## County Council Appointments Contracts, Grants, Accounts

Accounts to High Schools are Sanctioned for Payments — Printing Contracts Are Awarded — Insurance Company Denies Any Liability for Claim in Accident — Grants to Salvation Army and Institute for the Blind.

Halt County Council met in Milton last Tuesday. The morning session, with the Warden in the chair, had all members present except Mr. Robinson, Reeve of Meungton.

Minutes of the last meeting were read and adopted. There was a great deal of correspondence, which was read by the Clerk.

It was moved by Mr. Irving, seconded by Mr. Byers, that O. E. Elliott be appointed to the Milton High School Board for the years 1937-1940.—Carried.

At the afternoon session all members were present.

A representative of the Salvation Army from Hamilton addressed the Council, asking for a grant towards the work the Army is doing. With reference to Halt County, the officer stated that in 1936 rescue work for Halt girls and women had amounted to \$390, and in 1937, \$161. "We would like," said the officer, "if the Council could see fit to make the grant to us a little larger. We are a little diffident in appealing for more, but do ask your consideration, not because of what we may do in the future, but because of what we have done in the past. We would ask you if you will consider giving \$100 specifically for hospital and rescue work."

The Warden assured the officer his request would be given consideration.

Later in the afternoon the matter was again brought up, when it was moved by Mr. Gordon, seconded by Mr. Kerns, that the Salvation Army be given a grant of fifty dollars, and also a grant of \$50 be given to the Canadian National Institute for the Blind.—Carried.

Committee reports were read in open Council following which it was moved by Mr. Davis, seconded by Mr. Wilcox, that Council go into Committee of the Whole to consider the reports of the Standing Committees.—Carried.

Mr. Irving took the chair.

Railways, Legislation, Agriculture and Reformation—This Committee drew attention to a letter received from the Imperial Blend Tea Company, which protested against payment of license fees for peddling, basing their charge on the ground that the County were not legally entitled to charge a license fee. The Committee recommended that the matter be sent to the Municipal World for advice.

Moved by Mr. McNiven, seconded by Mr. Gilbert, that Mr. Gordon and Mr. Kerns be a committee to attend the Ontario Agricultural Council Convention in the Parliament Buildings, on February 15th, 16th.—Carried.

Moved by Mr. Gilbert, seconded by Mr. McNiven, that the Treasurer be authorized to forward to the Ontario Good Roads Association our membership fee of \$15.00.—Carried.

Moved by Mr. Allan, seconded by Mr. Blair, that leave be granted to introduce a by-law to provide for the total expenditure on the County Roads System for the year 1938, and that by-law—No. 711—be now read a first time.—Carried.

By-law was given three readings and passed.

Moved by Mr. Hall, seconded by Mr. McNiven, that the Warden and Clerk be authorized to submit to the Minister of Highways the petition of the County of Halt, that during the year 1937 there was expended on the County System of Highways the sum of \$22,810.52, and requesting the statutory grant on that amount, as provided by the Act to aid the improvement of public highways.—Carried.

County Roads—A letter was read from the insurance company with reference to a claim for damages sent in by Mr. Andy Frank, Nasagawaya. The insurance company denied liability and the letters were filed.

Printing—This Committee recommended that the tender of the Oakville Record for printing Minutes, etc., at \$1.55 per page, be accepted. That of Ernest V. Barber for Auditors' Report, at the same price, be accepted, and that the Gazette Printing Co. for printing Magistrate blanks, be accepted.

A letter from the Department of Welfare, with reference to appointments to the Mothers' Allowance and Old Age Pensions Boards, provoked considerable discussion. A coding to the new act, two members, a man and a woman, are to be appointed by the County Council, and expenses to be paid by the County. Three members will be appointed by the Province.

Moved by Mr. Robinson, seconded by Mr. Hall, that the expenses of the Mothers' Allowance Board as per attached account, be paid.—Carried.

The expenses were \$225 committee fees and \$32.17 mileage.

Moved by Mr. McNiven, seconded by Mr. Hall, that the County Clerk be the Secretary of the Old Age Pensions and Mothers' Allowance Board.—Carried.

