#### TAKE THAT CHIP

OFF YOUR SHOULDER

If you are one of the many to whom driving is no longer a pleasure, here is a hint that may be helpful. Next time you start out on a trip, take that chir off your shoulder! And take your sens of humor along. Promise yourself that you won't let little things disturb you and see what happens. If someone attempts to steal your right of way, let him have it. Don't yell at him, but smile instead. Be indulgent, as you would be with the small boy who reaches for the largest piece of take on the plate. A safe journey—and a surprisingly pleaeant journey-will be your reward.

### Opens Modern Dairy Plant Here

Yesterday marked the opening of modern dairy plant in Acton by Mr. C. W. Massles of the Jersey Dairy. The building was built two years ago, and is of neat concrete type, with built-in cooler room and stationery soutpenent for washing and sterilising bottles and containers.

This week saw the completion of the netalistion of the pasteurizing plant. An pright boller supplies the steam and hot water necessary for the work. A large pasteuriser of stainless steel, every part of which is easily accessible for cleaning, is now in operation. It is controlled by large thermometers. The vooling device is immediately adjoining and from here the milk goes direct to the pottling machines. It is kept until delivery time in the larger booler which is maintained at the proper temperature by an automatic machine.

A drilled well on the premises, with automatic pump, provides an adequate the premises in spotless condition. Numbers of citizens availed themselves of the proctunity to visit this modern plant yesterday-the opening day. We under- GRAFF RE-UNION stand that those who could not attend yesterday are welcome at any time to irispect the premises.

### WEDDING IN GUELPH THIS WEEK

A very pretty wedding took place in St. George's Church, Guelph, when Ethel Anna and Toots, Mesers. Howard and Mr. A. E. Mabey and the late Mrs. Mrs. Tom Gordon, Jack, Preddie and Mabey, of that city, became the bride Arlene, Mr. and Mrs. Prank Preeman -Pionics and re-unions are still popu- of Wallace Gordon Smith, eldest son of and Teddy, Mr. and Mrs. Fred Anthony Mrs. W. Clube Throughout Province

"Continuing the effort made last year to eastst in the instruction and development of young baseball players in Ontario, the Toronto Baseball Club has announced that it will conduct baseball schools this year at St. Catharines, London, Kitchener, Owen Sound, Barrie and Peterboro.

test year, the Club held a school Maple Leaf Stadium, in Toronto. owing to the fact that a great many players were unable to make the trip to the Queen Oity, it was deemed advisable to go out into the Province this summer and reach as many points as possible. The places selected are regarded as central points embracing the Ontario Baseball Association It is planned to spend two days in each place. The selected are St. Oatharines, August 18th, 16: London, August 17th, 18th; Kitchoner, August 19-20th; Owen Bound, Augest 22-23rd; Barrie, August 24th, 25th; and Peterboro, August 26th, 27th. Clyde Engle, Dan Howley and Bert

Perry, of the Toronto Club, will assist the amateur club officials in the instruction of the players and the operation the school. The various amateur clubs in Ontario are co-operating in every way to make the tour's success, and is expected that a large number of amateur players will take advantage of the opportunity to improve their knowledge

of the game. There will be no thitton fee and play-New Liskeard, but not where we were. ers of all classes are eligible to attend. reference will be given, of course, to those players already registered with the O.B.A. It is planned to hold the school sessions from 11 a.m. to 4 p.m. each

Still within striking distance of play-off berth in the International League campaign, the Maple Leafs are making great efforts to improve their position in the standing and launch a winning streak that will carry them out of the second division. They have a large number of important dates at home during the month of August, starting with the doubleheader on Civic Holiday, August 1st, against Syracuse. The clubs in the southern end of the circuit all have to make another visit to Maple cef Stadium and many doubleheaders will be played. The Leafs will make their final swing around the southern end, starting August 4th, and will be away from home until Monday, August ioih, when they play hosts to the Newark Bears. They will remain home until the end of the month, with the exception of August 28th, which is an open date in the schedule, and Sunday engagements in Syracuse and Montreal on August 21st and 28th, respectively.

My intentions to write a letter last week were sincers, but when the time came to do it, company from Limehouse.

whole our load, landed in. Then, o ochirse, with visiting and going to se things and places, there was no time. But oh my, we did enjoy seeing Mr. and Mrs. Ifill and the children, and hear all the news. They are almost as famliar with Acton as folk in Acton, so could answer all our questions, and there murely ware-lots of questions.

The young folk all grew up together, so were no strangers either, and had much a good time. Beturday evening they took the car, with Harold as chauffour, and the whole bunch, six of them went off to New Itakeard and spent the evening, giving the town the once over visiting the beach, and then the theatre On Bunday, 27, all counted, drove to a lovely sandy beach on Mountain Lake, a few miles west of us, and enjoyed a picule lunch. Then the bathing

afternoon, and all were agreed they

The success of Lake Shore picnic. however, was assured, something over 6,000 people came by car, truck and two apecial trains. It took 500 railway coaches to make up the trains. Each family were provided with return railway tickets, and each member with 10 coupons for free ice cream, pop, chooslate bars, gum, or hot dogs. So there was no end of refreshment and good times for everyone. But we enjoyed our good time, even though it wasn't free. Monday, the older folks had the car to themselves, and visited the construction camp above Earlton, and saw the machinery in operation, and such a busy mot it is. They have the largest stone crusher in America in operation, with four big Mack trucks trying to keep it filled. It takes half a load to fill it at a time. The two big fly wheels weigh over

it with a truck. · Macadam surfacing has commenced ! and an excellent job is being made. About 6 miles, just north of Liskeard, has been completed, and they are moving to do Earlton next.

Stopped and saw the Quints and other things of interest and arrived safely, all in one piece, and resolved to make a return visit some time

soon aguin. I've attended market twice in Kirkland, and such an abundance of wonderful product! Competition is keen, but prices are fair for both buyer and seller, so few have any complaint, Raspberries were plentiful at 20c to 25c quart. Red, white and black currents brought good prices. Blue berries, at 15c quart 75c 6 quart basket, or \$1.50 11 quart; green peas, 35c to 50c for 6 quarts, green cabbage, 20c a head; cauliflower, 10c and 15c each; new potatoes, 30c for 6 quarth; fresh eggs, 35c to 45c per dosen; new bouns, 15c tb. Young lamb was plentiful at 12c to 25c lb; veal, 12c to 20c; and beef, 8c to 20c.

All the stores are abundantly stocked with all kinds of fresh fruits, cherries peaches, tomatoes, etc., so there's no scarcity of foods.

The weather the past two weeks has been ideal for growing crops of all kinds The rain occasionally has interferred somewhat with having, but farmers are taking every advantage of the dry weather and a great deal has been harvested.

A pest of army worms has invaded a great many sections and are taking their toll. Parmers are taking advantage of the Department of Agriculture's solution of bran, molasses and Paris green, and finding it beneficial. We're fortunate so far, not to have them. We have a few potato bugs for the first time, but I have a kind of potato with such rapid growth that almost beats them, so we have only picked them so far, and the tops have suffered very Httle.

I.must mention about seeing the result of some real fishing last Sunday. Two men came into shore where we were having our picnic, who had fished from a small motor-propelled boat for about six hours, using casting rods, with spin-
