Morton, Terry, wings; Lindsay, Mooney, Pipher, Kentner, Marro, Saunders, and Holmes, alternates.

Paris—England, goal; Parr and B. England, defence; Wilson, centre; Easto and Hayward, wings; Kempthorne, Midgley, Walker, Vanstocke, McCutcheon, Granton, N. Lindsay, alternates.

Referee—Murray Cinnamon, Brantford.

ELORA 9 — ACTON 2

Tanners continued the route to the bottom of the group on Monday when they dropped the game to their rivals, the Elora Rocks, by 9-2. They were luckless all night, but above that the Elora boys showed superior speed and shooting over the last year's champions.

The first goal was even a jinx. Bayliss attempted to stop one with his hand at the Acton goal, and it went into the Acton net. That was the only score of the period and came at 12.30. J. Rummels and Marro drew penalties.

Elora turned it on in the second stanza. Miller scored from Klein at 5.14, and F. Rummels got another at 5.34; R. Ridley made it four at 7.29, on an assist from Klein; Bilcoo and H. Rummels got another at 10.13; and H. Rummels and Klein made it 6 at 12.10. Oh yes, there were plenty more close ones that Woods turned aside, and Tanners were in occasionally. The Rocks had the period completely and Woods was a busy boy.

The old jinx came again in this period, when Molineux collided with Elora, player and fractured a bone in his cheek. He was taken from the hospital in Guelph, where an X-ray revealed the broken bone. He was allowed to return home the next day.

Pipher finally got a counter for Acton, in the first 26 seconds of the third period. Norm Morton was in on the assist. Norm Morton hit the goal post when he just had to flip it in the open net, Klein broke alone and scored at 5.35, and the Rocks pelted plenty more that might have been goals.

At 8.56 H. Rummels got the eighth goal for Elora, from the corner, and Bilcoo broke away and made it 9 for the Rocks, at 10.15. Norm Morton got another for Acton at 19.26. There were no penalties.

The line-up:
Acton—Woods, goal; Bayliss and Molineux, defence; Marro, centre; Pipher and Mooney, wings; Kentner, Dawkins, Saunders, Terry; B. Morton and N. Morton, alternates.

Elora—V. Walser, goal; J. Rummels, H. Walker, defence; H. Rummels, centre; J. Quinn, Bilcoo, wings; F. Rummels, J. Klein, Millar, Fisher, Ridley, Marr, Cawthra, alternates.

Referee—Honey Kuntz, Kitchener.

No comment necessary.

ACTON 18 — GALT 3

Taking revenge for the two defeats they have had this week, Acton Tanners took it out on the hides of the Galt Air School team last night when they scored 18 goals and Galt replied with three. The Galt team are just not in the class of this group and have not won a game, but they are having a good time and arrived in full force last night, in the remodelled arena that they use for travelling. There was just a small crowd on hand for the game.

Terry got the first goal at 11.25, and Mooney and Norm Morton the second, at 12.46. Norm Morton scored at 18.10 and Pipher at 18.37. Penalties were given to Meyers, of the Galt team, and Saunders of Acton.

The second period saw Tanners add seven more counters and miss a lot of chances at that. Norm Morton scored in the first minute and again at 5.03. Terry and Bus Morton got one at 8.00 and Norm Morton another at 12.40. Lovegrove spoiled a shut-out when he scored, at 13.50. Bus Morton and Marro got another at 14.20 and on the tenth goal, at 14.45, Terry got assists from Bus Morton and Marro. The eleventh was Mooney's score, when he brought it from behind the net. Scott drew the only penalty.

Bayliss got the first two in the third period, at 3.45 and 4.12. Bus Morton assisted on the first one. Norm Morton scored at 6.25 and Bus Morton from Terry at 10.18. Pipher scored on his own rebound at 12.03 and Norm Morton scored from Mooney at 15.13. Sebastian got another for Galt at 17.35, with Andrews on the assist, and Galt's third goal was by McMeekin and McEwen.

The eighteenth and final goal was by Norm Morton, from brother, Bus, at 19.58. Final score 18-3.

