Neighborhood News ROCKWOOD

Last Wednesday evening at the United Church, a sacred drama, entitled "For He Hath Great Possessions," was produced by members of Norfolk Street United Church, Guelph, before an appreciative and large audience.

Through the kindness of Mr. J. M. Kearns, K. C., Guelph, who introduced the story the drama, the audience was prepared to take in the nature and religious impression of the play. The Guelph artists deserve credit for the different parts each one played and the costumes worn also added a touch of Gallican life.

During the evening Dr. George McQuillan, M. P. P., gave a brief address and Mayor R. E. Robson, of Guelph, was unable to be present. In the chorus parts, Mrs. J. M. Peas, Miss Bessie Bell, Messrs. McIntyre and Hawker, of Guelph, gave assistance. Toward the close of the program the lights went out, during the storm, the Choral Society sang "Lead Kindly Light," which was very appropriate, the lights coming on before the end of the last verse. At the conclusion of the program the Choral Society had refreshments.

The many friends of Messrs. Campbell McArthur and Ralph Smith will be pleased to hear of their recent success in winning high honors. On Saturday, at Stratford Musical Festival, Mr. C. McArthur, baritone, won the gold medal in the oratorio solo class, open to all voices; and Mr. Smith won the gold medal in bass solo class. Both young men are pupils of Mr. J. R. Peas, Guelph.

During the storm Monday evening fire of unknown origin destroyed the old stable, at the rear of Mr. Jas. Hall's residence, Main Street. Volunteer firefighters managed to keep the fire from spreading to a shed on Mrs. M. Hanna's property.

Last Saturday a group of field naturalists from Guelph visited Rockwood in the study of geological formations, of which Rockwood is well known. A similar group went to Puslinch Lake, in bird study on water fowls. In their observations some 68 different species of birds were seen.
