The Letter Box

Milton, November 11th, 1938

Dear Mr. Editor: At the annual meeting of the Halton County Educational Association in Milton last night, I was not able in any adequate way to express my thanks and appreciation for the very beautiful illuminated address presented to me on behalf of the Trustees and ratepayers of the County in recognition of my twenty-five years' service as P. S. Inspector in Halton.

I am deeply indebted to all for the courtesy, good-will and co-operation I have received on all hands. I believe there has developed in the past few years among the supporters of our schools a deepening concern for the welfare of these schools and a keener appreciation of the value and importance in fashioning the future of our citizenship.

It is a source of gratification that in my successor in office Mr. L. L. Skuse, B.A., B.Ed., you have a man of such tried experience and recognized ability. I am sure that he will have the same willing support and assistance in all quarters that I have steadily received.

At last night's meeting an unexpected omission was made in my failure to pay tribute to the man who has for years been the Secretary of our Trustees and Ratepayers' Association. I refer to Mr. M. A. Campbell. To him more than to any other one man has been due the success of the organization made twenty-five years ago.

In the official military sheet Captain Chisholm was high C.S.M. Aggr and Cpl. Drum had for second place. Sgt. J. Irvine was third. Privates Simpson and W. McKee, fourth and Pte. A. Buchanan, fifth.

At Milton ranges Thursday the following members of the Lorne Rifle Snipers completed their targets for the following awards: J. Chisholm silver and gold pins, W. Buchanan silver pin, E. Vasey bronze pin, J. Blow bronze pin, J. Wheeler silver spoon.

H. V. Drum completed targets for his second silver spoon.

All members are working hard to complete their targets for six spoons, so as to qualify to fire for the "Expert Shield."

SOCIAL EVENING AT BANNOCKBURN LITERARY SOCIETY

The regular meeting of the Bannockburn Literary Society was held last Friday evening. Following the opening business was discussed Mr. Roy McKee took the chair while the following program was presented.

Instrumental by Mrs. Ada Finlay, recitation by Erma Watson, readings by Clarence Cole and Mrs. Roy McKee, duet by L. A. Watson and Helen Sprawl and musical selections by Lloyd James and Bert Watson.

The meeting closed with the National Anthem. Lunch was served and the remainder of the evening spent in dancing.

You've been watching me for three hours. Why don't you try fishing yourself?

Onlooker: "I haven't got the patience."
