

# LOCALS

**—Victoria Day—** a week from Tuesday.

**—Another note for the diary,** "A snow storm on Wednesday, May 11th."

**—Baseball season opens a week from Saturday,** when Acton goes to Milton.

**—Keep modern with the shopping news.** Don't overlook the advertisements.

**—Frosts have been reported on several nights,** but apparently little damage has been done.

**—Gardens are coming along nicely** and the yield for the first new home-grown potatoes is on.

**—Many a group gathered the bush flowers** over the week-end, and they were quite plentiful.

**—George Aldrie had the misfortune** to be thrown from his bicycle last week and suffered several painful head cuts and bruises.

**—Hilton Garage Operators' Association** are arranging for the "Safety Lane" test for motor cars, to be held in all the towns in Halton County.

**—Mr. J. M. McDonald returned last week** from a fishing trip in Algonquin Park, and, of course, had his quota of the very finest of trout.

**—Shelbourne Fair dates have been changed** this year and will not clash with Acton Fair. They have been set for September 22nd and 23rd, while Acton Fair is scheduled for September 20th and 21st.

**—One of the heaviest hops ever shipped** from Acton station was recently forwarded by Mr. Duncan Wadde. It weighed 770 lbs., and was a Yorkshire sate, that had been purchased from the late John Robertson.

**—Magistrate William Woodliffe, who has been in charge of Police Court in Acton** and other Halton County towns, has been appointed to the Police Commission of York and York County. He replaces Magistrate William Keith.

## Neighborhood News

### Rockwood

A Rally Service, in the interests of the Women's Missionary Society in the Rockwood Presbyterian Church, Tuesday, with morning and afternoon sessions. The morning devotional exercises were conducted by Miss Mills Auxiliary, followed by words of welcome by the President of the Rockwood Auxiliary, Mrs. M. T. Smith. At noon, dinner was served in the basement of the church by the ladies of the church.

The afternoon session devotions were conducted by Miss Mills Auxiliary. Other items of interest were: History of the Rally, 25 years ago; address by Mrs. Coulter, of Brampton; closing words by Mrs. W. P. Gamble, of Guelph; and closing prayer by Miss Lindsay, of Fergus. During the day a number of ministers and other delegates were present, and following the noon lunch, a brief service was held. Before departing for their homes, supper was served and a pleasant day enjoyed by all, despite chilly May weather.

Mother's Day was observed on Sunday. Services at St. John's Church were well attended, and Holy Communion administered.

Week-end visitors: Miss Ella Hamilton, of Hamilton. Mr. Fred Day, of Hamilton. Mrs. R. M. Pabey and sister, Miss Jean Todd, of Toronto. Mr. James Lynch, of Toronto. Mr. and Mrs. A. E. Rudd and son, Ronald, of Owen Sound, were in the village on Saturday afternoon. Miss Wilma Mills left on Saturday for Preston, where she will take a three months' course in a Training School for girls.

Dr. Waller is having a new garage erected, as well as other improvements made about his residence.

Mr. Roy Day, of University of Toronto, left last week for Kirkland Lake, where he has secured a position for the summer months.

## CANADIAN PACIFIC RAILWAY STAFF FOUNDATION LIBRARY

Something new in group education for adults is to be found in the newly published Staff Foundation Library of the Canadian Pacific Railway. The ten books comprising this library cover all phases of the company's operations in addition to encouraging study designed to make Canadian Pacific employees better citizens. The volumes were arranged and edited by John Murray Gibbon, General Publicity Agent of the Company. Publication of the books followed the requests of many employees for a reading guide and source of information on matters affecting good citizenship, such as Canadian history, geography, and economics. The name "Foundation Library" has been aptly chosen because it is hoped that reading of the books will encourage company employees to further study, to aid which a list of other books on similar subjects has been printed in the back of each volume.

In dealing with the distribution problem, the Company's Educational Committee wisely decided that in addition to presenting information on a wide variety of serious subjects, the cost must be kept to a minimum. The largest number of employees possible. Sir Edward Beatty, G.B.E., K.C., L.L.D., Chairman and President, made the cheapest possible by ruling that the company should absorb more than half the cost of the books.

Only two of the books deal specifically with the railway, its problems and its history. These books are "Canadian Pacific Facts and Figures" and "Factories in Railway and Steamship Operation." They contain a brief history of the Canadian Pacific as well as facts and figures illustrating the many activities and accomplishments of the various services of the company on land and sea. These are supplemented by interesting features such as an analysis of the organization of the company into its various departments, with a breakdown of personnel, showing the astonishing variety of the work done by Canadian Pacific employees. Biographies are given of Canadian Pacific directors. Diagrams show how the Canadian Pacific dollar is earned and spent. There are numerous articles dealing with such subjects as Atlantic and Pacific fleets, cruises, coastal and inland lake services, docks, terminals and yards, shops, semi-streamlined trains as well as special chapters on different departments.