The line-up:
Galt—Bates, goal; Molineux and McMeekin, defence; Ellis, centre; McEwen and Scott, wings; Andrews, Lovegrove, Sebastian, Zimmerman and Meyers, alternates.

Acton—Woods, goal; Kentner and Bayliss, defence; N. Morton, centre; Pipher and Mooney, wings; B. Morton, Terry, Marro, Dawkins and Saunders, alternates.

Referee—Chester Brill, Guelph.

ACTON 18 — GALT 3

The big thing of the moment is to have Ferguson in the night, and Tanners can do it if they put that fighting spirit into the game that carried them through last year.

We hope its not lost—we mean that fighting spirit.

MEN'S, WOMEN'S DRESS DEBATED AT MAPLE GROVE

The Maple Grove Literary Society held a regular meeting recently in S. S. No. 8, Ramosa, Charles McNabb presiding. Roll was called and responded to by telling "Where you were born".

It was moved by the meeting that an invitation be extended to Bloomsbury Literary Society to meet with the Maple Grove Society.

Margaret Ingle, Convener of Group I, presided over the program, as follows: Chorus number, "Flow Gently, Sweet Afton"; a reading by Muriel McNabb. A debate followed, "Resolved, that women's styles of dress to-day are more sensible than men's." Mrs. W. McNabb and Helen Bayne, affirmative; Sims McLean and Charles McNabb, upholding the negative. Myrtle Maude favored the meeting with a vocal solo; Mrs. H. Maude gave a reading, "A play entitled 'The Obstacle in the Path,' was given. The critic's remarks followed. The National Anthem closed the program. A social time followed.

A short time ago a box social was held by the Maple Grove Literary Society, in aid of the Red Cross. Mr. F. Wright Acton, put on a number of lantern slides. Mr. Roy Hindley was the auctioneer, and a splendid sum was realized.

OFF THE RECORD

That's sumptin!

But if you're feeling down-hearted, what do you think of the cheerful spirit maintained by the Galt team, who have not won a game this year?

And they are still turning out in full force and having a whale of a kick out of it.

The big thing of the moment is to have Ferguson in the night, and Tanners can do it if they put that fighting spirit into the game that carried them through last year.

Milk Pasteurization Law Opposed by County Council

(Continued from Page One)

The law was intended mainly for the larger centres.

Mr. Kerns—it is a drastic law which if applied would affect 90% of the farmers in Nelson. I am opposed to this law. If a man wants pasteurized milk he can go to the dairies for it.

Deput-Reeve May—it is all a lot of nonsense.

Dr. Heslop—Pasteurization is certainly a great thing, but there are cases where humans have gotten by without it and I don't see why a hardship should be imposed on farmers.

Mr. Byers—I think the idea of pasteurization was a laudable ambition but it has been carried to the point where it isn't practical. But I do think people should be allowed to buy only from accredited herds. I wouldn't want to be under the heel of an organization that wants to give farmers two to two-fifty a hundred for milk and then sell it again for \$10 or \$12.

Mr. Gilbert—Pasteurization is all right if it isn't made too drastic but it has been carried altogether too far.

The Warden—Pasteurization is undoubtedly a good thing, but I think a person should be free to go and buy milk from a farmer if he wants to.

The resolution was finally unanimously endorsed by Halton Council.

The following resolution provoked considerable discussion.

Moved by Mr. Gilbert, seconded by Mr. Kerns, that the Road Committee and County Engineer be sent as delegates to the Ontario Good Roads Convention and that their expenses be paid.

Warden—I don't quite see the point of sending the entire Road Committee. Perhaps if the Engineer and two members were appointed it might be sufficient, and would be an economy.

Mr. Gilbert—This Good Roads Convention is just about as good as you like to make it. If you go for a good time, well, that's all you get. But I do think if a man goes down with the right idea in mind he can't learn a lot and bring back a good report.

Mr. Kerns—Perhaps it might be bringing it out down on the expenses.

Dr. Heslop—What were the Committee expenses last year?

The County Clerk referred to last year's accounts, and reported delegates' expenses as being \$100.

Mr. Robertson, Nelson—I think we should send our Road Committee down to this Convention, but I think their expenses should be set and that a blank cheque should not be given to each member.

