

NEIGHBORHOOD NEWS

Interesting Items Concerning Other Centres and Communities in which Many of Our Readers are Interested

Everton

Mr. Bert Robertson spent the week-end in Rochester. Mrs. L. Cox and son, of Guelph, spent the week-end at the home of Mr. Ben Simons. Mrs. E. Shephardson and Miss Jean Hall and Mr. Elwood Cann, of Guelph, spent Monday at Riverview. Miss Margaret Sunter is staying with Mr. and Mrs. Stanley Stewart, sixth line. Mr. John Lister is visiting with Mrs. R. Dampier.

Georgetown

Misses Jean and Marjory Mackenzie, Marjory Gault and Yvonne Adams are enjoying a motor trip to New York. The members of Georgetown Township Council attended the funeral of the late Mrs. John Appelle in a body at Stewart-Town last Monday. Rev. Stas Cameron, of Rogers Church, Toronto, has received a call to the First Presbyterian Church, Edmonton, and will leave next month for the West. His main reason for leaving is that he and Mrs. Cameron and their little son success and happiness in their new home. Georgetown golfers entertained Oakville golfers at the links here last Saturday. Notwithstanding the high wind, some good scores were made by the players. Luncheon was served by Mrs. Miller and her assistants at Cedar Crest, following the game. Georgetown players were the winners by a small margin.—Herald.

Limehouse

Mr. Sam Graham, of Bradford, Pa., is spending a week with his aunt and cousins, Mrs. Jos. Dobbie, and Messrs. Ryan and Adrian Dobbie. Mr. and Mrs. Wm. Millere, Miss Gladys Millere, Mr. R. Thompson and Master Billie Millere spent Sunday with Mr. and Mrs. D. Dorrie, in Hamilton. Miss Helen Gale has returned to Toronto after spending the summer with Mr. and Mrs. C. Gale. School opened last Monday and we hope there will be no occasion for it to be closed again. This village returns to Standard Time next Sunday, having been run on D.S.T. to suit the conveniences of the truckers from the quarries. On Friday night last, at the home of Mr. and Mrs. T. Appleyard, the neighbors and friends of Miss Beatrice Lane gathered, to present her with a miscellaneous shower, on the occasion of her marriage to Mr. Edward Morrow, on Saturday next. A very enjoyable time was spent after the presentation.

Milton

Mr. and Mrs. W. G. Simpson have returned home after spending a few days with friends in Oshawa and Toronto. Mrs. J. P. Brock of Miss Toronto, and his brother, George Brock and wife, of Chicago, visited relatives here Friday. Kenneth, 16-year-old son of Mr. and Mrs. Will Hainford, who underwent an operation for appendicitis in Guelph General Hospital, is, we are pleased to say, doing nicely. His many friends hope he will soon recover. "Billy" Blacklock, of Woodstock, formerly of Campbellville, who some years ago was one of the best baseball players in Ontario, and a member of the Milton Baseball Team, was in town last week, and called on a number of his old friends. Fire, caused from a spark during threshing on Thursday last, destroyed the farm buildings, season's crop and a bull owned by John S. Hazzel, farmer, at Peru. Total loss \$6,000. A separator was also destroyed. Milton firemen pumped water from a small nearby creek. Neighbors formed a bucket line to extinguish sparks from the farmhouse roof.—Champion.

Erin

William Justice died at his home in Winnipeg, Manitoba, on Monday, September 13th, in his 71st year. A son of the late Adam Justice and Margaret Stark. He was born in Cheltenham and came with the family to Erin when a small boy. Archie McEachern, town line, Erin, marked his eightieth birthday on Thursday, September 16th. Despite his years, he still takes an active part in the work about the farm and is planning to build the stone foundation for a new barn this fall. Mr. and Mrs. H. L. Richardson and Nedra attended the wedding of Mrs. Richardson's niece, Miss Ruth Tallman, to Mr. Richard Mill, both of Beamsville, on Saturday. This was a lovely church wedding, with reception following, and many guests. The large plate glass window in the front of C. J. Hamilton's store, the property of Dr. H. Oear, was quite badly shattered some time between the closing hour Monday night and Tuesday morning, when it was hit by a stone about the size of a hen's egg, which, from appearance, ricocheted from a car wheel on the asphalt road.—Advocate.

