Home Guard Unit Organized Acton District

The Legion Takes Leadership in This Move to Have Unit Ready for Any Emergency

Organization of a home guard unit for Acton and the district was commenced on Tuesday evening of last week, when a good group of Veterans turned out for the first drill in the Park. The Acton Branch of the Canadian Legion has undertaken this work of home defence organization. It has the unanimous approval of the Municipal Council, in conversation with Mr. J. M. McDonald, President of the Acton Legion, who has been told some of the details and aims that it is hoped to accomplish. Experiences in other countries with enemy agents and fifth columnists leaves no room for doubt but that a home guard unit is needed in every community.

It is aimed to have a trained group in Acton as large as possible to deal with any situation that may arise in this district.

It is also hoped to organize the district surrounding, activities of enemy groups or landing of parachutists may occur in rural sections. Therefore, it is essential that the group include men throughout the rural district, as many as possible.

With the present means of rapid communication, the larger group stationed in Acton could be promptly mobilized to deal with any situation that might arise and require assistance.

Regular instruction of the group will be held on Tuesday evening each week in the Park. Everyone is invited to take part. All can serve on the home front.

Glimpses of Parliament

By Hughes Cleaver, Halton's Member

Ottawa, Monday, June 24th

The week ending to-night has been the most trying one which we have experienced since the outbreak of war. France has been added to the long list of Hitler's victims. Canada's response was to pass an Act to provide for the mobilization of our wealth and man all power. This bill was finally passed on Thursday evening by an almost unanimous vote, with only one minor amendment after many amendments were ruled out of order, and after four different votes were taken by way of appeals from the ruling of the chair. This bill will mean that every able-bodied man in Canada, under 45, will be compelled to undergo a limited amount of military training, and will be subject to call in designated classes for the defence of Canada. The government has also been given power to conscript industry and all forms of goods and wealth for war purposes. This does not mean that unnecessary or unreasonable steps will be taken, but it does mean that nothing will be permitted to stand in the way of our war effort.

To-day the Minister of Finance brought down his Budget, part of which I will quote below verbatim. The estimated expenditures for the fiscal year ending March 31st, 1941, are \$448,000,000 for non-war expenditures. This is a reduction of \$77,000,000 from the amount spent last year for similar purposes. It is estimated that the war expenditures already voted \$700,000,000, more than four times the amount spent in the corresponding period of the last war, will reach \$900,000,000 by the end of the year. "Notice was received from the Ontario Municipal Electrical Association that the Convention for this year had been cancelled, on account of the war."

A copy of a letter was read which had been presented to the Council from the Bell Telephone Co. The Company was now preparing a forecast of their construction program for next year. The Company desired to know if the question of clearing the poles, from Mill Street could again be discussed with Council and the Commission.

The Commission were agreed to meet the Bell Telephone Co. officials, and Council and again discuss the matter. It was suggested that a joint meeting be held to discuss these plans.

A letter from the Municipal Council gave a copy of the resolution passed relative to the supplying of water to the Beadmore Co.

Another letter from the Acton Council notified the Commission that they did not agree with the apportioning of costs regarding the collection of taxes. The Council agreed to pay \$150 a year for the collection of taxes and asked for an agreement to this effect. If this was not agreeable the Municipality would have to secure other means of collection.

The Secretary was instructed to write the Council requesting that they pay the 1938 account, as rendered, and stating that the Commission was not prepared to enter into any contract. It was desired to make other arrangements for this collecting, the Commission was agreed to this change. Attention of the Commission was drawn to the unsatisfactory condition that occurred when lists of arrears were used by Council that had not been brought up-to-date and collection letters were sent out from these cut-of-date lists, which included names of ratepayers who had all arrears paid for some months.

The list of water and light arrears was checked by the Commission and instructions issued for attention of each. The Secretary was instructed to transfer \$500 from the Waterworks Account to the General Account of the Corporation.

It was agreed that Miss Speight could arrange for her holidays the last two weeks in July. Miss Mary Young was to be secured as a supply for the office.

