of rubber fired at him. Just after DeBroski returned to the ice, Norm Morton shot the puck from one end to the other and Guelph was given a penalty face-off but Woods saved nicely. Hyslop saved on E. Marzo and the Marzo brothers failed a minute later. Woods was called on to give a play by Kaiser. In a work-in by the Acton team, Kentner got the puck but was off stride and could not get his shot away. Terry also failed to register on a pass from Norm Morton. Wyckham, of Guelph, shot wide when he had Woods out. Wyckham was sent to cool off, and then Acton tried hard, and Hyslop was given plenty to do. There was plenty of action by both teams in this canto, but goals were registered. Acton had one penalty; Guelph two.

And now that overtime! Play was really very fast, considering what both teams had been through. E. Marzo put a sizzler across the goal mouth, and a minute later made another try. Guelph also sent plenty at Woods. Wyckham, who was Guelph's bad man that night, was again sent to cool down. Walters sent a hot one at Hyslop from away out. Walters was banished, and both teams were a man short. Play opened up somewhat and Terry took a pass from Norm Morton and fooled the Guelph goalie at 5:30. A minute or so later, Terry and Kelly were given major penalties, and disappeared for the night. With both teams two men short, E. Marzo got the heart-breaker, as far as Guelph was concerned, when he banged it past Hyslop for the second counter of the overtime. The Marzo brothers went right through again, but Hyslop stopped them. At 8:35 E. Marzo got goal No. 3 of the overtime, to really clinch the game. Bus Morton tried a lone rush, and Hyslop stopped his effort.

It was a nice game to win, a tough one to lose.

The final score—Acton 5; Guelph 2. The overtime saw two penalties apiece, a major and a minor for each team.

The following is the line-up: Guelph—Goal, Hyslop; defence, Kelly and Wyckham; centre, DeBroski; wings, Pipher and Gemmill; spares, Kaiser, Ridley, Meron, Harrington, Heyd.

Acton—Goal, Woods; defence, Walters and Kentner; centre, I. Marzo; wings, E. Marzo, Sprout; spares, N. Morton, B. Morton, Terry, Molozde, Marshall.

Referee—Fellbaum, Kitchener.

PASSING SHOTS

Hyslop, who played with the Guelph Indians last year, was the Intermediate goalie. He is a very useful man between the posts. He is attending the O.A.C.

The Guelph team is known as "Lashy's Transports," and have new uniforms, but minus numbers. A really tough assignment for this reporter.

We notice by our contemporary from Guelph that Acton is supposed to have got the tie-breaker while Guelph was a man short. This does not tally with our notes of the game.

Guelph are a much improved organization since last year, and will provide plenty of opposition at any time.

The Marzo brothers sure have plenty of speed, and with sprout, can turn it on at any time. They are a very dangerous trio.

The Morton brothers did not get into the scoring column at any time during the game, but they have plenty of stuff and opposing teams had better watch them closely.

Terry is still as tricky as ever, and seems to have his scoring eye working this year.

Kentner, Molozde and Walters furnish plenty of defence and when they get a couple more games in together, will be hard to get through. They have plenty of push on the offensive, too.

Woods turned in a nice effort for the home team between the posts. He has made a come-back to his junior form this year.

ACTON 4 - PRESTON 3

Acton journeyed to Preston New Year's night to play the first game of the revised schedule, which became necessary when that town, after an in-and-out complex, finally did want to play in this group. There were several new faces in the Preston line-up at this performance, but the locals turned in a real effort, and Acton had to earn their victory. The visitors were never headed, but after leading 3-0, Preston ran in two counters before Acton were able to get a fourth. There were a couple of nasty mishaps during the game. Brush getting a dirty spin along the boards and Wright a nasty slap in the face with the puck. Neither, however, proved serious and both players were in the game again.

At the end of the first period Acton led 2-0; at the second, the score was Acton 3, Preston 2; the third, Acton 4, Preston 3. There were few penalties, all of the minor nature, Acton having three; Preston one. Well, here it is:

Preston, after a few minutes of play, had several shots at Woods, that found the visiting goalie down to his job in earnest. Bykes, a new-comer on the Preston line, was too anxious and cleared the net entirely. Eby, who was quite fast

from the start, and both teams were going up and down at a nice pace. Sykes again tried a shot at Woods. Norm Morton had a shot at Schrumm, the new Preston goalie this season. Preston were playing a nice combination game, and play was getting real fast. There was a pile-up in front of the Preston goal, but no results. Schrumm dived out to prevent I. Marzo from scoring. The Acton team then seemed to have Preston at their mercy for a few seconds, but gunned up their chances. Kentner made a nice stop of a shot from Wright, after a pass from Tik. After 11:00 minutes of play, Walters took a neat pass from Kentner and fooled "Mummer" Schrumm with the first tally. McMahon, for Preston, shot across the Acton goal mouth, which made the fans gasp. At 12:00, Terry, unassisted, got Acton's second counter. Bykes, of Preston, shot across the goal, but was stopped by Schrumm. Woods made another save on Bus Morton's effort. At 14:00, Brush was banished, and Preston tried ranging tactics. Woods having to be good to save from Goad. Acton shot up, making Preston do the skating, and then gunned up chances with only a man to beat. Preston also did not take advantage of all their opportunities. Woods saved on several that were fired at him from close in. Schrumm made a nice save on Norm Morton's try. Brush and E. Marzo were back-checking nicely. There was plenty of action in the second half. Woods made another save on a Preston try. Schrumm dived out to prevent I. Marzo from scoring.
