Acton Clinches the Leadership With Two Wins

Acton — Woods, goal; Kenner and Walters, defence; E. Marzo, centre; I. Marzo, right wing; Brush, "left" wing; Terry, B. Morton, N. Morton, Molozie, Dawkins, alternates; Sproot, sub goalie. Referee—Bobby Felbaum, Kitchener.

skate and had to get another pair. Gemmill dumped Walters when he was going in, and went to the penalty box. Norm Morton went in and most everybody thought the puck did, too, but the light didn't blink.

Bus Morton, Norm Morton, Daykins, Molozie, alternates; Sproot, sub goalie. Guelph — Heslop, goal; Coulson and Wickham, defence; Heyd, centre; Pipher, right wing; Lindsay, left wing; Ridley, Gemmill, Meron, Kelly, Gamble, alternates; Jotham, sub goalie. Referee—"Honey" Kuntz, Kitchener.

OFF THE ADDING MACHINE

Quite a change from previous game—seventeen goals and one penalty. In the Elora game, twenty penalties and eight goals—which all goes to prove something.

Lindsay's time extended into the third period. (That's how he figured in two periods.) Heslop saved in a scramble and Coulson was close on a lone rush. Woods made a nice save on Ridley's shot.

Well, that settles it for Acton in first place. They can't be ousted by any team now.

ACTON 3 - GUELPH 2

Another "Too and Your Oot" Chazy Brill can relax on his breathing and draw in on his vocal chords and take another reef in his belt and pull up the slack.

At 13:30 Guelph came into the picture again, when Heyd picked up a loose one just inside the blue line and beat Woods. Elora was lucky to save—Guelph was Guelph.

INTER-SCHOOL HOCKEY GAME WON BY ACTON

Rockwood and Acton Continuation Schools played a hockey game in the Acton Arena, in which the local boys were the winners by 5-4. The line-up for the game was: Rockwood — Frank Fowke, Wayne Howell, Raymond Dean, Leslie Hall, William Lovell, Jack Oakes, Win. Dunbar, John Harris, Bob McCutcheon, Bruce Kinzie, Chuck Stewart, Alex Grahame, Hugh Altou.

With the cutting of this road from Kelo, men began to pour into this new territory by the hundreds—mining men and adventurers. Streets were laid out and a crude town plan drawn.

With all its modernness, a visitor would find Timmins different in many ways from the towns down south. First of all, he would notice the bareness, no maple trees lining the streets, like there are on Bower Avenue, or Church Street; no large brick houses, with green lawns and flower beds; cement sidewalks only on the main streets.
