DIGESTER
Glancing cautiously around Tomkins dropped one of his gloves on top of a quarter he had noticed on the floor of the hardware shop. Then he picked up his glove. But the coin did not come with it.

He made another attempt, when the storekeeper approached.

"Good morning," he beamed. "Let me show you a bottle of our famous glue. I believe you are already acquainted with its sticking powers."

There will be an interesting announcement regarding camp at the next meeting.

As the Guide treasury, in common with most, could do with replenishing, we have plans to earn money during this new year. If anyone has papers and magazines which are not wanted, the Guides would gladly collect them at any convenient time. If the folks who wish to help us in this way would phone to Captain (29) and let her know.
