year at 50 % mills.

-Guelph's thirtsenth Hydro bill gave a credit for \$7.048.

-Last week was a realistic reminder

that winter was still here. -Looks as if modern houses would be

at a premium in Acton this spring. OHA honors. Sarnis has won one

same from them. -The first day of spring is scheduled for a week from Monday. Hope the

achedule is followed.

-Blora took a nice grip of their O.H. A lead when they piled up 9 goals in their first game with Bolton.

-Lovell Bros have installed a new compressor of large size to care for their refrigeration at their shop on Mill Street,

-Oakville will hereafter have only one session of Police Court each week, over we pick up. which Magistrate W. E. McDreen. will

-The tax prepayment plan is working so successfully in Preston that only \$1,000 has had to be borrowed to meet current expenditures to date.

-Police Maristrate Woodliffe presided over his first sessions of Police Court in Acton yesterday. Court will be held in Acton on Wednesday mornings.

-Georgetown hasn't yet challenged Junior team put Acton out of the O.H A seagulls.

-We thought those new catch basins on Mill Street would have taken more of the surface water off the street. Perhaps they would if the water had a chance to get to them.

-Niagara Palls will not issue any ington?" asked the teacher, more licenses for slot machines. city solicitor told Council it had authority to pass a by-law setting a camera boys take his picture in license for these machines.

"Here Comes Charlie!

____ A NEW START

We have all heard about the storm driven ship whose crew was half frantic for water. At last another ship came near, and they cried "Water! Water! We are perishing with thirst "Dip down into that ocean," was the answer, for they were off the Amazon, which huris its mighty flood of fresh water far out into the briny Atlantic. In the same way there are many who are longing for a fresh start, a new chance, who have the opportunity every day of their lives if they will only reach out and take it "Every day is a fresh beginning"

That afternoon we found time to visit the tower in the Parliament Buildings. A visit to Ottawa fust isn't complete without a visit to this tower, but it's one part of the place, which had not been possible to see before. If you visit Ottawa, don't fail to include this on your itinerary. The elevator man is most obliging in showing every feature. Here is an excellent view of Ottawa and the district from every direction. Here also can be seen the dials and mechanism of the huge tower clock. Then, there are He (during quarrel)-Now I know why the chimes, and the operating room. If the guide is not rushed, perhaps you can wait and see the clock mechanism He-Because you are always chirping, strike on the big bells.
