The McEnery-Dampier Wedding on Saturday The home of Mrs. K. Dampier, in Everton, was the scene of a pretty wedding on Saturday at three o'clock when her daughter Miss Grace Dampier became the bride of Mr. David Jose McEnery, son of Mrs. William McEnery, Ballinafad. Rev. J. P. McLeod assisted by the bride's brother, J. H. Dampier, of McKeesport, Pa. officiated at the ceremony which took place beneath an arch of evergreen, autumn flowers and pink and white streamers. The bride who was given in marriage by her uncle, Mr. Roy Hindley, looked lovely in her wedding gown of typical blue silk velvet and blue finger-tip veil, with shoulder knot of American Beauty roses. Miss Beatrice Crammond, of Ellington, in tulle, carried with shoulder bouquet of Tulliaman roses, acted as bridesmaid. Mr. Ernie McEnery, of Ballinafad, cousin of the groom, was best man. During the signing of the register, Miss Alma McEnery sang. After a reception at the home of the bride's mother, Mr. and Mrs. McEnery left on their wedding trip to Ottawa and Quebec province, the bride travelling in a Durene wine jacket with ivory accessories and navy coat with wolf trim.

New Records in Exhibits at 1938 Fair (Continued from Page One) Miss Aikens, owned by A. J. Overland, Orangeville. Forty-two entries were in the Baby Show and some bonnie babies were judged in the tent provided by the G. W. Robinson Co. of Hamilton, who also provide the prizes and sponsor this feature every year. Judges had a difficult time in making their selections. The following were the winners: Twins—Billy and Bobby Titus, Acton, Ont., under 6 months—Cherise Morton, Acton. Girl over 6 months—Marlene June Purdy, Morrison. Boy, under 6 months—Bobbie Landsborough, Acton. Boy, over 6 months—Jimmie Tyler, Acton. On the platform, the contests provided a great deal of entertainment and winners as follows: Old Time Puddlers—H. McEwen, Guelph; Robert Wallace, Rockwood. Step Dancing—Miss Lovina Locker, of Copepsing; A. McArthur, Guelph. Pop Drinking Contest—Mrs. G. Green, 25 St. No. 3, Acton. Harmonica Contest—D. Barber, Elora; A. Buchanan, Acton. The high jumping horses were in the big show ring and another fine exhibition was given by the army of horses which had competed the night previous. Winners were as follows: Open Performance Class—Stuart Houlding, Toronto; Miss Jean Hegmeyer, Preston; Miss Jean Hegmeyer, Preston; Red Pair Jumpers—Stuart Houlding, Toronto; Miss Jean Hegmeyer, Preston; P. Gowland, Brampton. Touch and Out Class—Stuart Houlding, Toronto; Miss Jean Hegmeyer, Preston; P. Gowland, Brampton. The only near mishap of the day occurred while preparation was being made for the potato race, when the horse being used by one of the contestants rolled over and pinned the man beneath him. However, neither rider or horse were injured. The prize for running the greatest distance to the Fair was won by Mr. and Mrs. J. M. Chesne, Lakeland, Florida. The parade of prize winning stock before the grandstand was a great show led by A. J. O'Connell, fine horse and cattle passed in review and then around the judging ring. CNE winners were many of them and as they passed the stand H. J. Kerr told who the exhibitors were. Of course the midway was a feature and was liberally patronized. Hot drinks were more popular than hot cream. The merry-go-round and all rides and games got a share of the patronage. While the crowd attending the second day was a big increase over last year, it was not up to the records that have been previously attained. The grounds, exhibit, features and general conduct of the event merits a much larger attendance at Acton Fair. Another big crowd was on hand for the dance in the hall last night. The Town Hall was filled to capacity. We present a list of the prize winners in the classes in the hall. A list of the events in the field will be published in full next week.

Commission to Probe Ontario's Mental Hospitals Clifford Maguire, Solicitor to the Attorney-General's Department, D. W. H. Avery, and Lionel Conacher, M. P. P. Left to Right, form a Commission appointed by the Ontario Provincial Government to investigate mental hospitals in the Province. The Commission began last week its probe at London.
