"FIRST LOVE" BRINGS GROWN-UP DEANNA DURBIN

Miracles do happen, even in this day and age. Latest miracle to come to pass is Deanna Durbin's new Universal picture, "First Love," the feature on Friday night at the Gregory Theatre here.

The picture lies in that, for the sixth time, Deanna has come through with a smashing success, exceeding her previous five pictures, each of which was claimed to be unexcelled at the time of its making.

"First Love" presents Deanna as a parentless girl, who, treated like a poor relation by the family of her wealthy aunt and uncle, comes through to a triumphant victory over her surroundings.

Outstanding feature of the picture is that, for the first time, the producers have injected a goodly share of romance in the production, something lacking in youthful Miss Durbin's earlier successes.

MIDGET HOCKEY LEAGUE PROVIDES THRILLS AND SPILLS

On Saturday afternoon the four teams of the Midget Hockey League battled each other for honors, with the Rangers and Canadiens playing the first game.

The Rangers had the edge over the Canadiens and scored five goals to the Canadiens' one. Scorers for Rangers were: Veldhuis, who scored two goals, and Masters, J. Marshall and W. Gordon, each scoring one, while P. Turkoz scored the one tally for the Canadiens.

The second thriller saw the Leafs and Red Wings collide in a game that was fast and furious from start to finish. In spite of their shortage of players the Leafs held the Red Wings to a 2 to 0 score, with Kentner and Hassard doing the scoring.

On Tuesday night the four teams renewed the feud to a crowd of spectators, with the Rangers and Leafs providing the opener. The Leafs were fighting desperately to topple the first place, and did so to the tune of a 3-0 score.

The Canadiens managed to push the Red Wings down a notch in the second game by defeating them, 3-1. The scorers were Turkoz, Pearen and Somerville for the Canadiens, and Kentner for the Red Wings.

The Leafs and Canadiens played to a tie on Wednesday afternoon, thus making a three-corner tie for first place in the League standing. Scorers for the Leafs in this game were Robinson, with 2 goals, and Rowles 1, and for the Canadiens, Fryer, Stewart and Pearen.

Obituary

GEORGE C. ATKINS On Saturday, February 10th, I was nominated by an Open Convention, as the people's candidate of the National Government movement in Halton County.

Seven hundred representative citizens gathered at Milton to express their demand for a vigorous, free policy in Canada. They came despite bad weather and dangerous roads.

They entrusted me with the responsibility of representing those of all parties who have decided that Canada shall not be let down by party politicians playing politics while the lives of our men are in peril and the welfare of every Canadian is at stake.

Up until Mr. King created the Mackenzie King crisis, by a trick to cheat parliament of its rights and the people of theirs, I had been independent in politics. But I had never been neutral on an issue affecting the welfare of the people of Halton and of Canada.

When Mr. King denied democracy by shutting the doors of parliament in the faces of the members, the issue became clear-cut, and supremely important to me. My duty was plain. It was to associate myself with fellow-Canadians who saw as I did that our rights and liberties were at stake at home as well as abroad.

My work as a publisher has kept me in close touch with national affairs and with good Canadians of all parties. Those whom I met in the days following Mr. King's denial of democracy, were shocked and deeply concerned for the future of representative government in Canada. Almost without exception, they condemned Mr. King's trick and attributed it to Mr. King's knowledge of the record of his government, which made him afraid to face parliament.

A non-partisan group of good Canadians asked me to permit them to place my name before an Open Convention of the people of Halton. They were convinced that there was much truth in the charges of gross mismanagement of Canada's war effort, of the shocking failure to provide properly for the soldiers and their dependents, of political patronage and graft.

Before concluding that the failure and guilt of the government were so glaring that Mr. King dare not account to parliament, I made a personal survey among my friends in high and low places. Their statements to me, and my own knowledge of the Liberal party's acts in government, justified my belief that only by the election of a government above party interests could Canada play its proper part in winning the war on the home front and the battle front.

It became my duty to carry my convictions into the election contest. Some people, as sincere as my supporters, and myself, will disagree with us. I respect their honesty and opinions. I hope that they will yet realize the danger of returning Mr. King to power. Mr. King's latest act of political desperation is the best evidence that he would, if returned to power, continue to ignore parliament and would use his majority to suppress whatever he desired to conceal.