## JOHN ROCKWOOD HEARD ON AUDITION FROM NEW YORK

A number of radio listeners here were delighted to hear John Rockwood in the audition for the Metropolitan Opera Company. He is perhaps better known here as Frank Guld, and is a native of Rockwood. Frank has delighted Acton audiences as a soloist, and in duet work with his father, Mr. L. R. Guld. Edward Johnson, formerly of Guelph, presided at the audition and made some interesting introductory remarks.

John Rockwood sang, "Milton Fugitive" and for a second number, "My Message." Both numbers were beautifully rendered. In his short introductory remarks about himself Mr. Rockwood claimed that he received his first great impetus toward a career in music by hearing Mr. Johnson sing his first, Guelph recital after his return from Italy, and from being present when Mr. Johnson made his debut at the Metropolitan. "Thanks, 'Thanks, my boy," said Mr. Johnson in the reply in which he expressed his gratification that anyone had received inspiration from his example. John Rockwood studied in Guelph, and has since studied with Mrs. O. Powell Hamilton, sang later in the Willard Ballroom in Washington, D.C. for the Rubenstein Club, and achieved for himself a four-year contract in radio work.

## THE HURST-HALE WEDDING IN TORONTO

The chapel of St. Thomas Anglican Church, Huron Street, Toronto, was the scene of a quiet wedding on Saturday, when Miss Kathleen Hale, elder daughter of Mr. and Mrs. Harry Hale, of Georgetown, became the bride of Joseph Thomas Hurst, elder son of Mrs. Newton Hurst and the late Newton Hurst, of Acton, the Rev. Stuart, rector of the church, officiating.

The bride, given in marriage by her father, wore an afternoon frock of powder blue satin backed crepe, with grey hat and gloves, and corsage of Briarcliff roses. Her only attendant was Miss Lillian Williams, of Toronto, her cousin, who was gowned in pale blue lace, with black accessories and corsage of Johanna Hill roses. Mr. Newton Hurst supported his elder brother.

Immediately after the service, Mr. and Mrs. Hurst left by motor for a honeymoon in Bracebridge. On their return they will make their home in Acton.

## PUZZLE POEM WAS "LONG" BUT SHORT

Last week's Puzzle Poem answer was "Long," and the first correct answer opened was from Reta Fitzpatrick, of R. No. 2, Acton, who wins the award for this week. The poem itself was rather short, interest is well maintained in this feature, inaugurated and furnished each week by Mr. W. Coles, judging from replies received. You will find another poem on Page Five this week.

## Russel T. Kelley Guest Speaker At Men's Club

The A B C's of Football Are Also the Principles That Win in Life

Acton Y. Men's Club has been favored with many splendid addresses at its supper meetings, but none were more enjoyable than Tuesday's meeting, when Mr. Russell T. Kelley, of Hamilton, was the guest speaker. Mr. Kelley is President of the National Council of the Y.M.C.A., Honorary President of the Associated Boards of Trade and Chambers of Commerce; associated on sport executives in his home city, and a speaker much sought after for many gatherings.

In opening his address, Mr. Kelley expressed his pleasure in meeting again Eddie Ryder, against whom he played lacrosse some forty years ago, and incidentally Eddie was able to show a medal which Acton won the championship in that year.

Mr. Kelley's theme was the A B C's taken, as he said, from football experience. A was for ambition, which every player in football or life must have. There were several kinds of ambition, but one must have it to win, either in football, or business. If one is willing to pay the price, ambition can be realized. But he urged that financial ambition should not be the sole objective but a life also with some place for the betterment of the fellow man and the community.

B stood for backbone. Mr. Kelley led the team that played hard in the last five minutes, even when the score was high against them. He urged young men to keep a direct contact with the church. He sometimes wished that all the service clubs had not come into existence and this service work was all done by the church. He believed that Sunday should not be spent in listening to light United States radio programs, but rather in attending church services.

C, in Mr. Kelley's address, stood for concentration. He urged the play in sport and business life that was team play. Tackle the thing and do it. Your part may be small, but do it well. We need faith in ourselves, our fellowmen, our job, our country and, above all, faith in God. There are still plenty of golden opportunities for young men if a splendid illustration is taken of them. It was a splendid inspirational address to young men, interspersed with plenty of wit and apt illustration of sport applied to success in life.

