Acton Trimmed Oakville by 9-5

"Lefty" Morton in Rare Form and Struck Out 13—Good Fielding Support Given

Acton obtained third place in the League when they defeated Oakville on Saturday by the score of 9-5. There was a fair crowd of fans in attendance and they saw a real good game. Hopkins, who had held Acton to three safeties in Oakville, was again the starting pitcher but he was driven to the showers after the sixth, after he had been touched for 9 runs, 7 hits, and issued 7 walks. Galbraith came to the rescue, and held Acton pretty well in check. "Lefty" Morton, who did the flinging for Acton, was in rare shape, whiffing 13 batsmen and issuing no walks.

Acton had two big scoring innings. In the third they collected 5 runs on three hits and three walks, and again in the sixth collected four runs on two hits and three free passes. Oakville only threatened in the one inning, the sixth, when they collected four hits for three runs and things looked bad for Morton, but he came back in the next inning and struck out three in a row. He was given good support in the field and also with the battery. With the way the team is going now, we're set to go places and win some more games.

NOTES

Too bad, Oakville. It was a good game but Acton was a little too good.

The people that missed the game on Saturday missed a good one. We doubt if there will be so few there this week.

The boys are playing the ball they are capable of now, and should they keep it up, there is nothing to stop them from landing a play-off position and league championship.

The most talked of players on Saturday were "Lefty" Morton, who fanned thirteen batters; Terry, who knocked a home run with two on; "Minute," who banged a Texas leaguer with the bases loaded and knocked in three runs; and Bob Anderson, who got on base every time he was at bat with three hits, and hit by the pitcher once.

Hopkins must have been scared of Marshall, as he walked him three times out of four.

There was just one assist credited to Oakville. Something that is very seldom seen.

Oakville have a pretty good bunch of players, and they are all young and

Acton Band Going to Erin

Arrangements have been made for Acton Citizens' Band to provide a Sunday afternoon band concert at Stanley Park, in Erin, on Sunday, June 24th. The concert will commence there about two o'clock, standard time, and will, no doubt, prove quite a popular event.

Injured Progressing Favorably

Friends are glad to learn of the continued favorable report from the hospital of the injured citizens in the automobile accident of a week or so ago. Little Marjory Norton was able to return home on Saturday and is making splendid progress in recovering. Reeve and Mrs. Theford and Mr. and Mrs. Allison are still confined to the hospital, but with the exception of Mr. Allison, expect to be able to come home to Acton this week. Mr. Allison will be confined to the hospital for a time yet with the injuries to his knee.

Reeve Morden of Trafalgar Married

The wedding took place in Bloor Street United Church, Toronto, on Saturday morning, June 2nd, of Annie Campbell, youngest daughter of the late Mr. and Mrs. John M. Galle, Oakville, to W. H. Morden, Reeve of Trafalgar Township. Rev. Dr. J. E. Munro, of Old St. Andrew's, officiated. The bride was given in marriage by her brother-in-law, Mr. J. H. Keens, and wore a gown of gray tulle sheer with hat to match and gray cloth coat—with matching fox collar. Only immediate friends and relatives were present at the ceremony. Mr. and Mrs. Morden will reside at Oakville. —Oakville Record.

Unsolicited Testimonials

A couple of letters were received that give ample backing to our claim that FREE Press advertising brings results. The one reads: "We are very pleased to say that your advertisement brought us results from most unexpected quarters, namely the Governor of the district jail at Bracebridge, Ontario. We were also much interested in your newspaper and congratulate you on its fine appearance and careful editing." The other letter was from another pleased advertiser who gave his congratulations thus: "We believe that you would be interested to know that owing to a large measure of our advertising in THE ACTON FREE PRESS we have sold more chicks in your district than any previous week. We contribute this increase to the fine quality of our chicks and to the value of your publication as an advertising medium." This last letter was from J. C. Tweedie, of Ferris. This hatchery used advertising in the weekly newspapers of the district and in eight days disposed of 60,000 day old chicks which constituted a record for that business. The letters are on file at the office and prove conclusively the efficiency of THE FREE PRESS as an advertising medium.