Other books are: "Speaking in Public," revised and enlarged for use of study groups and debating clubs, by Frank Howe Kirkpatrick, special lecturer in public reading and speaking in McMaster University; the University of Toronto Extension Courses, etc. Included in the book are specimen addresses by great Canadians, in three parts. Part 1 is "Better Letters," by A. M. Kennedy, Sir Isaac Pitman and Sons; Part 2, "The Personality of the Salesman," by William F. Gregory, B.A., instructor in salesmanship and vocational adviser, Western High School of Commerce, Toronto; Part 3, "Salesmanship as Applied to Railway Traffic," by Charles E. Parks. "A Dictionary of Correct English," by M. Alderton Pink, M.A., Sir Isaac Pitman and Sons. This is a manual of information and advice concerning grammar, idiom, use of words, points of style, punctuation, pronunciation and other practical matters.

"French Self-Taught," the Thimble System by J. Lafitte, B.S.L., principal French master, City of London School. Of interest to Canadian Pacific people is a list of conversational phrases adapted to requirements of rail passenger traffic, telegraph business, and steamship business.

"The Dominion of Canada," an economic geography, economic history and the political institutions of Canada, in three parts, by Neil P. Morrison, M.A., Herbert Heaton professor of economic history, University of Minnesota; and political institutions of Canada, adapted from a survey made by a committee of the Montreal Junior Board of Trade.

"An Introduction to Economics," for Canadian readers, by Duncan Alexander MacGibbon, professor of political economy in the University of Alberta.

"The History of Canada Through Biography," by W. J. Kerr, director of English instruction, Department of Education, Ontario. In addition to short biographies of most famous Canadians is a special section concerning the four Presidents of the Canadian Pacific Railway.

"Canada Songs," containing 188 familiar songs arranged for four voices and suitable for the piano. It is ideal for home use or for those interested in forming choral societies and glee clubs.

## FOR MEAT MATERS

Much money is wasted on the wrong kinds of meat. Cheap cuts of mutton, mutton, mutton, etc., are three-parts gristle, which is very deficient in nutriment, and are wasteful of both time and fuel in the cooking.

But when such delicious meat dishes as minced heart, minced liver and beef kidney (for a stew) cost as little as they do, they should be used generously since they are rich in nutriment. When served with potatoes, vegetables, rice, macaroni, barley and bread, they form substantial and satisfying meals.

Canned beefs are highly nutritious, and can be made up into cheap and tasty meals with the aid of onions, canned or fresh tomatoes and potatoes.

## THE DIFFERENCE

"Poppa, what's a millennium?"  
"Rastila, dat is de same thing as a centennial, 'cept it's got more legs."

## Announcing the Opening of MASSEY'S Fish Market

To-morrow we will open a Fish Market in the North Block, on Mill Street, near Main. Equipment has been installed for the proper keeping and handling of fish and we will carry a complete stock at all times.

For this week we have FRESH LAKE TROUT WHITEFISH — SALMON FRESH AND SMOKED FILLETS

We will also maintain a delivery service throughout the district, with regular calls weekly.

## Auditor's Present Quarterly Report Eramosa Council

Uncollectable Taxes Written Off—  
Unpaid Taxes Registered  
Against the Property

The Council for the Township of Eramosa met in regular session in the Town Hall, Rockwood, at 7.30, on Monday, May 9th. The members were all present, with the exception of Arch. McRobb and J. H. Post presented the Auditor's Report, January 1st to April 30th, 1938, as follows:

RECEIPTS	
Balance on hand, Jan. 1st, 1938	\$1,581.58
1937 Taxes	4,783.51
Arrears of Taxes	3,283.07
Relief Grants	378.54
Boundaries	100.17
Bank Loans	4,000.00
Highway Grant	3,874.00
Miscellaneous	263.50
	\$18,264.40

EXPENDITURES	
Legislative Grant to Schools	\$ 64.23
Sheep	5.00
General Office Rate	2,335.00
Printing, Postage, etc.	103.53
Roads	1,901.91
Relief	1,454.60
Bank Loans Repaid	11,000.00
Interest	342.81
Resolutions	39.00
Salaries	339.07
Police Villages	263.50
	\$17,842.65

Report of Tax Collections	
Arrears of Taxes	\$2,868.75
Face collected	414.32
Interest	618.32
Outstanding Taxes:	
1932	\$ 301.13
1933	545.34
1934	1,209.33
1935	1,267.10
1936	3,452.29
Total Outstanding Arrears, May 1st, 1938	4,783.51
Current Tax Roll:	
Face collected	\$4,691.42
Total Outstanding Taxes, May 1st, 1938	\$13,697.12

The report was accepted, on motion of Messrs. Gray and Pinkney. Uncollectable taxes, amounting to \$54.72, were ordered to be struck off of the 1935, 1936 and 1937 accounts, on motion of Messrs. Lush and Kelly.