Burlington

Rev. J. C. Hornby returned home from Victoria, B.C., on Friday last, and occupied his pulpit in Knox Presbyterian Church on Sunday. He reports a delightful trip and holiday. Miss Dorothy (Dot) Filman arrived home Friday from an extended trip to England, where she visited friends and attended the Coronation. She reports a delightful and interesting trip. Miss Mildred Hagen, R.N., left on Thursday for Cleveland, Ohio, where she has accepted a position at the University Hospital. She has recently been employed on the staff at Gravenhurst Hospital, Muskoka. Thieves broke into the fruit stand of Sam Anderson, at the corner of Water Street and the Guelph line early Sunday morning, and carried away several baskets of fruit and two juicy melons. This is the third time the place has been broken into within the past few weeks. At the monthly meeting of the Fire Brigade, held on Wednesday evening last, a committee was appointed to wait on the Council to procure, if possible, a reduction in the rental rate of the skating rink. The firemen have had a five-year lease on the rink, which expires in November. The rate was \$225 per year, but due to the poor winters the past two years, it has not been a paying proposition.—Gazette.

Oakville

Charles Pearce, King of the Hoboes, paid a visit to the Record-Star office last Friday. The veteran knight of the road, who is 70 years old, had walked all the way from Vancouver. Two roof fires, from identical causes, were extinguished by the Oakville Fire Department during the past few days. Early Sunday afternoon the fire got a call to the house of Main Johnson, where the wooden shingled roof had caught ablaze from sparks from the chimney. Due to routine machinery repairs, the greater part of the plant of the Marlatt Leather Company has been closed for the past week or so, with only a few men working. It is expected that the repairs will be completed within the next few days, and regular operations will be resumed. Neville Malnguy, skipper of the schooner "Sea Fever," which is lying in Oakville harbor, while being outfitted for a lengthy adventure cruise, was arrested in Toronto last Friday evening on a charge of fraud. He was alleged to have obtained \$375 from William A. McKay, Toronto automobile dealer, by false pretenses, with intent to defraud. Refusing to pay a \$5 fine and become impudent to the bench, he was committed to an extra two dollars, and led to his removal from the court room. The incident, occurred in Magistrate's Court on Friday afternoon. Mrs. Harriet E. Reddaway, a Toronto woman, was charged with driving at 42 miles an hour on Colborne Street, on August 29th.—Record-Star.

Bannockburn

The regular monthly meeting of the Bannockburn Women's Institute was held at the home of Mrs. D. D. Morrison on Wednesday, September 15th. The roll call was answered with a Bible verse. The minutes of the last meeting were read and adopted. Following the business period, Mrs. F. Cole favored the meeting with a piano solo. Miss Bennett, of Georgetown, was then called on. Everyone enjoyed her splendid lecture on "Legislation for Women." Mrs. A. Kerr favored the meeting with a vocal solo. The meeting closed with the benediction. Lunch was served and a social half hour was enjoyed by all. On Monday evening, September 20th, members of the Bannockburn Women's Institute gathered at the home of Mrs. A. C. Garvin to wish Mr. and Mrs. Lorne Garvin much happiness in their married life. The chairman for the evening was Mrs. W. Wiley. The program opened by singing "O Canada." This was followed by piano solos by Miss Margaret Brown and Miss Laura Miller, and a vocal solo by Miss Doris Harding. Miss Margaret Brown was then called on and read the following address: Dear Betty and Lorne: It is with great pleasure that we, your friends and members of the Bannockburn Women's Institute, are gathered here tonight to extend to you our warmest congratulations on your recent marriage. We have known you from your childhood days, Betty, and always you have been one of our valued and willing Institute workers. You, Lorne, we do not know so well, but we all join in wishing you both a long and happy life together, prosperity, and the richest of God's blessings. Now, as a token of the esteem in which you are held, we ask you to accept these gifts. MRS. E. A. WILEY, MRS. ROBT. KERR, LAURA MILLER, Miss Margaret Young and Mrs. Stanley Morrison then presented Mr. and Mrs. Garvin with a basket of gifts. Mrs. Garvin replied very suitably, after which all joined in singing "For They Are Jolly Good Fellows."

The remainder of the evening was spent in card playing, after which lunch was served.

AN OPEN LETTER

Georgetown, Ont., Sept. 20, 1937. Mr. Lloyd D. Bennett, Conservative Candidate for Halton County.

