LIBERALS WIN FOUR OUT OF FIVE SEATS

(Continued from Page One)

was regarded by oppositionists everywhere as most significant.

A summary of the results in each of the five ridings follows:

East Toronto, a middle class urban district with many war veteran voters and a leaning of railwaymen, elected Thomas L. Church, K. C., Conservative, by a plurality of more than 2,500 votes. Mr. Church was unable to gain a clear majority over the combined votes of the returned soldier Liberal, Major H. P. Snelgrove, and the young Rhodes scholar, Graham Spry, who was the hope of the C. C. F.

North York, set in Toronto's suburbs, though largely agricultural in character, returned Col. William P. Mulock, Liberal, grandson of Sir William Mulock, Chief Justice of Ontario, by a majority of 2,192 in preference to Capt. Harold Breuls, Conservative. Col. Mulock's majority yesterday made a significant comparison with the majority of 298 by which he was defeated in 1930 by the former Conservative member, the late Col. T. Herbert Lennox, K. C.

West Elgin, an agricultural and fishing district, centring on the railway city of St. Thomas, elected William H. Mills, Liberal, to succeed Premier Mitchell H. Hepburn in the House of Commons. Mr. Mills, an apple grower, had a clear majority of 2,336, polling 9,622 votes against the 6,724 taken by H. B. Borland, Conservative, and the 563 for the one-time leading Liberal, R. W. MacDonald, who ran as an independent. It was a close fight in the traditionally Conservative St. Thomas, with the Liberal finally taking a city majority of 369. Mr. Mills' majority was the largest ever given a victorious Eglintine of any party and was more than half as much again as Mr. Hepburn received in 1930.

Frontenac-Addington, a sparsely populated section of Eastern Ontario, turned from the Conservative doctrines which it has upheld with two two breaks since Confederation, and elected Colin Campbell, young mining engineer, as a Liberal. With returns from 85 polls out of 88, Mr. Campbell had a majority of 2,498 over his Conservative opponent, W. R. Aylesworth, and his election was conceded. In 1930 the Conservative candidate, the late Dr. William Spink, had a majority of 3,371. Kenora-Rainy River, a remote mining and lumbering New Ontario area, centring on the railway division town of Kenora, chose H. B. McKinnon, Liberal-Labor, by a majority of at least 5,117 as against the 502 majority which the former member, Hon. Peter Heenan, had in 1930. With 94 polls out of 117 reported, Mr. McKinnon had 7,981 against 1,964 for Joseph Derry, Conservative.

When in Georgetown, don't fail to visit The White Inn, on the ninth line. It deals in Hot Dinners and Lunches, and an Expert Tea-cup Reader is in attendance at all times.

Entered Into Rest

MRS. HENRY G. BELL, Guelph Guelph lost a widely known resident in the death at the General Hospital there, on Thursday last, of Mrs. Lucrea Bell, wife of Prof. Henry G. Bell, of the Chemistry Department of the O. A. C. A native of Erin Village, Mrs. Bell spent the greater part of her life in this district, with the exception of a short time she resided in London, Ontario. For some years prior to her marriage, she was on the teaching staff of the Orangeville Public School, and since going to Guelph was active in church work and in various women's organizations. She was Vice-President of the Guelph Presbytery of the United Church, and held office in the Faculty Club at the O. A. C. Surviving are her husband, three sons, J. Edwin, London; Arthur P., Toronto; and Fred H., of Guelph, a student at Western University; her father, John Patterson, Guelph, and four sisters and three brothers.

DAVEY CHAPMAN, Oakville Relatives, friends and business associates from near and distant points, gathered on Monday afternoon to pay tribute to Davey Chapman, prominent Oakville business man, who died on Saturday, in his 55th year, was borne to his last rest in Oakville Cemetery. Seldom has Oakville had a citizen more widely known and respected throughout its business world and the number and prominence of those attending the last rites bore ample testimony to Mr. Chapman's popularity. Owner and President of the Oakville Aluminum Company, and for 20 years connected with the Oakville Basket Company, Mr. Chapman's ability led him into many fields and at the time of his death, he was a director of the Eastern Collieries, Bienfait, Sask.; of the Kawartha Lakes Lumber Company, and British Columbia. Following the funeral service, held at the Chapman home, interment was made in Oakville Cemetery. Rev. J. W. Magwood, of St. John's United Church, Oakville, officiated, assisted by Rev. E. O. Seymour, Woodstock, and formerly of St. John's. Pallbearers were: A. W. Reid, Beamsville; A. C. Wooten, Jordan; H. H. Farrell, Grimsby; Arthur Hueston, Grimsby; Bath Platt, Stoney Creek; and A. E. Merritt, Grimsby. Associate pallbearers were: Mr. Spicer, Hamilton; Mr. Freeborn, Hamilton; Dr. H. A. Sniden, Orillia; James Peel, Lindsay; and John Marshall, Toronto. Surviving are his wife, one daughter, Ruby, at home; one son, Robert, Oakville; two brothers, Rev. O. U. Chapman, of Utica, N. Y.; and Rev. James Chapman, Burlington; three sisters, Mrs. C. C. Perry, of Hamilton; Mrs. Thomas Richards, of Hanover; and Mrs. Albert Burch, of Galt.