The negative record of the shortcomings and failures of the Liberal party government is written in your daily experiences. You have seen millions of days of work lost, never to be done, because the Liberal party government failed to plan to use the energy of those who were eager to produce what would be most needed from farm and factory. You have seen the treatment accorded our gallant troops and the neglect of their wives, mothers, and children. You can judge the record of the government by what you have seen and by what you know to be true.

The time for delay, excuses and fumbling is ended. The time for positive action is here. The time has come for the election of a government above party politics which will carry out the will of the people who are resolutely united for victory. My platform is "Victory."

My whole-hearted effort will be devoted to co-operation to ensure that we shall not fail to: Produce all we can. Give all we can. Serve all we can.

Vote for Victory. Yours for Victory, George C. Atkins.

FELT VERY BAD A Scot took a business trip to the United States. When he returned home he was asked all about it, and if he had been sea-sick. To this he replied: "Only once I felt bad, and that was on the trip back, when I had to lie down on the night of the Benefit Concert for the Sailors' Widows and Orphans."

I.O.D.E. Officers Are Elected and Reports Given

Mrs. E. E. Barr, Regent of Duke of Devonshire Chapter - Full Report of the Secretary

The Duke of Devonshire Chapter I.O.D.E. met at Mrs. W. J. Gould's for their February meeting, and to receive the year's report for 1939. Mrs. E. E. Barr, president, gave a very interesting and detailed report of the year's work.

The Treasurer's report, given by Mrs. J. M. McDonald, showed a very fine and progressive year. The Regent reviewed the year's work and thanked the officers and members for their support and asked for co-operation in 1940. The War Convener gave a satisfactory report of the following articles made and given to the local Red Cross: Scarves, 1; wristlets, 9; sweaters, 3; socks, 42 pairs; mitts, 3 pairs; pillow cases, 6 pairs; lining bandages, 1 dozen.

Two new members were welcomed in the Chapter. Arrangements were made for the showing of the Royal Tour and sinking of Graf Spee pictures, and the carnival program was discussed.

Officers for 1940 were elected as follows: Honorary Regent - Mrs. Fred Blow. Regent - Mrs. E. E. Barr. 1st Vice-Regent - Mrs. R. H. Elliott. 2nd Vice-Regent - Mrs. W. J. Besty. Secretary - Mrs. H. Mainprize. Assistant Secretary - Mrs. G. Arlof.

Correspondent Secretary - Miss Pearl Smith. Treasurer - Mrs. J. M. McDonald. Assistant Treasurer - Mrs. Wm. Cooper. Educational and Echoes Secretary - Miss M. Z. Bennett. Press Secretary - Mrs. R. M. McDonald. Pianist - Mrs. Fred Sall. Assistant Pianist - Mrs. Dydea.

Councillors - Mrs. W. J. Gould, Mrs. Peter A. Smith, Miss M. E. Nelson, Mrs. Wm. Clayton, Mrs. M. Schroeder. Red Cross Representative - Mrs. Amos Mason. Lunch Committee - Mrs. Schroeder and Mrs. McLean. Members War Work Committee, I.O.D.E. - Mrs. Blow, Mrs. Gould, Mrs. P. Beattie. Members War Work Committee - Mrs. Gould, Mrs. F. Beattie.

The following is the Secretary's report that gives in detail the work of the Chapter during the war: In reviewing the work of the Duke of Devonshire Chapter, Imperial Order Daughters of the Empire, for the year nineteen hundred and thirty-nine, two events stand out pre-eminently - two events wide in contrast, yet alike in deepening of a spirit of pride in, and undeviating loyalty to the Empire, of which we form a part and the Order to which we belong. We refer to the visit of Their Majesties, King George and Queen Elizabeth, and to the fact that our Empire has taken up arms to fight for justice and freedom.

This visit of our beloved, democratic and kindly monarch and his charming and gracious Queen, has left a precious memory in our hearts, and in our minds a message that will guide us through the troubled times that lie ahead. In his Empire Day speech, broadcast from the heart of our Dominion, he said, "It is true, and I deplore it deeply, that the skies are overcast in more than one quarter, at the present time. Do not on that account lose heart. Life is a great adventure and every one of you can be a pioneer, blazing by thought and service, a trail to better things. Hold fast to all that is just and of good report in the heritage which your fathers have left to you, and strive also to improve and equalize that heritage for all men and women in the years to come."

