Dear Mrs. Speight: We, the members of the Woman's Missionary Society feel that this is a fitting time, as you are resigning your office as Treasurer to express to you our high regard of the efficient manner in which for twentyfive years you have fulfilled your duties as Treasurer of our society. More than once, our Presbyterial officers have commented on your neat, accurate reports, which were always sent on time. Your nunctuality and attendance at the meet-

ings, whether regular or special, won for you the esteem of your fellow members. But even more precious to us than the fulfilment of your duties as Treasurer has been your fellowship. From you we have learned to perform. cheerfully the little duties of life and to do them promptly? believing that if we would do much good in the world we must be willing to do good

ACTION 6 - GURLPH 1' Quelph for their final game in the Royal City, and defeated the Maple Leafs, 6 to 1. The score was really a good indicabetter in all departments than rivals. The game was one of the cleancat on but failed to register and the period this season, only four penalties being ended 2-0 for Acton. handed out by Referce Pelibaum, three going to Guelph, one to Acton; all for minor infractions of the rules.

The Acton team had better team play than their city opposition, and masters of the situation at all times. This was one of the smallest crowds have seen at a hockey match this year and about one-half of the less than one hundred spectators had followed - the team from Acton.

Play during the first part of the game was slow, the ice conditions accounting for some of this. Two new players appeared on the Guelph line-up, Ridley and K. Gemmell, but did not pep their team materially. Kaiser was also in his usual mood, and, during second frame, threw his stick in at held at Cairo, Egypt, Dr. Augustin Guelph players' bench and departed for the rest of the same.

Acton got the puck from the face-off and, after the rubber had several trips up and down the ice. Norm Morton got the first shot at Gemmeli, in the Guelph net. Fellbaum was keeping a close check on the off-sides, and letting very few slide by. After seven minutes of play Acton got what proved to be the only goal of the period, E. Marso getting a pass from Kentner, to take command of

Both N. Morton and Mooney sent nice shots across the Guelph goal mouth, but there were no results. Quelph sent up a three-man wave, but they were car ried out of play without damage. 12.30 Sloan, of Quelph, went for a rest, for tripping Terry, but it did not look The monthly meeting of the Woman's to be intentional. Acton got two goals during this frame. There were no penalties

Just after the second period got under way-at 2.30-L. Gemmell and I. Marso, Waterloo were sent to the cooler for getting too Acton chummy. This was the only Acton Preston penalty of the game. At 5.21 Enns got Galt Guelph's first and only goal, on an assist Quelph from Pipher. The Acton defence did not look too good on this goal. This seemed to be what the Acton team needed to spur them on, and in quick succession they ran in three goals-at 7.35-7.58 and 8.20-the first. Bus Morton from Olbbons; the second, Norm Morton from Olbbons: and the third, I. Marso from Robertson, who was making his initial appearance with the Acton team.

At 14.30 L. Gemmell got his second penalty of the stanza, and Acton put on the power play, having three tries in rapid succession, but no goals. A goal was claimed by Acton at this time, but the goal judge said "no." Although it was quite obvious from where we sat

that it was in the goal judge won. Both goalies had nice saves, and both coms seemed unable to score when right in on goal Guelph being very unlucky. The final score was Action 6. Quelph 1 The penalties-Guelph 3: Acton' 1.
