

THE RAW RECRUIT

He doesn't mind the marching and he doesn't mind the heat. He doesn't mind the marching and he doesn't mind the heat. He doesn't mind the marching and he doesn't mind the heat.

Twenty Years Ago

From the issue of the Free Press of Thursday, March 3, 1921. There was more shovelling of snow last Sunday morning than on any previous morning this year.

The Sunday School Lesson

FOR SUNDAY, MARCH 2nd

THE AUTHORITY OF JESUS Golden Text: Why call ye me Lord, and do not the things which I say? Luke 6: 46. Lesson Text: Luke 19: 1-10. 8.

Following this great (11:27) Jesus tells the parable of the pounds. The reason why He does it in Mt. 13: 12 is that the kingdom of God would be established immediately.

NIGHT BOMBERS GUIDES

Have a Peace Industry to Welcome Them After the War

Great Britain is sending overseas £100,000 worth more clocks a year than she did in the last twelve months of peace, although 95 per cent. of those who make them now turn up and produce instruments for aircraft, detonators, and other war necessities.

The Week at OTTAWA

Specially Written for The Acton Free Press by JOHN DAUBHINEE Canadian Press Staff Writer

OTTAWA, Feb. 26 (C.P.)—After four days' debate on the resolution preparatory to introduction of the war appropriation bill, the House of Commons opened this week with consideration of the main estimates for 1941-42.

Germany's Real Strength in Air

Germany's strength in the air is estimated at an absolute total of 40,000 machines, of which fewer than 18,000 are combat types.

Germany's strength in the air is estimated at an absolute total of 40,000 machines, of which fewer than 18,000 are combat types. The number available for full operation at any given time is about 9,000.

New Lancashire Fabric

For Making Gloves, Slippers, Curtains and Windproof Jackets

Lancashire announces a new cotton fabric in the form of what was once made in Germany and Czechoslovakia. Its uses are most varied.

RAWSON In Acton, on Thursday, February 10, 1921, Mr. and Mrs. Richard Rawson, a daughter. HAVIL At 423 Victoria Avenue, St. Lambert, Que., on Thursday, February 17, 1921, to Mr. and Mrs. F. E. Havil a son.

Iron Man

Climbs Steep Coal Seams, Remote from Human Control

It is now possible to cut coal without any men at hand, on a steep coal face with a gradient of 60 degrees. This remarkable advance in the technique of coal mining has been brought about by a famous engineering firm in Scotland.

TIME FRASES, LESSONS

LONDON (C.P.)—Declaring fatigue lessons from the First Great War seem to have been ignored. The National Expenditure Committee urges reduction in working hours of munition workers.

Carrots Boost Pilot's Sight

Widowed Mother Listens for Drone of lanes — Her Boy Won the D.F.C.

London, February 26 (C.P.)—A grey-haired widow's front teeth faded when she hears the drone of Royal Air Force fighter planes as they grope through the darkness for German bombers behind the Andromeda screen of one of them may be pressed the nose of her eldest son, a 23-year-old lad who eats carrots to keep his eyesight keen.

French Soldier on Occupied France

Le Travailleur a weekly publisher in Worcester, Massachusetts, prints these words from a French soldier: "I beg of you do not believe the lies contained in our press and our radio which are either in the hands of the Nazis or under their orders."

Planned Advertising BRINGS RESULTS

Newspapermen are often asked to what percentage of sales a local merchant should devote to advertising. Studies made by experts give the percentage of gross sales as follows:

Table with 2 columns: Department Stores, Grocery Stores, Meat Markets, Drug Stores, Hardware Stores, etc. and their respective percentages.

May we recommend most sincerely, if you are contemplating a change in your advertising policy, that you plan your advertising expenditures six months to a year in advance.

For that, to our positive knowledge, gained through hard experience, is the manner in which advertising results are best obtained.

Yours, to use.