THOMAS MOFFAT Suddenly stricken ill on Friday, Mr. Thomas Moffat passed away on Sunday in St. Joseph's Hospital, Guelph. Although he had not enjoyed the best of health following a serious operation about four years ago, Mr. Moffat had been about as usual. He attended Acton Fair on Wednesday and was in Acton the day following. Friends were indeed shocked to learn on Sunday of his demise. Thomas Moffat was a son of the late Christopher Moffat and was born at Criff, in Fulsinch Township, seventy years ago. Forty-five years ago he was joined in holy wedlock to Miss Margaret Turnbull, who, with three sons and one daughter, remain to mourn his death and rever the memory of a loving husband and father. The family is Christopher, Oliver and William, all at home; and Mrs. Ellis McLaughlin (Mae), of Wellesley. A daughter, Christina, predeceased him. Of a family of six, three brothers also remain, John, of Richmond Hill; and Martin and James, of St. Paul, Minn. To all the bereaved sincere sympathy from a wide circle of friends goes out. Mr. Moffat was a man of quiet disposition, a true friend and a neighbor whom all respected. With the exception of a few years spent in St. Paul, he has lived for nearly fifty years on the farm at lot 29, fifth line, Squeaking Township. The esteem in which he was held was evidenced in the gathering that assembled on Tuesday to pay their last respects. A private service was held at the home, followed by service in Knox Presbyterian Church, Acton, of which he was a member. The service was in charge of his pastor, Rev. H. L. Bennie, assisted by Rev. John Little, of Rockwood. Interment was made at Fairview Cemetery. The pallbearers were: Messrs. A. G. Clarridge, D. D. Morrison, S. H. Lindsay, N. McLaughlin, W. H. Anthony and Thos. Kennedy.

Among the friends and relatives attending from a distance were Mr. and Mrs. John Moffat, Misses Elizabeth and Jean, Richmond Hill; Mr. Jos. Turnbull, Mr. and Mrs. C. Barber, Mr. Thomas Turnbull, Mr. and Mrs. Beaudoin, Mr. Wm. Turnbull, Mr. Martin Nickell, Miss Margaret Elliott, Mr. Alex. McPherson, of Galt; Messrs. George, Walter and Robert Oliver and Wm. Goulding, of Thamesford; Mrs. Turnbull, Dundas; Mr. George Nickell, Toronto.

Various Items of Local Interest

Bank Stock Oversubscribed

Oversubscription of Central Bank capital stock by close to 150,000 shares was indicated as applications posted prior to Friday midnight continued to arrive at the office of Hon. E. N. Rhodes, Minister of Finance. The Minister and his associates were faced with the task of scaling down the subscriptions calling for the maximum number of shares, so that the 100,000 shares making up the capital stock could be equitably divided among stockholders who up to Monday morning had applied for over 230,000.

Magistrate Molliven to be Reinstated

Re-appointment of W. E. Molliven to the Magistrate's bench in Halton County, will be made by Hon. Arthur Robuck, Attorney-General, it was announced. "I'm convinced he will make a splendid addition to our staff of Magistrates," said Mr. Robuck. "Therefore, I'm having the Order-in-Council prepared for the next Cabinet meeting, naming him for the appointment." Magistrate Molliven was dismissed under the general government order for dismissal of all Magistrates when the Attorney-General was reorganizing the system.

Reformatory Inmate Escaped

Search is being made for Trefryn Thomas, 19, an inmate of the Ontario Reformatory at Guelph, who made a break for liberty Sunday afternoon. Thomas, who had served eighteen months of a term of two years, was a trustee, employed in the dairy barn. During the afternoon, he slipped away unnoticed. Guards set out to search for him as soon as his absence was discovered. He was sentenced at Cobourg for theft of a car, and breaking and entering. He was wearing the prison uniform, including blue overalls, and all his clothing was stamped with the letters O. R. He stands five feet, 11 inches, weighs 190 pounds, has brown hair and fair complexion. He wears size 12 boots.

