Liberal and National Candidates Contest Halton

Hughes Cleaver, Burlington, and George C. Atkins, of Oakville, Are Nominated for Dominion Election — Meeting in Milton was Addressed by Both Candidates and Returning Officer, J. K. Mahon, Presided.

Only two candidates were nominated for Halton on Monday, with Returning Officer J. K. Mahon when the hour had elapsed for filing nominations. Hughes Cleaver, of Burlington, will contest the riding of Oakville, the National candidate. Both candidates addressed the meeting in Milton on Monday after nominations were closed, and at which Mr. Mahon was chosen chairman.

Mr. Cleaver, in his address, gave an account of his stewardship since election. He reviewed the trade treaties that had been made, the benefits secured. He had nothing but friendly feelings for Mr. Atkins, but he was opposed to his leader and his policies. Mr. Cleaver told of the blow against Canadian unity that had been struck by Mackenzie King and the Liberals to maintain Canadian unity. The success of the Red Cross drive and the war loan were examples of Canadian unity under the leadership of Hon. Mackenzie King.

Mr. Cleaver said there was no difference between National and Union government. Appointments had in the present war been made on merit and not by patronage. Figures presented showed that Canada's present war effort was three times that of the last war. He answered charges made by Dr. Manion and claimed them unfounded. He also drew attention to the charges made in Halton County and asked if such work was furthering Canada's war effort. During his term of office Mr. Cleaver said he had served Liberals and Conservatives alike and had given attention to all matters in the County.

Mr. Atkins, in his address, was very critical of the denial by Mr. Mackenzie King to give an accounting to parliament of his policy and conduct of the war. He cited cases of delayed allowances to dependents and lack of equipment for soldiers. He said at present it was just like kids. Manion makes a charge and Rogers says "You're there!" Quoting from the Financial Post, as one of the most reputable journals in Canada, Mr. Atkins told of the purchase of land at Vancouver at a big price. He said in the absence of the right to question the government, we are thrown on our own experience to decide the issues and charges. Mr. King had refused to assist Dr. Manion if the National government were returned. This refusal to assist Canada would be similar to General McLaughlin's refusing to lead the Canadian Army.

Mr. Atkins maintained that the civil servants were the real government of Canada, rather than the political elected government. He gave names of officials whom he considered were making a real contribution to Canada. The National candidate said men cannot get jobs making munitions and are losing millions of hours of productive labor, which is being subsidized by relief. He maintained that in this election democracy, internally and externally, were at stake. In his time allotted for reply, Mr. (Continued on Page Five)

HEAD OF HOUSE OF REFUGE IS ACQUITTED IN TRIAL

William E. Yarranton was acquitted on Thursday last of manslaughter at the trial in the death of James Gaitton, 85, inmate of the Peel County House of Refuge.

The jury deliberated 7 hours and 20 minutes before presenting a verdict not guilty to Mr. Justice Greene, who made no comment. It had not returned to the court from the time it retired at 11.25 a.m. until it brought in a verdict at 6.45 p.m. Last fall a jury deliberated six hours, returning to the court room three times before it announced it could not reach a verdict.

CAME FROM CALGARY BY PLANE TO VISIT FATHER

Mr. J. C. Leslie, of Calgary, Alta., is here visiting his father, Mr. George Leslie, who has been critically ill. Mr. Leslie flew by Trans-Canada plane, leaving Calgary at 8.45 p.m., and arriving in Milton the following day, at 1.00 p.m.

In conversation with Mr. Leslie he showed us a progress report, which is furnished by passengers on the plane from time to time. This one was when the plane was passing over Broadview, Sask. The altitude was given as 9,000 feet and the machine was at that time 6,970 feet above the ground. The air speed was 197 miles per hour and the ground speed 173 miles per hour. The temperature at this height was five above zero and the temperature at Winnipeg at that time was 23 above. The report was most interesting and showed the contact these machines have at all times. While the trip was delayed two hours on account of bad weather conditions, Mr. Leslie says it was a very pleasant means of travel.

Canadiens Won Midget Hockey League Title

Since going to press last week, five games have been played in the Midget Hockey League, thanks to the weather man, who has very kindly given us some cold weather.