"Remember, too, that the key to all true progress lies in faith, hope and love. May God give you their support and may God help them to prevail."

Under the efficient and vigilant leadership of our Regent Mrs. E. E. Barr, our Chapter has had a very successful year from the standpoint of loyalty and service. We have a membership of thirty-seven, with an addition of six new members for the coming year. The average attendance was twenty-one. Nine regular meetings were held in the homes of our members. At each of these, with the customary flag ceremony prayers were made for the Empire and for peace, business was conducted, Empire study, and current events taken, and a social time enjoyed. We also held an emergency meeting in September when a resolution was forwarded to our Provincial President, reaffirming loyalty to our King and country. Executive meetings were held prior to many regular meetings, at all of which our Regent presided.

In May the members of our Chapter were guests of Lakeside Chapter at a special meeting observing the significance of the Royal Visit. Our Regent attended and reported upon the Provincial meeting in Hamilton; a meeting of Peel Regiment Chapter, Brampton, at which Lieut.-Col. Keene was guest speaker, and the Bestival Banquet of Countess of Strathmore Chapter, Georgetown.

Our program for the year, was planned at our first meeting and carried out quite satisfactorily. Empire study con-

sisted of "New Zealand," and our own "Dominion." We had guests of honor on two occasions. In June, at the home of our Toronto member, we had the privilege to entertain Mrs. W. G. Lumbers, Past National President of the I.O.D.E., who had the honor of representing the Order at the unveiling of the War Memorial at Ottawa, during the visit of Their Majesties. On the same occasion, Mrs. E. B. Dugan, Regent of the Toronto Municipal Chapter, brought us a message from the National Convention, held in Toronto. In December, Mrs. J. A. McIverson, of Acton, was a guest speaker. Mrs. McIverson chose as her subject, "What Price Loyalty?"

Our financial objective was reached by various ways and means, such as: Members' fees, collections at monthly meetings, a marathon bridge, a bazaar and tea, a travelogue, given by Miss Marion Walwyn, and by members' donations.

Our social activities consisted of the entertaining of the officers of Lakeside Chapter at our first meeting of the year, a "shower" for the bazaar and a social afternoon when the members met to do war work.

In "service" the following were the chief features: 1. Sponsored an Empire Day concert, given by the pupils of Acton Public School, at which books, purchased from I.O.D.E. headquarters, were presented as awards for essays, poems, etc. 2. Supplied 3,511 bottles of milk to Acton Public School. 3. Presented a flag to Acton School Board for use on the Public School grounds, commemorating the Royal visit. 4. Presented an award to the Acton pupil obtaining highest standing in the Entrance examinations. 5. Sponsored, in conjunction with Lakeside Chapter, the collection and transportation of clothing to evacuated children in the Old Land, Voluntary Registration of Canadian Women, selling of poppies, canvassing for funds in the nation-wide campaign of Red Cross Society, and Remembrance Day observance. At this time our Regent, with the Regent of Lakeside Chapter, and the Chaplain of the Local Branch of Canadian Legion, addressed an assembled audience of pupils of our Public and Continuation Schools, on the significance of Remembrance Day. Grants were given to the following worthy causes: Supervisor of the bathing beach in the Acton Park; Christmas hampers, cards and flowers to sick and bereaved members; assistance to two local families; Peace Plot fund; wreath for Cenotaph; Endowment Fund; Canada Hospital at Naik; Navy League of Canada; and to the war work of the Order.

We wish to express grateful appreciation to all members who have so graciously opened their homes for regular meetings and for social functions, those who so kindly loaned their cars on various occasions, our hostesses, the members for their regular attendance and loyal support and to our Council for kindly co-operation.

We are faced with grave and great responsibilities but may we have courage, faith, wisdom and stability to meet the perplexing problems of the New Year, giving our best in every avenue of service required of us. Specially applicable at this time is that great message which Robert Burns gave to the world, "Then let us pray that come it may, As come it will for a' that, That man to man the world o'er Shall brothers be for a' that." Respectfully submitted, MRS. HARRY MAINPRIZE.