The Collector and Treasurer was instructed, on motion of Messrs. Gray and Pinkney, to register all unpaid 1937 taxes against the properties concerned.

Major Beattie, of the Salvation Army, requested a grant towards the maintenance of the Army's work for unfortunate girls. No action was taken.

Several agents were present, representing insurance and culvert companies. The Road Liability Insurance double liability was placed with A. E. Wilson & Co., at a premium of \$145.00, on motion of Messrs. Lush and Kelly.

Some taxpayers were present to request an extension of time in which to pay arrears of 1935 taxes. This was granted.

Accounts were passed, amounting to \$538.92 and council adjourned, on May 10th, at 12.15 a. m. to meet as a Court of Revision and for general business at 1.30 on June 6th.

## INCREASE IN TRAFFIC OVER CHIEF MOUNTAIN INTERNATIONAL HIGHWAY

Motor tourist traffic over the Chief Mountain International Highway in 1937 showed a large increase over the previous year, according to figures released by the Immigration Branch, Department of Mines and Resources. During the calendar year 27,692 persons passed through the customs port of Chief Mountain, which is located on the International Boundary between Waterton Lakes National Park, Alberta, and Glacier National Park, Montana. This figure represents a gain of 17,133 or 160 per cent over the corresponding period in 1935.

Chief Mountain International Highway is a little more than thirty miles in length, about half the distance being in Alberta and the other half in Montana. It was constructed jointly by the governments of Canada and the United States and was opened for travel in 1936. Traversing a magnificent scenic region along the eastern slopes of the Rocky Mountains, the highway provides direct motor road connection between the component parts of the Waterton-Glacier International Peace Park. The highway takes its name from Chief Mountain, the dominant landscape feature along its route in the National Park.

## PERFUMED JEWELRY

At the English and French courts add perfume to the diamonds of the past included necklaces of perfumed beads, which were worn with matching perfumed finger rings. Both the necklaces and the rings had in their centre little boxes of perfume, with perforated tops.

## LAMP KEPT BURNING

In an old palace in Travancore (India) is an oil lamp which, according to tradition, has been burning for the past 1,200 years. It commemorates a ruler of the state who is said to have attended to the lamp while resting on a stone couch. The couch is preserved as an object of veneration.

## What Do You Know?

Do you know that over 70% of the men and women in this country have weak feet?

Do you know that weak feet cause NERVE REFLEXES and poor CIRCULATION?

Do you know that weak feet can be straightened up — releasing cramped nerves and blood vessels?

Do you know that when your feet are held in normal posture by CORRECTLY FITTED SHOES you feel better ALL OVER?

JUST LET US FIT YOU ONCE AND SEE FOR YOURSELF

## New Car for Speed Record Attempt

You just have to be fast if you're a Cobb. Once a byword for speed on the backroads of the major league diamonds, the name is now becoming a byword for speed — just plain speed. John Cobb (in cockpit in centre), plans an attempt on the automobile speed record in August over the Bonneville Salt Flats in Utah. His car will be the one shown, designed by Reid Mallan in England, and weighing 7,000 pounds. It has two 1,250 horsepower broad-arrow type super-charged engines and the base of the body are only broken by covers of the tires and the cockpit.

## HALTON CALF CLUBS ORGANIZE FOR 1938

Halton Calf Clubs, which are sponsored by the County of Halton Agricultural Society, held their initial meeting on Friday evening last. Forty-four boys, between the ages of 13 and 20 inclusive, have already signed up and a number of other members are still anticipated. At the meeting, held in Milton, on Friday last, Dr. Rankin, head of the newly-created Department of Animal Nutrition at the Ontario Agricultural College, was the guest speaker. Dr. Rankin, in his address, pointed out that in many sections of older Ontario we are finding the soils are becoming depleted in certain essential nutrients. The resulting crops are also deficient, stated Dr. Rankin, and in turn we find quite a percentage of our animals are suffering from mineral deficiency. In general this condition in our livestock can be corrected by supplementing our feeds with a mineral mixture of steamed bone meal or bone char and kaffir salt.