Cyclist Struck by Hit-and-Run Driver

Struck by a hit-and-run driver, as he was riding his bicycle on Highway No. 25, near Palermo, on Saturday afternoon, Robert Ledson, 15-year-old son of Mr. and Mrs. J. A. Ledson, was seriously injured. The boy, who was returning from Palermo, was thrown off his bicycle, striking his head on the pavement. He is suffering from a slight concussion and injuries to his eye and elbow. A passing Bell Telephone car from Hamilton picked the injured lad up and took him to Palermo. It is expected that it will be some time before he is fully recovered. Provincial Traffic Officer Clarence Hunter, Provincial Constable C. A. Cookman and Chief M. Hatfield, of Milton, arrived at the scene of the accident shortly after it had taken place. Investigations of tire marks in the road led them to believe that the driver of the car had been intoxicated. When the boy had been struck, the bag of flour which he was carrying was spilled on the road and traces of flour were found about 50 feet distant. It seems that the driver of the car had stopped for a few minutes to remove the flour from the running board, and had then speeded on. The occupants of the Bell Telephone car stated that they had passed a car tearing down the highway, but had paid no particular attention to it and there was no definite evidence to prove that it was the same one.

Shakespearean Players to Visit Acton

The Richardson Shakespearean Players are presenting two plays, namely, "MacBeth," and the comedy, "The Taming of the Shrew," in the Town Hall, Acton, Tuesday, October 9th, at 8.00 p. m. These players are professional, and chiefly from England, and are experienced in Shakespearean plays. Each class in High School studies at least one Shakespearean play each year, and seldom has an opportunity of seeing and hearing a play in real Shakespearean setting. For this reason the staff of the local school feels that it is an opportunity not to be missed by the students. The two plays are rated among the best of Shakespeare's plays, and brief synopses will be given in this paper next week. In order that the public can avail themselves of this opportunity to see real Shakespearean actors, the plays are being held in the Town Hall. Tickets, 35c and 25c, can be obtained from any students.

The Big and Small Fairs

A despatch in one of the dailies recently said: "A prize flock of sheep, owned by Joseph Willmott, farmer near here, won first prize at the C. N. E. The same flock won a first at London Fair several days later, but, when exhibited at Acton Fair on Wednesday, was awarded no prize." Winning at the big fairs is sometimes easier than winning at the small fairs. Not all, by any means, of the best stock in Ontario journeyed to the bigger fairs, and it is a well known fact that many of those who win at the C. N. E. refuse to attend the small fairs and take the chance of having their exhibit beaten. It is conceded that to win with Hackney horses at Acton Fair is more difficult than at the C. N. E., because the most of the C. N. E. exhibit in this class comes from this district. Acton this year also had a very fine exhibit of sheep and hogs. However, the list of winners give F. C. Willmott several prizes for sheep at Acton Fair.

Prize Creameries Take Butter Awards

Western Canada creameries swooped down on the Canadian National Exhibition at Toronto this year and made a clean-up in the butter prizes. A Manitoba creamery won the silver cup for the highest scoring creamery butter exhibited, being awarded 97.5 points for its entry in the section for a 56-pound box of salted butter. Another Manitoba creamery was adjudged winner for a 14-pound box of salted creamery butter and a 14-pound box of unsalted creamery butter with 97.3 points in each class. Ten Manitoba creameries and one from Saskatchewan were included in the first prize group for salted butter in a 14-pound box. Manitoba had 28 entries in the class for salted creamery butter in a 56-pound box of which 27 obtained prizes. Winning a prize at the Canadian National Exhibition is a high honor, as the exhibition is the largest annual affair of its kind in the world. In the short space of two weeks it attracts about 2,000,000 persons to see displays of some of the most remarkable examples of human ingenuity, some of the best products in art, science, industry, agriculture, horticulture, and other spheres that it is possible to gather together.

A Fitting Tribute to Two Great Discoveries

BY a curious coincidence the unveiling of the bust of Jacques Cartier, the gift of the French Government, on September first, on the Montreal Bridge which now bears his name, commemorated not alone the great discoverer of Canada, but also the Sixtieth Anniversary of Alexander Graham Bell's discovery of the principles of the telephone in Brantford, by virtue of the fact that a special public address system was used that the vast crowd of spectators might hear what was said. This was installed by National Sound Services, using the latest developments of the combined telephone and radio laboratories of the Northern Electric Company, thus marking a double epoch of Canadian discovery.

In the picture are seen left, bust of Jacques Cartier, a general view of the ceremony, and centre foreground, two of the pigeons which were released by boy scouts, seen in circle, signifying the harmonious communications between the four nations, England, France, United States and Canada. Inset, the speaker's stand with Mayor Houde seated behind the speaker, the horns and microphones of the public address system.