Mr. Kelley was introduced by ex-Warden A. Mason, and at the close of the address Mr. W. J. Beatty moved a hearty vote of thanks to Mr. Kelley for his visit to the club and his stirring message. The applause of the group showed concurrence with the thanks expressed by Mr. Beatty.

During the evening Bob Sly presided at the piano for the sing-song, and at the opening of the banquet Rev. Mr. Brooks said grace. The President of the club, G. A. Dills, was in charge of the meeting. The supper served was a bountiful and appetizing one, provided by the True Blue group of the Y.M.C.A. Ladies' Auxiliary.

It was agreed by all that this meeting was among the best of those which have been held under the Y. Men's Club.

## Upsets Plenty In the Rural League Games

York Road Get First Defeat — Second Game Ends in Tie, and the Third Also

Although the "Bush League" on Thursday night was sandwiched in between an Intermediate game on Wednesday night, and another one on Friday night, a fair crowd of fans turned out to see the rough-and-tumble boys stage their show. It was the best night the Rural League has had yet as far as good games went, and every goal was well earned.

To start the evening off, Rockwood and Everton played to a draw, 3-3. Rockwood were one goal up till "Tinney" Masales broke away for Everton and streaked down the boards for what looked like a sure goal. Suddenly a stick appeared out of nowhere, and the astonished "Tinney" promptly sat down and forgot about the goal. "Minute" Walters, the referee, started to give Saunders, of Rockwood, a penalty for throwing his stick, then decided to give Everton a penalty shot, and finally decided to give Everton a free goal. Strange as it may seem, Rockwood didn't even argue the point. Rockwood really should have taken the game, but they just couldn't seem to get any breaks.

Jack Laverty, of Rockwood, was a trifle nasty at times, and had to be reminded not to use elbows and knees when checking an opponent. R. Ross, the Rockwood goalie, missed one easy shot from well outside the defence. Altogether, it was not a bad game to watch, and the 3-3 tie helped to make it interesting.

York Road Silver Foxes and the Army combined in the second game, to provide one of the biggest upsets of the night. (Continued on Page Five)

## CONTRACT FOR WIRING AT FACTORY BUILDING

Acton Council met in special session on Monday evening to consider tenders for electric wiring at the shoe factory building. Two tenders were received for the work specified. One from Roy Elderfield of Streetville, for \$725.00, and the other from Reid's Electric, Acton, for \$627.35.

Council had not deemed the work specified as coming within the needs of the plant, and after a consultation with Mr. Starr, the number of outlets and lights were cut down to bring the work to the amount planned.

Councillors A. Mason and J. B. Chalmers were appointed a committee to settle the matter. They met at the building the following morning, and the work was awarded to Reid's Electric, of Acton.

## READY FOR DEDICATION

Erected on the exact spot where the original laboratory of Thomas A. Edison stood when he invented the first practical incandescent electric light is the above 121-foot memorial tower now ready for dedication. The graceful tower is surmounted by a giant electric light bulb, containing more than 8,000 pounds of glass and three tons of steel framework. The bulb is 14 feet high and two inches thick.

## DAILY NEWSPAPERS: SUBJECT OF SCHOOL DEBATE

The Acton High School Literary meeting last Friday was in charge of Form II. Tom Watson acted as chairman. In the debate, "Resolved that the Daily Newspapers Do More Harm Than Good," the affirmative side was upheld by Babe McCall and Margaret Scriven; and the negative by Vernon Agnew and Betty Burkholder. The judges, Martin Hassard, Don McPhail and Sheila Breen, decided in favor of the affirmative side; the score being 65-58. Marie Brunelle gave a piano solo. A short play was presented by Bev. Arnold, Vernon Agnew, Tom Watson and Bruce Pargeter. The second edition of "The Oracle," was read by Bruce Pargeter.

## PROGRAM AND SOCIAL TIME FEATURE LOL MEETING

A special meeting of Acton L.O.L. No. 467 was held in the lodge hall on Thursday evening last, with about 35 members and visitors present. After opening of lodge, the following program was given: Chairman's address, Bro. Chalmers, W. M.; vocal solo, Jack Given, P.C.M. of Wellington County; speech, Bro. Green, C.M. of Wellington; talk, Rev. H. L. Bennis; violin solo, Bro. W. Frank; address, W. Bro. C. Armstrong, Toronto, Deputy Grand Master; speech, Bro. W. H. Masales, Deputy County Master; violin solo, Bro. A. Leishman, accompanied by Miss L. Frank.