STRAWBERRY FESTIVAL MOVES INDOORS TO PROVIDE GOOD EVENT

An Indoor Strawberry Festival was held by Knox Young Women's Auxiliary on Tuesday evening in the Sunday School room. This was advertised as a lawn social, to be held at the home of Mr. and Mrs. A. J. Mann, but plans had to be changed Tuesday morning, when the weather continued stormy.

Garden flowers were used throughout the party. Strawberry portcake was plentiful and a good program was provided, and an enjoyable evening was spent in spite of the wretched weather.

The Orchestra provided music while the people were assembling and during the program. Mr. M. M. Leitch made a very capable chairman. Mr. W. Burton led in a sing-song. Miss Flora Savers gave readings and Mrs. Wm. Hall entertained with musical numbers. Mr. J. Mann and Mr. T. H. Gibbons, Jr. rendered musical numbers and were called back several times. The male quartette rendered several numbers. The quartette consisted of Messrs. Salt, Mann, Burton and Muselle. Mr. Burton rendered solos and Mr. W. Coles and Mr. George Muselle sang a duet. Mr. Coles loathed with the quartette when they entered "There'll Always Be An England." Miss Gwen Dobble and Mrs. Alex. Mann gave piano duets.

A pick-up bag contest was conducted by Mr. Charles Kirkness and created a bit of fun, and the contestants received prizes. During intermission the ladies served strawberry shortcake, pie and ice cream and other good things to eat. At the close Miss Bessie Rawlings invited a vote of thanks to the artists who had so willingly provided such a good program. Everyone thought the Indoor Festival had proved as enjoyable as previous outdoor socials.

Just Fishing

Perhaps readers may like to read again our annual fish story. It does seem that they vary in many respects, even if the place is the same and the company is unchanged. In spite of the fact that some of the assertions likely to be made may be doubted, we do ask our readers to believe that we have not taken out membership in any Annapis Club.

The party, Messrs. C. H. Harrison, Toronto; H. Cleave, Georgetown; A. Mason, Acton; and the editor. Three of them ex-Reeves, two of them former County Wardens, and one whose only municipal office had been six months on a School Board. There was another item perhaps you will have noticed, that both political parties were pretty evenly balanced.

The party was again at Opeongo Lake, fourteen miles from Dorset to the entrance of Algonquin Park, then thirty-four miles through the Park, and a final four miles over a bush road that is improved quite a bit now from our first trip. A parking lot there is necessary because the last mile has to be completed by motor boat.

It was a dirty rain when we landed at the final hut on Thursday night and the weather was cool. The wind was blowing and that trip up to Opeongo Lake didn't promise much pleasure for a day out in this fair-sized Northern Ontario lake. A good wood fire in the cabin made the place very cheerful and comfortable. Plenty of deer were noted along the Park road.

Friday morning was dull but not raining. The wind had the lake pretty well lashed up. Winter clothes were essential and we even wished we had brought along a pair of woolen mitts. It's over an hour's trip by motor boat, to the north arm of Opeongo Lake, where our guides had decided to fish that day. Joe Fuller was the guide of the Cleave-Dills company, and Bill Clayton was

Five Years for Burglar Caught in Acton Home

James Thompson Captured Here Had Lengthy Prison Record — Had Been Out of Jail 42 Days

The burglar who was captured in Acton last Wednesday night by Stan Anderson was one of the worst of criminals, with a lengthy record, and a whole string of aliases.

Yesterday he came up for trial in Milton before Magistrate Woodliffe and was sentenced to five years in Kingston Penitentiary. On Saturday Toronto police identified a watch and chain found on him as property stolen in Toronto. He will go to the city before serving his sentence, for trial on a charge there.

James Thompson was only one of the names he assumed. He was known on police records as James Coulter, James Parrell, James Lee and had used the name of Wilson, too. He had been out of jail just 42 days, after completing a sentence of ten years in penitentiary. His total prison record is 25 years and 3 months.