Mr. Hillmer—I think the entire Road Committee should go, and their expenses be paid, which should not exceed \$75.

The resolution was finally amended and read "expenses not to exceed \$75, and was then carried.

Moved by Mr. Kerns, seconded by Mr. Robertson, that Mr. M. Robinson be appointed to the Burlington High School Board for 1940.—Carried.

Moved by Mr. Wilson, seconded by Mr. Hume, that the members of the Agricultural Committee be delegates to the Agricultural Council and that their expenses be paid, not exceeding \$5.00 per day per member.—Carried.

Moved by Mr. Robertson, seconded by Mr. Gilbert, that the Reforestation Committee be instructed to arrange for trees and planting and also arrange for a suitable overseer to look after the woodlot.—Carried.

Moved by Mr. Gilbert, seconded by Mr. Hall, that \$15 be sent to the Good Roads Association, as membership fees for 1940.—Carried.

Moved by Mr. Robertson, seconded by Mr. May that a grant of \$50 be paid to the Salvation Army, of Hamilton.—Carried.

Moved by Dr. Heslop, seconded by Mr. Byers, that Mr. Thos. Reid be appointed to Milton High School Board for the year 1940-41.—Carried.

Moved by Mr. Robertson, seconded by Mr. Chalmers, that Mrs. D. Hartley and Mr. Blair be appointed to the Old Age Pensions and Mothers' Allowance Board for the year 1940.—Carried.

The following accounts were passed for payment:

Finance	\$ 826.69
Education	39,500.39
County Buildings	605.94
Printing	227.50
Hospitals	352.00
Railways and Reformation	170.89
Total	\$41,823.61

Council adjourned.

DR. NELSON GUEST SPEAKER DUBLIN LITERARY

Last Friday evening the Dublin Literary met for their regular meeting, with the President, Stewart Elliot, in charge. The meeting opened with "The Maple Leaf," followed by the business session. Mr. Brims took the chair for the following program: A very instructive talk on "First Aid" was given by Dr. Nelson, piano solo by Dr. Nelson; a number by the school choir; reading by Mrs. Grant; tap dancing by Margaret Somerville; vocal duet by Annie Black and Mrs. E. Sprout; accompanied by John Mack; guitar selections by Ian Grant; reading by Miss Viola Sprout; and a solo by Bevan Green.

The meeting closed with the National Anthem. Lunch was served and a social time spent.

Midget Hockey Draws Good Crowd at Arena

(Continued from Page One)

The Midget Hockey Teams turned out in full force on Monday evening to display their prowess as hockey players in the making to almost two hundred spectators. Exhibition games between all four teams started at 6.00, with the Canadians playing the Red Wings. It was a close game, from start to finish, with no team seeming to have the advantage. In a mix-up around goal, Hassard put one past Clayton, and the score remained that way for the balance of the game, thus permitting the Red Wings to meet the winners of the next game, between the Rangers and Leafs. Scorers in this game were Veldhuis, for the Rangers, who on a pass from Masters, beat Rowles, and Rushmere and Robinson, who managed to bulge the net behind Knight.

The final game was a thriller, from start to finish, although the Red Wings seemed to have a slight advantage, due no doubt to the rest they enjoyed while the second game was going on. However, Hassard scored one and Kentner two, making the closing score 3-0 for the Red Wings.

Proceeds from the game will go towards buying sweaters for the boys. Another series of exhibition games will be played on the evening of February 13th, and it is hoped the teams will be wearing their own sweaters, thus adding a smart appearance to the games.

WOW!

Ardent Suitor—I'll bet that young doctor would be provoked to learn you are having dinner with me.

Nurse—Oh, no. You see, we're saving up to get married.

OTHERWISE O.K.

"Is your son-in-law industrious?" asked an acquaintance.

"Well, sorter," replied old man Sockery of Clapboard Springs. "He'll do 'most anything but work."

SAFETY FIRST

"Do you have Mats in at this church?" asked the visitor.

"We used to have," replied the verger, "but the new vicar tripped over them, so he put down a carpet."

SAVING PACKING TIME

Wife (as they hear burglars)—It's lucky you sent the plate to be cleaned to-day.

Husband—I didn't—it's lying in the hall all ready packed up.
