Half Way Mark Reached on Purchase of Spitfire

Mayor R.-W. Birkett, of Acton. England, Acknowledges Assistance from Acton, Canada, in Letter to Reeve J. B. Chalmers - Hope to Have Plane Bear Motto, "Floreat Actona."

This week Reeve J. B. Chalmers received the following letter from Mayor Birkett, of Acton, England, who acknowledges the contribution from Acton, Canada of £222 toward the purchase of a Spitfire fighter:

Mayor's Parlor. Town Hall, Acton, London, W. 3. 7th November, 1940

My Dear Reeve: SPITFIRE FUND I have just received from the London Branch of the Bank of Montreal a cheque for £222, proceeds of the collection made in your town on behalf of my Borough's Spitfire

I am particularly moved by this proof of the feeling of our friends in Canada, and of their sympathy with our National effort, and I shall be grateful if you will convey to all who have taken part an expression of my gratitude. I realize that such a splendid effort from so comparatively small community must have entailed considerable

You will be glad to know that we have now passed the half-way mark towards our goal (£5,000, the amount necessary to purchase a fighter plane), and I hope that when we are able to send the full amount necessary to the Minister of Aircraft Production we shall be able to have it named "Floreat Actona," the motto of both our rowns.

> I remain. ---Yours faithfully. R W BIRKETT

Again with sincere thanks.
