Georgetown Won 7-5 In O.H.A. Game Here

Former Tanner Players Had Good Share in the Scoring Honors — Jack Kentner's Boys Led All the Way — Game Provided Good Hockey Contest.

Miss N. Anderson Addressed Knox W. M. Society

The W.M.S. of Knox Church met at the home of Mrs. F. S. Blow, on February 13th, for the monthly meeting, with Mrs. George Murray presiding.

Mrs. W. Lasky and Rev. H. L. Bonnie lead the devotional period and Mrs. C. Lehman contributed a solo. Reports of the annual meeting of Guelph Presbyterian Society were given by Mrs. R. M. McDonald and Mrs. E. J. Hassard.

Guelph had the most scoring chances as the game opened, but were weak on their shots on goal, and Burrows, the Georgetown youngster in goal, made a good job of not minding. Lindsay and Murphy got Georgetown's first tally at 8:10—an early break. Kaiser, of Guelph, failed with only the goalie to beat. Anthony drew a penalty for tripping an opponent with his stick. Georgetown had some luck as Guelph pressed, but Burrows did a neat job, too. Just 15 seconds before the end of the period, Lindsay scored again, on an assist from Mooney, to make it 2-0 for Georgetown.

Both goalies were lucky on close ones as the second period opened. But Guelph had a spell of badly disorganized hockey. Kempshied scored another for Georgetown at 7:15, with Ward getting the assist. Guelph came right back and Moran got their first count just ten seconds later. Play took on more of a contest than Kempshied got his own rebound past

Zest in the Guelph nets, at 8:58, Heyd, of Guelph, drew a penalty for tripping, Davidson, of Georgetown, scored on a goal at 15:31. Heyd and Morrison combined at 18:55 to make the score 6-2 at the period closed.

Just three minutes and ten seconds after the third period opened, Heyd scored on an assist from Moran. At 6:15 Moran counted on Harrington's pass and it looked as if Guelph might knot the count. But the look was only a squint, because thirty-four seconds later Mooney scored on Lindsay's pass. Georgetown, who had been slipping a bit, came back strong, but Guelph put everybody down and ganged-up the Paper Town boys. Kaiser went through again, but little Burrows made "his" shot look "easy." Ward got right in but Zest beat him at 15:30 Morrison scored from Harrington. Zest, in the Guelph net, stopped plenty of rubber before Davidson scored on him, on Mooney's assist, at 18:22, to end the game at 7-5 for Georgetown; and the best team won.

The line-up was: Georgetown—Burrows, Goal; Marzo and Anthony, defense; Kempshied, centre; Ward and Richardson, wings; Mooney, Lindsay, Davidson, Murphy and Bakogeorge, alternates. Guelph—Zest, goal; Thompson and Heyd, defense; Kaiser, centre; Moran and Ridge, wings; Harrington, Cosens, Morrison, Anderson and Pipher, alternates.

Referee: "Did" Brush, Milton.

OVER THE BOARDS

Georgetown also provided the music and brought along a band to entertain the evening.

Two that didn't appear on the ice that are helping in the Georgetown hockey management this year are Jack Kentner, coach and manager, of Acton, and Ernie Coles, a former Actonian, now residing in Georgetown.

They tell us it appears to be Fergus and Georgetown for the play-offs. Any games between these teams would draw a bumper crowd here.

Even hope we get a chance to write up one of these games. But, we know now that hope is worthless.

It was thought its life might be saved, but the animal died, either from injury or shock, before Dr. Onkes, veterinarian, arrived. Communicating with County Game Warden L. Bony, Chief Harrop disposed of the animal. It was a fine doe, weighing between 175 and 200 pounds.

These were but a few of the meetings held during the past two weeks.

There was no doubt many other Halton residents, in addition to those mentioned received well deserved recognition. To all, we join with our regards in extending congratulations.

We could hear a plane circling and at times he came almost to the rooftops. Mrs. Ted Hamilton, Campbellville resident, related, "The machine was one of six in a convoy, she added. "It was storming terribly here that night when he landed."

The pilot was given first aid at Campbellville and later removed to Toronto. The machine remained in the field, where it landed, guarded by Provincial police from Milton.

"We were flying through tough weather, on our way to Milton, when I noticed the fuel pressure dropping, the pilot said, in explaining why he was forced down.

He was rushed to the office of Dr. Bruce Freed, who reported a scalp wound with the loss of his upper teeth.

Three of the machines in the flight landed at Toronto Island Airport, a fourth at Malton and a fifth in a field south of Guelph. They were enroute from Windsor to Uplands.

Splendid Response from Industries to War Savings

Public School Team Wins from Milton Entry

Last week Acton Public School played home and home games with Milton Public School. The Acton boys, who lost heavily in softball, decided to make a better showing for themselves. In Acton they defeated Milton, 6-1. The ice was kept and the boys played an excellent game. Last Thursday, through the generosity of Mr. J. J. Stewart and Mr. Harold Force, the boys journeyed to Milton and defeated the Brock Lay- ers, 2-0.

This Friday the boys are going to Georgetown for another Inter-School game.

The Acton line-up: Goal, Don Force; defense, Lloyd Robinson, Jack Kentner; forward, John Palmer, Jack Stewart, Jack Crawford; subs, Fife Somerville, Eric Johnson, Ken Adamson, Bill Clayton.

Local reports indicate that Acton and district is lining up with the rest of the Dominion and taking a tremendous interest in recruiting for service on the home front. Pledges to buy War Savings Certificates regularly are moving in the right direction to reach the quota set for Acton of 800 regular savers.

This week the drive was centred on industries in Acton, with a splendid response and the workers who are not wearing the "War Savers" button are very much in the minority.

Employees of the Force Electric Co. are recruited 100 per cent, with every employee signing.

At the Mason Knitting Co., 94% of the employees are signed up for regular savings.

With an incomplete task of the 113 employees at the Beardmore Co. plant, first check up showed 75.8 per cent of the total signed up for regular savings. This figure is not complete by any means and is based on the total number, including occasional workers on the big staff.

The Storey Glove Company report 88% of all the employees in that plant as regular War Savers, and of course these figures will go
