**BIG INCREASE SHOWN IN GOOD-YEAR SALES**

Tire Sales in Half Year 64.8 per cent. Greater Than in 1933

The number of tire units produced and sold by Goodyear Tire and Rubber Company of Canada in the first six months of the present year shows an increase of 64.8 per cent. over the same period of 1933, according to C. H. Carlisle, President, in a letter going to shareholders with dividend cheques for the second quarter of this year. Other lines of products manufactured by the Company shows a very much greater percentage of increase and the Company has materially improved its position in the industry, states Mr. Carlisle.

During the first six months of 1934, dividends have been earned and surplus increased. Earned surplus as of June 30th, after deducting dividends for the six months, stands at \$8,069,421, or \$713,570 higher than a year ago. In addition, there is a capital surplus of \$463,068. There are 598 shares less of preferred stock outstanding than at the same period a year ago, these having been redeemed by the Company. An additional net amount of \$338,626 has been added to the reserve for plant depreciation, and other reserves have been built up by an additional \$257,790, which is considerably in excess of requirements.

**IF SALARY SUITED**

Jack—I think we could be very congenial, don't you?  
Jill—How much do you earn?

**THREATENING MOTION**

"De meetin' had to disband very sudden."  
"Did you make the motion to adjourn?"  
"I sho did, boss."  
"How did you do it?"  
"I made a motion like I were reachin' for a razor."

**NOT ESSENTIAL**

Mother—"What are you playing at, children?"  
Molly—"Weddings, mummy; I'm the bride, and Mary is the bridesmaid."  
Mother—"But you have no bridegroom!"  
Molly—"I know; this is quite a small wedding."

**COLLEGE CONNECTION**

"You say you were once connected with a college. Were you a tutor?"  
"Yes. I tutored a horn once for de football rosters!"

**DEPENDS ON TACKLER**

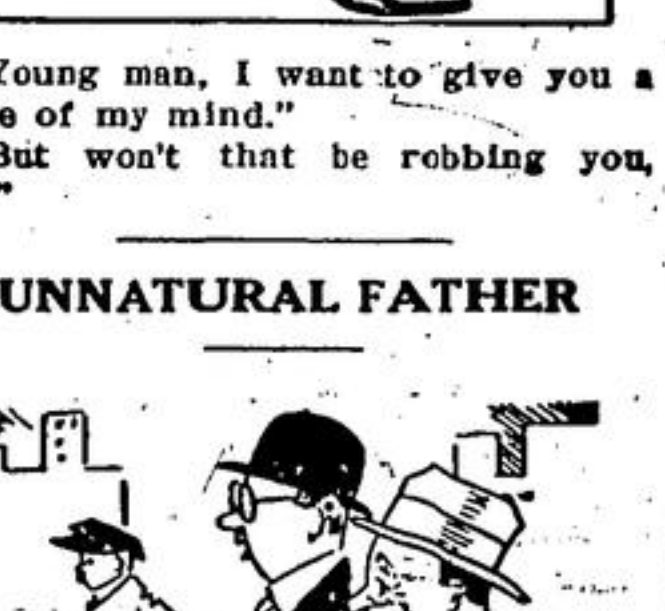

"When a player kicks the ball over that pole does it mean he is out?"  
"That depends upon how hard his opponent hits him just before he makes the goal."

**ROBBING FATHER**

"Young man, I want to give you a piece of my mind."  
"But won't that be robbing you, sir?"

**UNNATURAL FATHER**

**Acton Loses Again to Milton, by 15-4**

(Continued from Page One)

has been beaten by the scores of 11-0; 10-2; and 15-4. But they can take it and they will be out in the next game, fighting as hard as ever. It is not too late yet to finish ahead of Oakville.

You can get your crepe ready, Oakville; but we will not accept it until the last chance is gone.

Incidentally we have never got anything from Oakville yet, so this might be a start.

Even with our losing team and everything else that goes with it, we are getting more paid spectators than the Raspberry Boys!

Well, a week from Saturday the class (?) of the League will be the guests of Acton. So let's go out and show them some real baseball.

So much for Oakville.

The boys had another off day on Saturday, but it is to be hoped the worm will soon turn.

"Joe" Marshall is laid up this week. It is to be hoped he will soon be better and into the game.

Terry, "Bus" Morton, Huffman and Marshall were all absent on Saturday, and their places had to be plugged. With these four and Acton's new pitcher in the line-up for the next game, better results can be expected.
