CLAIMS HORSE DIED AFTER SEEING BIER IN NASSAGAWEYA

The sight of a bear, met on the road, caused one of his team of horses to die of fright, Robert Wedge claims. He says he was drawing wood from the countryside near the sixth line, Nassagaweya, when his team became panic-stricken. Wedge says he then noticed a large bear in the road. After bringing his team under control, he drove home and put them in the stable. The next morning one of his horses had died. He attributed the death to the fright the horse got the day before.

Erin Township Treasurer Praised by the Auditor

The following is the copy of a letter received by Mr. Dan Gray, Treasurer of Erin Township, from Mr. T. H. R. Brock, Chartered Accountant, of Kitchener, Mr. D. Gray, Hillsburg, Ontario. Dear Mr Gray: I wish to thank you personally for the co-operation extended and the assistance given throughout the audit.

The audit work and our association with you were made very pleasant through your courteous manner and willingness to supply us with information at all times and yet never asking us for a favor. I am pleased to state to you that I did not find throughout all the work any indication of dishonesty on your part in any way shape or form. Again thanking you. I am Yours very truly (Sgd) T. H. R. Halton and Peel Settlers Hold a Re-union in West

(Continued from Page One)

That various churches in the two counties are now holding their centennials; and with the network of splendid highways that have taken the place of the quondam waterways.

The old plowing matches (where Spencer Croley, now of Sallcoats, took all the prizes) were brought up; the fact that Peel has the largest Jersey herd in the empire; the fact that Brampton can claim the most extensive shipping and growing of roses in the empire; that Brampton has a 500-bed sanatorium; and that Frank Oliver, who established one of the earliest newspapers west of Winnipeg, was born in Peel.

George P. Wilson, Regina, who spent October in Ontario, charmed the guests with a few facts, chiefly historic:

The first wheat ever shipped out of western Canada to Montreal was from Streetville, Peel.

The first sheet of paper ever manufactured in Canada was made near Streetville and for it the Dominion government paid \$500.

The first threshing machine brought into Manitoba was made in Brampton.

The first flour mill in Peel County was built by Mr. Wilson's grandfather, Charles Talbot, in 1817, on the Credit River, at Cheltenham. The original mill was demolished and a new one immediately built in its place.

The first clerical intersection of its kind in Canada was at Cooksville; the contractor for this was a cousin of Mr. Wilson, John Patterson Brampton. Alpine Smith had provided an excellent drawing of this clerical intersection, receiving the thanks of the company. The drawing hung on the wall and reference to it was made more than once during the night, subway and overhead grades being readily traced and the safety shown even at a crossing where 5,000 cars have been counted in one day.

Election of officers resulted as follows: Honorary President—Dr. O. S. Corri-san, Lappman. Honorary Vice-President—T. N. Pearson, Indian Head. Past President—Dr. F. C. Middleton. President—Mrs. C. M. Henry. Vice-President—Dr. Irwin Robb. Chaplain—Vern Mason. Secretary—Miss Christina McQueen. Treasurer—William Alexander. Executive Members—Mrs. J. A. McGregor, Mrs. D. O. Lamont, Mrs. Wm. Wilson, Miss Flo Snell, Alpine Smith, W. J. Moffat, Moosejaw; Percy Reed and George Wilson.

From many friends wires and letters of good wishes for the pleasure of the banquet were received. T. L. Kennedy, M.I.A. Dixie, voiced the conviction that some means should be devised of having the banquets alternate between Regina and Brampton. Gordon Graydon, M.P. for Peel and Hughes Cleaver, M.P. for Halton, both sent delightful messages, as did also: S. Estelle Pearen, Mr. and Mrs. Carl Pearen, Olive Pearen Ford and Mary Middleton Donnelly all of Indian Head, W. J. Moffat, Moose Jaw, Mrs. M. J. Barry, Saskatoon, Mr. and Mrs. Nat Given, Delisle, C. Bertha Stillborn, Lemberg, Dr. F. O. Gilbert, Spy Hill, and Mrs. J. P. Young, Alameda.

The club possesses a list of 140 Peel and 180 Halton old boys and girls living in 42 places in Saskatchewan and copies of these were sent round and scanned by the guests. Mr. and Mrs. O. J. Moffat, Bradwell, won honors as having come the greatest distance to the party, 200 miles, and the runners-up were Mr. and Mrs. D. Russell, Abernethy.

Guests Present: Guests who registered were Dr. and Mrs. Middleton, Dr. and Mrs. C. M. Henry, Mr. and Mrs. R. J. Moffat, Bradwell, Dr. and Mrs. A. G. Gray, Miss Phyllis Burrows, Miss Marjorie Hamilton, J. A. MacLean, Isaac MacIntyre, Rev. Mrs. Harvey Campbell Norman, Langdale.