Acton Women's Institute

The regular monthly meeting of the Acton Women's Institute was held at the home of Mrs. Hodgins, on Thursday, at 2:30 p. m. The President, Mrs. Gamble, was in charge, and the meeting opened with singing, the Institute Ode and prayer. A five minute talk on the motto was given by Mrs. E. Lambert. After the business was disposed of, Mrs. Milligan, of Burlington, gave a talk on "Resolutions," which was very helpful. Mrs. J. E. Gamble, Mrs. Dobbie, Mrs. Lantz, Mrs. Bishop and Miss E. Hawthorne were delegates to the District Annual, in Ashgrove, on June 12th. A donation of \$10.00 was given to the Pioneer Cemetery for shrubs and perennials to be given for fall planting, and plants were given for the Memorial Service. Roll call was answered by the name of a Canadian bird. The Institute Quartette, Messieurs Foster, Davidson, Hall and McCutcheon, sang "There is Sunshine in My Soul." A talk by Mrs. Atkins, of Brant, was enjoyed by all. A paper was given by Mrs. Lantz, "Truthfulness in Children." A letter of sympathy was ordered to be sent to Mr. and Mrs. Theford, Mr. and Mrs. Allison, and little Marjory Norton, wishing them all a speedy recovery to health. Mrs. Denny, of the losing side in the contest, is entertaining the winning side at her home on July 5th, at an outdoor meeting, when Mrs. J. A. McEneaney is expected to give a talk. It was decided to invite the District Annual to Acton for 1934. A vote of thanks was given to Mrs. Hodgins for the use of her home, after which a social time was spent.

peppy; but giving all due credit to the Southerners, we think it will be Acton and Milton in the play-offs.

The score board, donated by Tucketts, is quite a help to the fans in keeping track of the score.

Bob Chalmers, from Wingham, was a spectator at the game on Saturday.

Liberals C. C. F. and Conservatives Hold Election Meetings in Acton

Addresses by the Candidates, T. A. Blakelock, R. S. Heatherington and W. S. Davis at Meetings Held in Their Interests Throughout the Week—Just Fair Crowds Attend These Meetings—Not One Heckler Disturbed a Meeting and Not a Question Asked of Any Speaker.

There was a very fair crowd at the political meeting in the Town Hall on Friday evening, in the interests of the Liberal-Progressive Party and Thos. A. Blakelock, M. P. P., the standard bearer. Mr. W. J. Akins was the chairman, and musical numbers were contributed by Mrs. Byrne and Miss Lillian Byrne.

Frank McDonagh, President of the Pensioners' Association, resented the slur cast on returned men by Attorney-General Price in his statement that they would be able to get beer the same as they had overseas. He said this slur was a battle between the House of Commons and the rest of Ontario. He did not believe in the principle of your leader is your policy, and that all the brains of Ontario were concentrated in Premier Henry. He touched on the Abitibi bond scandal, and the Premier's reference to the Solloway, Mills action, and the association of the Premier in the milk company, in which he had made large profits. The debt increase from \$219,000,000 to \$612,000,000, he felt, was hardly in keeping with the avowed intention of Mr. Price on assuming office, toward a plan of debt-retirement.

The Halton C. C. F. candidate, R. S. Heatherington, blamed the politicians for the mess in which we find ourselves today. Money monopolies were dictating the government of today. The C. C. F. is a Christian crusade and it is time Christian principles should come into politics. He was not concerned of the immediate future but what must our children pay in 1960. All the people want is a right to live decently. The candidate dealt at some length on the milk producers' problems and the spread in prices that makes the consumer pay high prices and the producer receive little. He felt that there was one man in the Province which could well do without, namely Lord Bessborough, and he should be removed. He quoted regarding the campaign funds of both parties and said the C. C. F. was the only party independent of this corruption. It was the hope that 10 or 12 candidates would be successful in the Provincial election and if such was the case they would provide a real opposition.

J. C. McRuer, K. C., said that Premier Henry and Mr. Case had stated he was being paid for the speeches made in the interests of Mitchell Hepburn. He had never received one cent for making a speech and never would. He also drew attention to the Premier's statement that he had been paid large fees for his work for the Dominion Government, but he stated the Henry regime had paid larger fees to him when he had been retained by them.

