There was another scramble in the Simcoe net from which La Fortune emerged the winner. A scramble in the Acton net blinked the light, but the score wasn't allowed. But at 13.10 Nobes tied up the round again, from a scramble. Robbins drew the first penalty of the game at 14.30, but Simcoe held well when short. Terry got in but had no luck. Acton couldn't use-the man advantage. I. Marzo was close on a couple and LaFortune made a couple of nice saves as the period ended. The score, 3-1 for Simcoe, and the round tied up at six apiece.