Chief E. Harrop was in Milton yesterday in connection with the trial. Thompson pleaded guilty to the charge preferred against him.

Acton Juveniles Win from Milton 8-6 on Friday

Georgetown to Come Here on July 5th for the Next Game of Locals

The Acton juveniles won their home game in the Halton baseball loop by defeating Milton, 8-6, last Friday night. Very few fans were in attendance and the youngsters are putting out some smart playing that is deserving of more interest.

Milton squeezed in a run in their first turn, to bat, then added to the lead in the next inning. The locals failed to let this get them down and in a rally tied the game in the second. The next inning saw the visitors trailing and they were kept on the short end of the score from then on to the finish. The batting order:

Milton—L. Evans, 2b; Gervais, cf; Toletata, 3b; H. Evans, ss; Scott, 1b; c; Kennedy, p; Greinke, c; McDugue, 1b; Armstrong, rf; Wilson, p; Ford, 1b; Anderson, 1b.

Acton—Manno, 3b; Lambert, ss; Blow, 1b; Masalle, 2b; Powers, lf; Chapman, cf; Allan, rf; Robson, c; Holmes, p.

Score by Innings:

Milton	120	002	1-6	8	1
Acton	031	040	4-8	7	1

In Monday's game at Milton the home team defeated Georgetown, 13-6. The three teams in the Halton loop are all tied up at one win and one loss each.

The locals will be idle until Friday, July 6th, when Georgetown makes their first appearance here, and the locals are out for revenge.

Two Pretty Weddings in Acton Churches Saturday

Miss Velma Murray Became Bride of Mr. Lloyd E. Millar at United Church Ceremony — Miss Renetta Waller Bride of Mr. Fred Cook at Wedding Solemnized in St. Alban's Church.

Miss Velma Murray, daughter of Mr. and Mrs. G. W. Murray, of Acton and Mr. Lloyd E. Millar, son of Mr. and Mrs. Charles Millar, of Freeman, Ontario, were united in marriage during a very lovely service held on Saturday afternoon at three o'clock in the United Church in Acton. Rev. G. C. Gifford, of Acton, performed the ceremony in which the bride was given in marriage by her father. Ferns and palms formed a background for a profusion of roses, orange blossoms and peonies which decorated the church.

The bride was gowned in emossed marquisette in white over white satin made on princess lines with full-length train. Her veil, which fell to the end of the train, was shirred in deep folds from a coronet of white heather and orange blossoms. She carried a shower bouquet of Token roses and bouvardia and an hiproom handkerchief that had been carried by a great aunt on the latter's wedding day.

Two attractive attendants formed the bridal party. They were Mrs. K. Williams of Wingham, as matron of honor, and Miss Mabel McGregor, cousin of the bride, as bridesmaid. The matron of honor was in pink, mouseline de soie over taffeta, trimmed with turquoise velvet ribbon. She wore a blue velvet flower hat, with pink velvet streamers, long pink lace mittens and carried a bouquet of Briarcliff roses and bouvardia. The bridesmaid wore a gown fashioned similarly to that of the matron of honor, but in blue mouseline de soie over taffeta, trimmed with pink velvet ribbon. She wore long pink lace mittens and pink velvet flower hat, trimmed with blue velvet streamers. Her flowers were butterfly roses and bouvardia.

Mr. Lorne McIntosh, of Guelph, acted as best man and Mr. Stewart Kerns, of Freeman, and Mr. Harvey Millar, Campbellville, cousin of the groom, as ushers.

Miss Fern Brown, organist of the church, played the wedding music and during the signing of the register, Mrs. William Maxwell, of Guelph, sang as a solo, "Through the Years."

About 100 guests attended a reception which followed the ceremony and was held at the home of the bride's parents near Acton, prettily decorated with summer flowers, roses, orange blossoms, snapdragons and peonies, all in pink and white. The bride's table was decorated with orange blossoms and bows of white satin ribbon on each corner, centered with the three-storied wedding cake and