The election of officers resulted as follows:

Holstein Club—President, Bruce Reid, Georgetown; Vice-President, Fred Bell, Freeman; Secretary-Treasurer, Jack Hamilton, Freeman; Club Leaders, John Neelands, Craig Reid, Wm. Robinson and Addison Woodley.

Jersey-Shorthorn Club — President, Newton Ruddle, Georgetown; Vice-President, Gordon Hume, Milton; Secretary-Treasurer, Eccles McClure, Georgetown; Club Leaders, Lloyd Chisholm, Gerald Graham, and John Ruddle.

## Horn Hamst—has what? Why! Cress Corn and Bunion Salve!!

Remove Calluses, Warts, Ingrown Toenails, toe Sore by Brown's and all Drug Counters

## A SEWING GAME

This is played in pairs. Each girl has a small piece of cheese cloth, or any other material will do, and a needle and thread. Girls stand on one side of the room, boys on the other. The girl takes it across to her partner and asks him to thread her needle; she then has to join round three sides of the material to form a little bag, but the boy has to fasten off. The winners are the pair who make the neatest bag in the shortest time.

## ON HER DIGNITY

The Plumber—Come, be good: You like me, don't you?  
The Cook—Get on the job, plumber. I won't have it said that any man was paid two dollars an hour for courting me.

## HEARD A FEW!

Lady's Servant—Do you understand the nature of an oath, Mrs. Scruggs?  
Mrs. Scruggs—Well, my husband has tended the furnace for thirty years, been a club golfer, for fifteen years, and we have four grown-up sons.

## Erin

Mr. C. K. Overland has purchased the George Ramesbottom property and has commenced remodeling the residence.

Mr. C. J. Hamilton entertained a large crowd of the men of the village and community at a stag party at the pavilion at Stanley Park last Friday evening. A varied program was enjoyed, refreshments were served and all had a real good time.

Mr. William Bailey, of Mimosa, has leased the store formerly known as the Foster Grocery, and intends opening a grocery store about May 16th. He has also leased the apartment over the store and will move in soon.

John Scott, seven-year-old son of Mr. and Mrs. Stuart Scott, of Belfountain, received a severe shaking up and concussion when he fell from a buggy after the horse, driven by his mother, became frightened and bolted.

A steel barn on the farm of Gordon Campbell, Cheltenham, was completely destroyed by fire on Wednesday night of last week, but neighbors rallied to Campbell's aid to save a garage, his house and several outbuildings. Pigs, poultry and one calf were destroyed in the fire, but other cattle and horses were saved. A large quantity of straw and many of the farm implements were lost.—Advocate.

## NOTABLE INCREASE IN BIRD LIFE AT POINT PEELE NATIONAL PARK

As many as a thousand whistling swans and a like number of geese were recently seen at one time in the ponds and marshes of Point Pelee National Park, in southern Ontario. Improved water conditions in the marshland during the last year have resulted in a notable increase in water fowl, and all over the water area are thousands of wild ducks which have become so tame that they approach within a hundred feet of the park office and roadway and do not appear to frighten easily. Other fowl and birds that inhabit the meadows and woodlands of the park appear to be exceptionally plentiful this spring, with the pheasants so numerous that it is not uncommon in driving a mile to see fifty or more of these birds. Starlings, which go up in crowds of hundreds, are fairly abundant, and several small species of quail have been noted. An outstanding increase of muskrats is reported, while other wild life, such as raccoon, rabbit, fox and black and grey squirrel, is up to normal.

Point Pelee National Park is a striking illustration of the value of even a small national park in a heavily-populated area, both as a wild life sanctuary and a vacation land. Occupying an area of only about six square miles and easily accessible from the great industrial centres in Detroit and Windsor, this picturesque region attracts in the neighborhood of 100,000 people yearly and, at the same time, literally teems with wild life. Lying as it does within the main route followed by thousands of wild fowl and other birds in their northern and southern migration, the park forms one of the outstanding sanctuaries for birds in Eastern Canada. The interior of the park contains many acres of marshland, where wild ducks Canada geese, and swans find shelter and food among the beds of wild rice so plentiful there. Many southern species of bird life not usually found in other Canadian localities are other common residents or regular migrants at Point Pelee.

## IT USED TO BE DIAMONDS

First Policeman—It's a publicity gag, I tell you!  
Second Policeman—What is?  
First Policeman—Diana, Dearheart, the secret, just phoned in and said she had lost some pork chops in a taxicab.

## NOTHING SERIOUS

Visitor—Pretty dull and monotonous out this way, isn't it?  
Native—Not always. This country is being stirred up pretty considerable these days.

## HE HAD AN IDEA!

Walter—"And what will you have to follow, sir?"  
Diner, morbidly: "Indigestion, I expect."