Lunch was served in conclusion, and the National Anthem sung.

## Churchill Has Reached the Century Mark

First Meeting Held February 4th, 1838 — Communion to be Held February 6th, 1938

On February 4th, the church at Churchill will have been founded one hundred years. Owing to road conditions at present, the observance of the one hundredth anniversary will not be held until a later date. However, Communion will be held on February 6th, this year, which is the date closest to the actual formation of the church, and former friends and members will be welcomed cordially at this service.

The original minute book of the church is in a splendid state of preservation and contains many interesting recordings of those days one hundred years ago, when the church was founded.

The Congregational Church was formed by Rev. H. Denny, in the school house situated on Jacob Swackhamer's farm, in Esqueping, consisting of the following members: Jacob Swackhamer, William Swackhamer, John G. Gibbons, Peter Masales, Hugh McCutcheon, Mrs. Catherine Masales, Mrs. Hannah Swackhamer, Mrs. Sarah Swackhamer, Mrs. Mary Swackhamer, Mrs. Susan Harris, Mrs. Mary Denny, Mrs. Nancy Ann Gibbons, Mrs. Mary McCutcheon." So reads the first minute, dated February 4th, 1838.

Peter Masales and Jacob Swackhamer were chosen Deacons at that first meeting, and Rev. H. Denny was unanimously chosen to become pastor. "On the following Sabbath the ordinance of the Lord's Supper was administered."

And history repeats itself, and on the Sunday following the ordinance of the Lord's Supper will be observed again, but what a history has been written in the intervening years. But many of the descendants of the founders are still residing in the district and carrying on the work so ably started by their forefathers a century ago.

Meetings were held in the school house, located on the grounds now used as a cemetery, until 1843, when the present church was erected. A resolution, in March of that year, arranged for a subscription to be taken "for the purpose of completing the chapel and fencing of it."

There is apparently no record of the opening of the church, other than that of December 30th, 1843, when a resolution read "That the first anniversary of the opening of our church be held on Wednesday, January 17th 1844, and that tea be provided for the friends in the evening at 10 and 30 each."

And down through the years, too, tea at Churchill has been provided on many an occasion for the friends, and the circle of friends has widened with the years. Here is another minute from this century old book, that in this day and generation might be studied. "With a view to the purity of the church, any member, accessing him or herself three times successively from the Lord's Supper without giving satisfactory reason, shall be expelled from the church as unworthy members." And subsequent records show that the rule was strictly enforced in those early days.

Rev. Hiram Denny, the first minister, continued his labors at this church until 1854, when his successor was Rev. Joseph Unsworth.

## Acton Wins Two More Galt and Guelph Victims

Friday's Game Was a Close One with Result in Doubt Until Final Score — Guelph Affair was an Easy Win for the Locals and Shoved Duke Lindsay's Team Deeper in the Cellar — Acton Gained on League Leader in Week's Hockey — Monday's Game Was Postponed.

ACTON 5 — GALT 4  
Hockey fans sure got a big two-bits worth of thrills and hockey in the Galt-Acton game in Acton Arena on Friday night. In spite of the mild weather, the ice was very good and the Acton boys sure turned it on to nose out a one goal margin over the Galt sextette. The 5-4 score was really no indication of the game. Brown, the visiting goalie was easily the star of the game. He was both good and lucky and turned aside hundreds of shots to hold the score at the final figures.

I. Marzo had the first effort that seemed close and then Norm Morton was right in but Brown went down to save. Rhodes got right in and Woods was down to save a close one. Murphy drew a penalty for tripping. Galt got the first goal at 8:15, when Lovegrove broke alone and Galt was one man short. Brown saved three nice shots and Woods was down on a close one. Mooney evened the score at 9:37 when Norm Morton gave him the assist. Acton rushed Brown and the goal wasn't allowed, as Marzo was in the crease. Acton ganged Galt and Brown made some wonderful saves. Kentner and Terry made a nice rush, but Jack's shot was wide. Brown was out and down to save on Gibbons' effort, and Norm Morton put him in the same position again.