He recalled the adrocity of Hon. W. Price, in 1923, to cut down expenditures and asked where the money had gone. He cited cases of needless waste in the administration of justice expenditure. The Ontario bond deal and the bargain prices secured by friends of the Government at the expense of the people of the Province, were recalled, with the \$40,000 paid for expert financial advice which was of doubtful value to the Province.

He pointed out that the Premier had a difficult task in serving as director on his various companies and also to the best interest of the people of the Province. He noted that the people's Dairy had not been investigated by the Stevens Commission. He also gave his audience insight into the operation of the liquor toll-gate system and gave extracts from the Grover case of letters submitted in the courts to prove his contention that this system existed.

T. A. Blakelock, M. P. P., Halton's present representative in the Legislature, was the last speaker. He told of the promises he had made at the last election and felt that all would agree he had fulfilled them. Mr. Hepburn had fought more than Mr. Henry ever knew. He had been busy throughout the County and he felt that Halton would return a Liberal—with the biggest majority on record on June 19th.

Mr. Blakelock said Ontario was badly in need of a housecleaning. In spite of the depression, the number of civil servants had increased. He pointed to waste and ruthless expenditure in building the east wing of the Government Buildings. The Apprenticeship Act had cost the Province \$26,500 to provide two weeks' tuition for sixteen apprentices. The school grants had been cut and the cuts of salaries to civil servants had been restored. On the eve of an election, Hydro contracts for rural users had been reduced by fifteen years. Why had this not been done before? It was the same with all other departments. Mr. Blakelock advocated the abolition of High School examination fees and other reforms. He had advocated these reforms in the House, but Premier Henry walked until the eve of the election to come forward with these promises, which he could have fulfilled during his tenure of office.

On Tuesday night about forty were in attendance at the C. C. F. meeting in the Town Hall, in the interests of R. Heatherington, C. C. F. candidate for Halton. Mr. A. MacLaren, of Georgetown, was

the chairman. He said the C. C. F. had no candidate in the field and there was no consideration of withdrawal. This organization was a permanent force in the political field and whether this election was won or lost the C. C. F. would retain its position. He gave some of the aims and ideals of the movement and felt that both old parties were tools of the large financial institutions.

Mr. R. G. Scott, President of the U. P. O., was glad of the interest of the young people. The C. C. F. was a movement to evolve a new system in the economic field. There must be a complete change in the method of doing things and the people must secure a new conception of what money actually is. He held up as examples the methods of other countries in their assistance to the farmers. Conditions of the farmer in Ontario were put in comparison. He felt the C. C. F. candidate was closer to most of the people of Halton than either of the other two candidates and he gave tribute to R. S. Heatherington.

The third political meeting of the campaign here was held in Acton Town Hall last evening, in the interests of Mr. W. S. Davis, Conservative candidate in Halton, and a very good crowd assembled. Ex-Warden A. Misner was chairman. The first address was by Mr. Brown, who has been over Halton County with Mr. Davis, and was very complimentary of the Conservative candidate.

Mr. W. S. Davis, the candidate, told of his business and other public interests in Oakville. He desired to conduct the campaign on a business plane. The present Conservative Government was doing its utmost for all the people and everyone of the Cabinet Ministers were working their heads off in the best interests of all the people. He had accepted the responsibility as a matter of duty. He was a great admirer of the

Acton's Rate Will be 48 Mills This Year

Council Able to Reduce Rate by One Mill from Last Year's Levy

At a special meeting of the Council on Monday evening, Councillors W. A. Lasby, E. Jones, J. E. McMillan and S. M. Lasby were present and E. Jones was Acting Reeve in the absence of Reeve Theford.

The receipts to date and the estimates of expenditures were carefully tabulated and it was found that a tax rate of 48 mills would be sufficient to raise funds to meet the expenditures of the year. This was also making allowances for reducing the overdraft carried over from last year. The rate is one mill lower than that of last year.

