Recipes for New and Nevel Dishes, Household Ideas and Suggestions

By Betty Barclay

ORANGE BALAD BOWL 1 cup orange sogments (or halved slices)

% cup peach alices 4 cup pear alices

's cup seeded grapes

3 tablespoons lemon mayonnaise 1 tablespoon orange juice

orange juice and put over fruit. Arrange in lettuce-lined salad bowl. Variations: For peach or pear alloes,

aubstitute apricot, apple, avocado or banana slices; for grapes, substitute cherries or melon balls. The orange segments or slices, however, should always be included as the basis of the salad. "

SCALLOPED TOMATOES

few drops of onion juice, and 2 tea- like" spoons sugar. Cover the bottom of a Partner agreed with me, and brown.

LIVER CANAPES

of graham bread about four inches long not care for with whom one has to asand an inch and a quarter wide. Spread sociate. with paste. Garnish with a border of . the riced yolk. Serve cold.

APPETITE TEASERS Two dishes with unusual appetite appeal are Tarte aux Oignons and Spinach a la Touraine Both show the French knack of achieving particularly delicious results with every-day foods. In both, of a small amount of sugar to restore tables and to blend the flavors of the other sessoners.

TARTE AUX OIGNONS

cut into small pieces and cooked in butter Let the mixture cool until it is just butter over them, and bake until set.

SPINACH A LA TOURAINE

that a peck of washed spinach in a saucepan with one and a half curs of water and one teaspoon of sugar Cook for twenty minutes. Drain and press through a colander. Mix in three-quarters teaspoon salt, one-quarter teaspoon paprika and two tablespoons butter Heat again and then press firmly into a howl to mold Turn the apmach out upside down on a platter garnish with shies of lemon and hard-boiled egg and serve immediately

Chronicles of Ginger Farm

Written Specially for The Acton Free Press GWENDOLINE P. CLARKE

Another week gone by-a week variable weather, busy days and increas- with another who was the greatest," 30-

ing loveliness. __ -There is many a true word spoken in won't'!"

However, we have one consolation Mother Nature has a happy sequence all her own. Violets and other flowers may fade, but there is always something just place of vanished loveliness and housecleaning days never last all summer

glory be! Combine fruit. Blend mayonnaise with Last week I was telling you Daughter and I might have said-"Stick to your that he has the last, job." But I didn't. What I did say was Drain one can tomatoes from some of "If you are not satisfied, look around way that would impress their imaginatheir liquor. Beason with salt, pepper, a and get a position you think you will tion and so be long remembered (v. 36).

buttered baking dish with buttered bread reason we gave Daughter that advice was crumbs, cover with tomatoes, and sprin- so that she might feel her own feet. One kle top thickly with buttered crumbs. can give advice and perhaps insist on Bake in hot oven until crumbs are it being taken but does it do any good if it goes too much against the grain? There is no better teacher for young tolk than experience. Grudging service Simmer calves liver until very tender, never gets anyone anywhere and we knew Chop fine and rub to a paste. To one if Daughter kept her first position oup of liver add one tablespoon melted against her will she would not give of butter, one-half teaspoon sugar, salt and her best. By making a change she will pepper to taste, and enough thick tomato probably learn that wherever one goes sauce to make the mixture the right con- or whatever one does there will be work sistency to spread. Lightly toast strips, that is not congenial and people one does

However, in this case, I have a hunch chopped whites of hard-boiled egg and that Daughter has made a change for the better. This time she has gone to look after two little children, a girl of four and a boy of two years old. I was down to see the place twice, and each time I came away I thought if I were a young girl I wouldn't care if I had to scrub floors if it means living in a place such as that to which Daughter has gone The estate, complete with boathouse and picnic conveniences, is right on the lake the natural garden flavor of the vege- front. The grounds are spacious and beautifully kept and the house the last word in convenience. Daughter's bedroom for instance-the window on one side of the room looks out on the lake; sugar and bring to a boil on a bination of beauty and utility from the

All the rooms were charming, bright unions to a quarter of a pound of butter and airy but what appealed to me most that has been melted in a saucepan, was the kitchen Absolutely the last word and cook until they are lightly browned a magazine picture in reality a study Add three slices of bacon that have been in white enamel and monel metal. Huge frigidatie gas stove in cabinet style. honing board in its own cupboard, kitwarm. Add three eggs beaten lightly chen telephone, hot and cold water on with four tablespaons of cream. Fill tart up a veritable housewife's Paradise shells with the mixture pour melted Oh the lov of working in such a kitchen as that! I don't think it's good for a commen or garden, farmer's wife to go

away and see such things Which reminds me to-day we wer listening to a radio program when someone started rectung "The Psalm of Life" As he finished, I said to Partner, with a "That might serve as a good description for farm life- a place where you searn to labor and to wait "

We have no trouble in learning to labor but it takes much longer to learn to wait that is: with a good grace. To wait for the things we hopefully thought it would be possible to have after a few good ctops. Ontarlo, in some ways, is as much of a next year country as the prairie Och down here it isn't dust storms that plight our hopes it is only the price

fluctuation of what we grow and sell Oh well it's not such a bad life any-"way providing one doesn't get heart-What plant turns a girl into a woman' sick pining for monel metal kitchens' Right now we are too busy to pine very iong for anything Partner isn't through else around here is either, so that's nothher Stockholm mig to worry about. And I am certainly not through housecleaning. Next week I shall be at the kitchen-scouring and painting, or, as Partner would say, mak-

ing the place altogether unlivable. My biggest problem this week has been When do we find the wind most bit- finding curtains for the dining-room. When we are in the teeth of the gale, what I wanted; so I rummaged through my possessions until by acheming and

The wide gulf between the Lord and poetry. Last Monday my small patch of His disciples is seen in the fact that violets was thick with purple bloom and while He was occupied with His coming the air was sweet with their perfume. death, they were concerned with visions Last Thursday I looked for them again of glory and greatness for themselves (vs. but alas, there was not one of them left. 33, 34. Each longed to be greater than While they had been blooming and the other (cf. Matt. 20: 20, 21, 24; Laike spreading their fragrance, I had been 22: 34). It seems hardly credible that too busy housecleaning to give them such strifes should have arisen among is better. much attention. And so on Thursday those so near the Lord; but what hapwhen I looked regretfully at the withered pens to-day, yes the ambitions and jeallittle flowers I thought at once of that ousies of our own hearts, will help us oft repeated but seldom appreciated line to understand it. The desire to be first of poetry-Dust will keep but violets has wrought more harm in the Church and in the world than almost any other

Our Lord saw the seriousness of the situation. He did not dismiss it hastily. "He sat down," called the twelve to Him as beautiful and fragrant to take the and very sternly pointed out to them whither their ambition would lead them. The man who wills to be first is the man who shall actually be last. Many a man | size of an egg in kerosene and place on fails from pre-eminence because of his was home for a few days. One reason very desire to be pre-eminent: through for her holiday was because of it being desiring the top place, he gets the bota gap between jobs. After two months tom one. More men have been set aside at her first position, she decided she in the Lord's work through the desire to was not quite satisfied and would like a be acknowledged leader than through alchange. Naturally I was a little worried most any other cause, and many a man when she asked my advice. I did not who imagines that he has attained the think she had much reason for complaint first place will find in the final reckoning before icing will prevent the icing from

Our Lord answered their questions in a When this low, mean amibition came up the again, they would recall that sweet, Jesus taking him in His arms and saying shows how attractive Jesus was to the little ones, and Jesus taking him in His Dear Readers: arms shows how He loved them. The