Mooney missed on I. Marzo's pass, and Gillespie crashed the boards and was laid out for awhile. Kentner missed when he had only Brown to beat. The period ended in a 1-1 draw, and it was one of the fastest first periods in any game here this year. Both teams were going at top speed.

In the second period Brown slid ten feet out of his goal to save a score from Norm Morton. Acton ganged Galt but were luckless. Hassell went off for his check on Walters, and Galt played wide open even when short-handed. Brown made a lovely stop of Terry's effort. Acton went into the lead at 7:30, when Bus Morton scored from a scramble. Galt disputed the score but it was allowed. Reilly drew a rest for boarding.

Acton went up another notch at 9:38 when Norm Morton registered on Mooney's assist. Bus Morton missed the corner by inches and Brown robbed him of another try. Kentner was right in and three men were down in the Galt goal to save a score. Brown saved on a half dozen, any of which sure looked like goals. He was sure doing a lovely job of net minding. At 16:00 Lovegrove drove a hard one, from centre ice, to beat Woods. It looked like a soft goal. Brown made three or more beautiful saves. Acton played rings around Galt, but Brown stopped nearly everything, and the period ended 3-2 for Acton.

Galt was right in at the first of the third and Woods saved a nice one. Reilly, Jackson and Hinchberger combined on a ganging play, with the puck rolling in off Woods' glove, to tie the score. Gillespie drew a penalty for slaashing. I. Marzo was tripped as he was going right in, and Brown saved a nice one. N. Morton and Rhodes went to the cooler for mixing it up. Brown saved on four more goal-labellers and Acton ganged the play in that end. Rhodes suffered a badly sprained arm as he fell to the ice. Brown was out to save on Norm Morton.

Gillespie went off for a high stick, and Jackson followed him for slamming Walters to the boards, and Galt held well while they were two men short. At 10:44 Bus Morton put Acton in the lead again as one of the Galt men returned to the ice. Gillespie drew a penalty at 12:30. Galt tied it up again when Gillespie scored. Norm Morton made three nice efforts but Brown turned them all aside. E. Marzo was close, but Brown kicked it. He made another beautiful save on Bus Morton's effort. At 18:15 E. Marzo scored for Acton from a face-off in the Galt territory. Acton held the lead for the remaining three minutes and finished victors on the close margin of 5-4.

The line-up was  
Galt—Brown, goal; Jackson, Rhodes, defence; Reilly, centre; Hinchberger, right wing; Dillon, left wing; Gillespie, Lovegrove, Murphy and Hassell, alternates.

Acton—Woods, goal; Gibbons, Walters, defence; I. Marzo, centre; N. Morton, right wing; Mooney, left wing; B. Morton, Terry, E. Marzo, and Arbie, alternates; Greer, sub goal.

Referee—R. Pelbaum, Kitchener

ACTON 11 — GUELPH 5  
Apparently hockey fans had the Guelph team sized up as mighty poor opposition last night and the stay-at-home will not be surprised at the 11-5 victory that Acton romped home with from them at the Acton Arena. With just barely a team to take the ice, Duke

## GOLDEN WEDDING ANNIVERSARY OF MR. AND MRS. WM. PARK

On Sunday afternoon a group of friends from Dufferin County, together with a few Acton neighbors, called upon Mr. and Mrs. Wm. Park, of Bower Avenue, to congratulate them on the eve of their golden wedding anniversary.

On January 24th, 1888, at the home of her mother and step-father, Dr. H. MacNaughton, of Erin, Melvina A. Masales became the bride of William Park, of Belwood, the ceremony being performed by Rev. George Munroe, of Erin.

The young couple set up house-keeping on the groom's farm, "Bogenaurie," five miles from Belwood, and it has been their home until last October, when they moved to Acton.

Mr. Park, an ardent Liberal, is well known in political circles. He served for some years in the County Council of East Garafraga, and was for a long time President of the Weather Insurance Company of Ontario.

Their three sons, Alex., of Belwood, Chester, on the home farm, and Harry, late of P.P.C.L.Q., were all present, as was the only grandchild, Beth, of Belwood.
