Upsets Plenty in the Rural League Games

(Continued from Page One)

The high and mighty York Roaders, with not a loss to their credit, were taken into camp by the inspired Army team, to the tune of 4-2. Although Army always had a strong team, this upset was not looked for, and it will put more confidence in other teams when they meet York Road. With the Tylers combining on defence duty for the Army, and supported by a good goalie, the forwards didn't have to worry about anything except to get through the York Road defence and score goals. O. Tyler and Ferris were banished several times for mixing it up. Brundett, of York Road, stick-handled through the whole Army team on several occasions, only to be out-guessed by the Army net-minder. This goalie is a new-comer and, with his support in minding the nets, Army has one of the best teams in the League.

The last display of plain and fancy hockey was another surprise, with the ex-Lorne Farmers holding Millionaires to a 4-4 tie. The score didn't really matter, because Millionaires played Bob Marshall and the game was awarded to the Suicide Squad. The Suicide Squad is coming along nicely, and with a few more games under their belt will step into York Road, or any other team, with confidence. They have made plans for a Bingo, to raise funds to buy uniforms.

After the week-end there, the ice at the rink on Monday night was in no condition to play hockey and the games were called off.

Well, that's all the dope this week here in the League standing.

	P	W	L	T	Pts.
Silver Foxes	5	4	1	0	8
Millionaires	6	3	2	1	7
Lorne Scots	6	3	3	0	6
Everton	6	2	3	1	5
Suicide Squad	5	2	2	1	5

CLEANING HINT

Stains on furniture must be removed before polishing is done. Cover the mark with olive oil and leave on for a few hours, then wipe off and rub with a little methylated spirits. After this, if the mark or stain has disappeared rub in the usual way with furniture polish.

PUTTING IT VAGUELY

Pulleroman: What's the trouble, Sonny, Sonny: Please, have you seen a lad without a little boy who looks like me?

IN THE BOOKS

Do you keep a diary?
"Tramp: What about?"
Gent: A record of what you do.
"Tramp: No, governor, the police do that."

YEAR'S BEST ROOKIE?

When they come to pick the hockey youngster for the "best rookie of the year" award next March, this fellow will have to get some consideration. He is Clifford "Red" Gouppille, sturdy and fast defence man of Montreal Canadiens, who has turned in some brilliant performances back of the blue-line for Cecil Hart.

INTERESTING PROGRAM AT THE GREENOCK LITERARY SOCIETY

The regular meeting of the Greenock Literary Society was held in the school on Friday evening, January 21st. Owing to the absence of the President, the First Vice-President, Mrs. Bert McKeown, presided. Concluding the business session, the following program was given, under the group leadership of Calvin Atken, with Jess Wardlaw acting as chairman.

Current events, by Bill Johnston, plain solo by Margaret McPhail; recitation, Evaluate McCall, speech, Arthur McKeown, musical number by Jess Wardlaw and Gordon McKeown. A debate, "Resolved that County Life Affords Better Opportunity for Social Enjoyment than City Life," was upheld on the affirmative side by Gordon McKeown and 'alvin Atken, and the negative by Mrs. Fred West and Arthur McKeown. The judges' decision was in favor of the negative side. The next item on the program was a month organ selection, by Ward Graft and a re-fer-ence by Albert Reid. The program concluded with the singing of the National Anthem, after which lunch was served and a social time spent.

A PUZZLE IN RHYME TO FILL IN TIME

My first is in mind, but not in body,
My second in goods, but not in shoddy;
My third is in insect, but not in bee,
My fourth is in sought, but not in see,
My fifth in a raid, but not in a fight,
My sixth in a score, but not in a right;
My seventh is in nails, but never in tacks,
My last is in there and also in stacks,
My whole what we are without knowing the facts.

CAR STOLEN IN GEORGETOWN WAS STOPPED IN BRAMPTON

A warning shot fired by a pursuing policeman failed to stop a man who fled from a stolen car when hailed by the constable in Brampton Thursday evening last. Another man who had been in the car, ran off in the opposite direction, and also escaped.

The car was stolen in Georgetown, about 7 o'clock. Its owner had left it for only a few minutes. A few hours later Constable Ernest Armstrong saw the car coming south on Main Street, Brampton. He stepped out onto the road. The car stopped and the two occupants fled in opposite directions.

The officer went after one of the men. He pursued him over back fences and shouted to him to stop. The man kept going. The officer fired a warning shot. The man still kept going and soon disappeared.

NO JOKE

First Student: "Can you lend me ten shillings?"
Second Student: "No."
First student: "All right, I was only joking."
Second Student: "Maybe you were, but I wasn't."

HOW HE MANAGED

"And now, Farmer Jurgina, how do you manage to get on these hard times?"
Farmer: "Oh, last year we lived upon faith, this year we are living on hope, and next year, if all goes well, we'll be living on charity."

Comedian Suffers Throat Infection

Deep concern swept through Canada and the United States when it was learned that Eddie Cantor, pop-eyed radio and motion picture comedian, was suffering from a throat infection. The comedian who usually laughs and jokes his way through life, didn't think it was so funny when he received medication from a nurse during an intermission in his radio program, as shown above. Stricken several days before with a streptococcus infection, he was released from the hospital only long enough to appear before the microphone.

Where The Reign of Winter Ends

A first-class Canadian travel on a do-lux Canadian Pacific train brings the holiday seeker to Victoria. He has passed through all the rigors of winter, subzero temperatures, blizzards and a whole continent awashed in white, but when the Rockies are behind him and he has traversed the eighty-odd miles of the San Juan de Fuca straits, he enters, at the conclusion of his trip, a new land—Canada's Evergreen Playground—Vancouver Island with Victoria at its southern tip, and he has exchanged winter at its peak for summer.

Fourth largest in the chain of great Canadian Pacific hotels across the Dominion, the Empress Hotel at Victoria offers him all facilities. Located in a beautiful garden fronting the placid waters of Victoria's inner harbor, the Empress Hotel covers such unique features as its Conservatory with fountains playing amid masses of flowers and the nearby Crystal Garden with glass-enclosed swimming pool, palm-bordered promenade and warm salt-water bathing.

The traveller steps into summer at once with new sights, brilliant sunshine and the tang of Pacific breezes, minimum rainfall and ideal temperature variations. Golf is at hand on the championship Royal Colwood Club course where, March 7-12, there will be held the Annual Winter Golf Tournament for the Sir Edward Beatty Challenge Cup, the Chamber of Commerce Trophy, Victoria Rotary Club Rose Bowl, the Matson Inter-District Team Cup and other valuable prizes.

Fishing, yachting, riding, motoring, tennis are available for all, while the environs of Victoria have for major attractions, the Malahat Drive with its ever-changing incomparable views; the Butchart Gardens, famous on two continents; and the Dominion Astro-Physical Observatory. An evergreen playground in the depth of winter is Victoria's gift to Canadians on their own soil. Layout shows upper left a scene in the Crystal Gardens; upper right, the yacht harbor and the parliament buildings; lower left, a view of the Empress Hotel and lower right, a tense moment on one of Victoria's golf courses.