It was pointed out that for the next three years and after a reduction rather than an increase can be anticipated and that in 1937 considerable relief will be secured from debentures retired. The by-law making this rate for 1934 was ordered to be prepared and will be passed by the Council at the next regular meeting.

Missionary Society Meeting

The Women's Missionary Society of the Presbyterian Church held their June meeting on Wednesday at the home of Mrs. Donald Waldie, second line. Mrs. A. J. Buchanan had charge of the program.

Received M. A. Degree

After a year spent as an Assistant Demonstrator and Research Student in the Department of Physics, University of Toronto, Mr. Fred Day, B. A., grandson of Mrs. E. A. Wansbrough, successfully obtained his Master of Arts degree at the Convocation, held last Thursday.

Attended L. T. E. Function in Guelph

Seventeen members of Maple Leaf Lodge, No. 360, I. T. B., Acton, attended a special degree night at Aster City Lodge in Guelph on Tuesday, when members of the Oshawa degree team exemplified several degrees. There were over 200 visitors present at this evening's assembly of Loyal True Blue Lodges.

Flower Service

Last Sunday the United Church observed Flower Sunday. The auditorium and Sunday School room were beautifully decorated with June flowers and a children's choir took part in the service, singing a flower song. The two youngest members, Betty Gibson and Billie Under, rendered a duet and Hazel and Doris Wilson also rendered a duet. Rev. Mr. Poole spoke on "The Message of the Flowers." The junior choir was under the direction of Miss Fern Brown.

Big Crowd at Huttonville Park

The Acton young people who attended the dance at Huttonville Park last Friday night were well pleased with the entertainment offered at this popular dance pavilion. The new management offered a Floor Show, the Oldroyd Duo, of Toronto, demonstrated the Caricoa and other new dance creations. The largest crowd of the season attended and were delighted with the music, which is supplied by Bob Williams' 8-piece Band, of Toronto. This Friday night every lady attending will receive a souvenir. See adv. in this week's FREE PRESS.

ONLY ONE CASE OF RELIEF

Reported by Eramosa Township Council—Three Appeals on Assessment Roll—Names Added to Voters' List

The annual Court of Revision for the Township of Eramosa was held in the Town Hall, Rockwood, on Monday, June 11th, when the Council met for this purpose and for general business.

There were three appeals for lower assessment—Mrs. E. A. Johnston and Mr. James McPherson, for properties in Rockwood, and Mr. Henry Brown, of Mimosa.

The Reeve and each member of Council having been duly sworn as a member of the Court, each appellant presented his or her case in person; the original assessments were confirmed in all three cases; several dogs were struck off, and transfers of assessment made.

A list of names as submitted by the Assessor, and agreed upon by representatives of both political parties, were ordered to be placed on Part 3 of the voters' list, the assessment roll, as amended was confirmed, and the Court of Revision closed.

The Relief Officer reported only one family on relief in the Township, except for an occasional case of emergent medical need.

Considerable routine business was transacted, the building of a bridge between lots 30 and 31, concession 2, and other road matters were discussed with the Road Superintendent.

Township accounts for \$69,211, and Rockwood highway accounts for \$137,48 were passed, and adjournment made to July 9th, at 7:30 p. m.

A Note From Manitoba

A note from a Western subscriber in Manitoba gives some conception of the conditions, when it says: "The southern portion of the province is in a sorry plight, and although we had a wonderful rain last night (June 4) much of the crop is too far gone to recover and the pasture lands burned up or drifted over by the subsoil from adjoining cropped land and much stock has died or is in a starving condition from lack of food and water. Conditions must be seen in order to realize what the farmers of the West are up against."

Driver Escaped—Cattle Killed

Two passengers and the driver of a truck innocently escaped injured on Monday night when it struck the bridge over the Twelve Mile Creek, near Palermo, breaking off eight guard rails. Three cows, one bull and a calf were killed when they were thrown from the truck over the parapet, a drop of 180 feet. Two calves were injured and had to be destroyed. The driver of the truck, Wilfred D. Agnew, of Embro, was charged with reckless driving and operating a vehicle with defective brakes by Provincial Officer Darby, of Waterdown.
