Hughes Cleaver, M.P. Meets with Halton Rural Mail Couriers

A very pleasant evening was enjoyed by friends and members of the Halton Rural Mail Couriers Group, when they met on Monday, the 17th, at the home of Mr. George Briddle, who lives near the subway, west of Prentiss, in the new Middle Road.

Business first, a short program, that was much enjoyed, a bounteous lunch, and a social chat sent every one of the lucky twenty-five away to their homes, realizing that the outline of our annual meeting was receiving the approval of the members of the Group, and that the Branch was away to a year of real progress and service.

A much appreciated guest of the evening was Mr. Hughes Cleaver, M.P. for Halton County, who entered wholeheartedly into the discussion and gave a very clear outline of the Courier's position in relation with the Government, as he sees it after many interviews with other M.P.s during the years.

The group were sincerely grateful to Mr. Cleaver for his untiring efforts on their behalf, and are patiently awaiting the time when, by co-operative methods, M.P.s and Couriers will have a solution of their problems, agreeable to all.

Two more couriers joined the group for the second year, bringing the total to 17 for 1938-39, and the Central Board reports that more than twice as many as last year paid their dues during the first month of this year. The Association year began on September 1st.

During the past year the Secretaries of Wellington and Halton Groups visited the Halton County group, at Guelph, to exchange viewpoints of interest to the Association as Dominion wide, and during the present month plans are under way to visit the Dominion President, at Rodney.

The next meeting will be with the Acton members on Monday November 14th.
