resolution was crazy, while other members, although opposed to Daylight Saving Time, did not feel they had any right to enforce their convictions upon other municipalities. The resolution was filed. Mr. Leonard Chisholm, President of the Italian Ploughmen's Association, appealed to the Council for a grant to the Association, and asked that it be increased from that of last year, so that some contribution might be sent to the Provincial Association. Mr. Chisholm pointed out that wherever the Provincial Ploughing Match was held, it brought considerable assistance to the local Association. In the near future it might be Halton's turn to hold the Ploughing Match in which case financial assistance from the Provincial Association would undoubtedly be appreciated and for that reason he would be glad at the present time to give some contribution towards the general fund.

McNab, Milroy, was appointed Clerk at \$1000 per year. There were fifty applications for the office of Treasurer, and over thirty for the Clerkship. Appointments were to take effect from the 20th of July, 1937.