Mrs. Stillborn, Mr. and Mrs. J. E. Cartwright, D. Alpine Smith, Mrs. E. Spence, D. W. Spence, Mr. and Mrs. W. M. Alexander, Dr. and Mrs. Irwin Ross, Mrs. W. R. Morrison, Mr. and Mrs.

OAKVILLE

Students of the Oakville High School were guests of the Royal Winter Fair, Toronto, this afternoon.

Not a single dollar is to-day owed by the Town of Oakville on bank loans, it was announced by Mayor Jacobs at the conclusion of Monday evening's meeting of the Town Council.

Workmen are now engaged in demolishing one of Oakville's outstanding structures, the standpipe on the river bank on Randall Street, opposite the Central Public School.

High official praise was accorded Oakville's newly finished seventh line C.N.R. subway yesterday when the structure was given a formal inspection by D. G. Kilburn, Chief Engineer of the Federal Board of Transport Commission.

H. J. Carson was awarded the general contract for the two new High School class rooms, at a special meeting of the Oakville Board of Education, held on Tuesday evening. His tender was of \$1,637. D. J. Sullivan received the electrical wiring contract, at a price of \$762. The contract for plumbing goes to William Newell, at \$441. Record-Star.

GLEN WILLIAMS

Rev. William Mackey, of Weston, took charge of the service in St. Alban's Church, Glen Williams, on Sunday.

Mr. W. H. Barth, who has been a patient in the Guelph General Hospital for the last three weeks, returned to his home on Friday last. His many friends wish him a complete recovery.

Mr. John Wheeler regrets the loss of his faithful canine friend which was accidentally run over by a car and killed on Saturday.

The Sunday Schools of both Anglican and United Churches are busy preparing for their annual Christmas concert. Mr. and Mrs. Hazell Bend visited at their homes here over the week-end.

POOR POPEYE

Mother was trying to persuade her small son to eat his spinach. "Just look," she said, "how strong and famous it made Popeye."

ALL NEW STUFF

The cultured maid servant announced to her mistress, wife of the professor: "If you please, ma'am, there is a medicant at the door."

The mistress sniffed contemptuously: "Tell him there's nothing to mend."

An Open Letter

At this season of the year, the Board of Directors of Acton Y.M.C.A. make a Special Appeal for Membership in this community organization. It is well known that the Y.M.C.A. is doing in the community. Only through the loyal support of everyone can this work be continued. Membership is the only contribution asked at any time to maintain Acton Y.M.C.A., and the only means of raising funds.

The Y.M.C.A. needs a membership of 200. Won't you assist in reaching this objective and going over the top?

If you cannot use the facilities yourself, your membership will help to maintain the low fees now required, collected from Junior Members.

Perhaps you know of two or three young people who would be benefited by membership who cannot afford the fee. Why not assist them with their fees and make an investment in the manhood and womanhood of our community?

Christmas is just around the corner. A Y.M.C.A. Membership would be an appreciated gift to many young folks. But let them enjoy the privileges now.

Mr. W. C. Jones, the new Supervisor, will take charge on December 1st. Several new features have been inaugurated to make Y. M. C. A. Membership more attractive. No doubt other features will be presented under Mr. Jones. Let's have 200 members on hand before December 1st.

This is a community organization. Any suggestions you may have that will make the Y.M.C.A. give greater community service will be appreciated and receive careful consideration. Any information you may desire concerning the Y. will be gladly supplied by any of the following Board members: Dr. E. J. Nelson, Dr. A. J. Buchanan, Rev. E. M. Morrow, V. B. Rumley, H. Elliott, A. Mason, C. Kirkness, A. Mills, J. C. Matthews, W. J. Beatty, H. H. Hinton, Dr. P. W. Pearen, W. K. Graham, G. A. Dills, W. G. Mason.

Getting a Share of the Christmas Business

During the next few weeks there will be more money exchanged for goods than at any other time during the year. Many manufacturers have been working all year making attractive articles for the Christmas trade. Buyers are searching for where these articles may be secured for Christmas giving.

Now is the time to tell folks about the attractive offerings you have. Mr. Merchant, Buyers are not going to search you selves unless you invite them to do so. Christmas goods that are not sold during the next few weeks represent a loss and capital tied up until next season, possibly never sold.

City stores are telling daily of the attractions they have to offer. They are attracting your customers with messages. You can have that business but you must attract customers to your store. Tell them of the goods you have.

You may have the best stock in the countryside but if you don't attract people to your store it will never move. Every week THE FREE PRESS goes into the homes of Acton and the district. It is welcomed for the news it contains. Your news will be welcomed by those making Christmas shopping lists.