Dear Mr. Bennett: In your letter of September 13th, to the farmers of Halton County, you appeal to everybody to answer the following question, to quote your own words: "I challenge any person to name any constructive program to help the farmer accomplished by the present Government. In spite of the pleas made by Mr. Hepburn for the man on the back concessions before the last election, the farmer is still the forgotten man." I am sure you will appreciate it if your gauntlet be taken up in the same arena where you threw it down so courageously, and therefore I will gladly tell you why the program of the present Government is constructive for the farmer. The Hepburn Government is reducing taxation, and with it the cost of living. Every farmer knows that the \$40,000,000 you mention in your letter does not come from them. This is a more constructive program than any Government in Canada has ever attempted simply because the average farmer as a consumer happens to be three to ten times as important as the average non-farmer, dependent on the size and sort of farm he runs. The farmer is not only a household consumer, like everybody else, but the annual expenditure necessary to keep his land, orchards, buildings, implements and machinery, harness, livestock, etc., in A1 condition, and to keep his farm going, is far and far more important than the annual expenditure of the average non-farmer. Economists have computed the average ratio as being about five to one. When any Government, therefore, has the courage to lower the cost of living, all farmers will profit five times more than the average non-farmer. I do not blame you for not knowing this, Mr. Bennett, as there are quite a few people who never studied the relation of Agriculture and Industry. It is a pity, however, for if you actually had read a bit about this branch of economics you would also have known that for the very same reason every tariff, from socks to sealing wax, is five times more detrimental to the farmer and I feel sure you would have dropped the party of high-tariff-advocates long ago. Mr. Rowe's policy, to quote your own words again: "is to stimulate the sale and widen distribution of Ontario's farm and dairy products at fair prices. We will re-open Ontario House in London, England, and other selling and advertising agencies wherever necessary to procure for our farmers a greater measure of prosperity." Of course I realize that Mr. Rowe, having been very busy for quite a long time, is probably not aware that, for instance, in Denmark, so often held up to us as the example to follow, where the farmers have a better system of marketing than any other country in the world, about three weeks ago a Farmers' Convention, with an attendance of 70,000 protesting farmers, concluded that the only help for agriculture can be expected from a lower cost of living. The present Ontario Government, therefore, seems the ideal one to cure the farm problem, simply because it has lowered the taxes and the cost of living, which covers a little better than a promised aim and promise, besides. Since I have written the above in answer to your request and have to send it to the Halton County press to meet you on your own grounds, it seems only fair, and I hope you will not blame me for it if I reverse the charges for the printing. Besides some honest advice on the agricultural question should be worth that much to you. I am, Dear Sir, Your obedient servant, A. G. M. BRYANS

Campbellville

There were no services in St. David's Presbyterian Church on Sunday last, owing to the anniversary at Nassagaweya Church. Quite a number from the village attended the services and paid wonderful tribute to the speaker for the day. Rev. H. Fleming, of Waterloo. Miss Mary Roberts, who has been at her home here for over a week, returned to her post in Toronto. Mr. and Mrs. Charles Norris attended Acton Fair on Wednesday. Miss Norma Watson has gone to her home, at Eden Mills after being in the village all summer. Mr. and Mrs. George Ingles, who were married very recently are moving into the village. As George is well known here, everyone extends to him and his bride a hearty welcome. Mrs. Bert Ferris was in Detroit a few days this week. Mr. and Mrs. J. Kingshott and Freddie visited friends in Acton on Wednesday.

IMITATING BIRD CALLS

Amusing imitations of bird calls can be secured in this way. Hollow out a fair-sized cork at the bottom and press it against a piece of wet glass, drawing it at a slight angle. By varying the angle and pressure a realistic impression of a chirping bird can be produced. "There can be no permanence for a nation whose people have only a selfish interest in its welfare."—John J. Pershing.

The LETTER BOX

It is quite evident that politics are pushing to the front in Ontario, and in Halton in particular. When I lived in that neat little county, with its four Townships, two towns and three villages, I seemed to have little difficulty in knowing how to vote. I was recently asked what, if I were there again, would I do this time? Reading the party manifestos advertised in The Free Press, it is hard to know which is the worst. They say, "the distance lends enchantment to the view" but candidly there is little enchantment at this distance as far as principles are concerned, judging from accusations.

We are in a great mixture and medley over here. For about three years the Province has been in a ferment, especially the last two, since the present administration took office. That is, system of administration, for there have been many Cabinet changes. To show what distance may do, I sent, as a favor, a FREE PRESS, some months ago, to a friend, a former Milton man, with some special Milton news, and, as the editor had made some comment on Alberta—and probably Aberhart—word was sent me that "that man doesn't know what he is talking about." This, of course, was an ardent "Social Credit" devotee. I am not very sure of his ardency just now.

Before these lines are published—if ever they are—Acton Fair will be a thing of the past, except the congratulations, and perhaps commemorations. Seven years would make an attendance enjoyable, if that were possible. Not only have we politics here, but like Ontario, an infantile paralysis scare. Homes all over the community were started on the 8th, when pupils from the 4-roomed Public School and the 5-roomed High School arrived home about noon with the word, "No school for ten days." A lad on the outskirts, who had not yet enrolled, not foping well, had

been ordered to Calgary Isolation as a suspect. Although Calgary now has one, and Medicine Hat several, doctors, in both places claim that nothing is to be gained by closing schools.

Respectfully,
J. S. COLEMAN,
Turner Valley, Alta.,
September 14th, 1937.