On Friday, March 8th, the Red Wings undertook to give both the Leafs and Rangers a beating, to the tunes of 4 to 3 and 6 to 2, respectively.

On Monday, March 11th, all four teams played, the Red Wings trimming the Canadiens, 4-3; and the Rangers defeating the Leafs, 5-3. These games finished the schedule and found the Red Wings with 8 points, and the Canadiens and Rangers tied, with six points, and the Leafs with four points.

The first play-off game took place on Tuesday, March 12th, with the Canadiens playing Rangers. The Canadiens played as never before and proved to the other teams just what they were capable of. The score ended in a shut-out for the Canadiens, with a score of 8 to 0.

This win entitled them to meet the Red Wings, who finished first in the League, and what a game! The odds seemed to be against Canadiens when the Red Wings scored first, but they quickly tied it up. At the beginning of the last period the score was 3-2 for the Red Wings, but the Canadiens put on a new power play, by Turkoz, Fryer and Pearen, and tallied two counters, to win the championship.

The line-up was: Canadiens — Clayton, goal; forwards, Fryer, Turkoz, Evans, Stewart, Somerville and Pearen; defence, Lamb, Johnson, Woods, Hollinger.

Red Wings — Robson, goal; forwards, Beatty, Hassard, Kentzer, Adamson, Masales, Davidson; defence, Gordon, Turkoz, Papiott, Close.

Waterloo Took the Second Game, 6-5 on Tuesday Night when Dunbrook, in Goal, Shed Rubber Off Him Like Water Off a Duck's Back — Final Game for Group Championship in Kitchener Saturday — Acton Even Lost Toss for Game.

With Dunbrook turning in a stellar performance in the Waterloo nets on Tuesday, his team mates capitalized on the breaks to shoot six goals behind Woods, while the Tanners were only able to get five in the Waterloo net. Naturally, after defeating Waterloo Tigers three times this year, the predictions were for the series to go in two straight games. Waterloo proved on Tuesday that they are a fighting team and came from behind a three goal lead to make the contest one of the thrillers of the year. We've no predictions for the final game in Kitchener on Saturday night, between these two teams. But we have a story of the Tuesday game, and here's the way we saw it.

Acton went right out for goals and put everybody down to score. Play was fast for a first period. Molozze dumped Gilder and was belated, but the Tanners still pressed the play. Norm Morton, Lindsay and Pipher had some close shots. Bayliss went off for boarding Lang, and Lang followed him a little later. Hershberger drew a penalty for interference and Dunbrook stopped plenty of rubber when the Tigers were short.

Finally, at 14.20, Lindsay got the first counter, with Norm Morton and Bayliss on the play. Twenty seconds later Bayliss banged in another, and the period closed at 2.0 with the Tanners much the better.

Still on the offensive, Norm Morton scored in the first thirty seconds of the second period. Willis got Waterloo's first at 3.10, from Cotey and Brill, and then Tigers went on the offensive. Norm Morton went around the whole team and plunked in another for the Tanners at 6.40. Willis slammed Bus Morton to the boards and drew a well deserved penalty. Bus sustained a shoulder injury. Lindsay was in and Dunbrook made a nice stop and Woods stopped a couple of nice Waterloo chances. Gilder banged in one at 12.20, on Brill's pass out. Lindsay missed on two nice attempts and Norm Morton, too. Norm's shot knocked Dunbrook out, but he gamely stayed on. At 16 Willis brought one from behind the net to score and Waterloo was surmounting on the square. Terry and Bus Morton were both close.

The score was 4-3 as the period ended and Waterloo had certainly made a nice comeback in that twenty minutes.

In the final period, Pipher had one that trickled along the goal line. Norm Morton was in, but was beaten on the play. At 20 Norm Morton scored from Bayliss. At 24 Cotey broke with Schmaltz pass and scored for Waterloo. Brill crashed the boards and retired with an injured wrist. Marzo was beaten by Dunbrook, and Lindsay the same on what looked like sure counters.

Pipher and Marzo drew penalties for mixing it up. At 8.20 Lang tied the count, with Gilder's assist. Then the Tigers did put on a show and Woods (Continued on Page Five)
