IN MEMORIAM

GIBBONS—In loving memory of a dear husband and father, John Gibbons, who passed away March 1st, 1939.

We who loved you sadly miss you As it dawns another year,
In our lonely hours of thinking Thoughts of you are ever near.
Sadly missed by his loving WIFE and SONS.

GIBBONS—In loving memory of John Gibbons, who passed away March 1st, 1939.

Sometimes a note of an old-fashioned song
Brings us a thought of you;
Sometimes a flower as we pass along,
Or a sky that is azure blue,
Or a silver lining in the clouds,
When the sun shines so peacefully through.

Ever remembered by Mr. and Mrs. J. Waters and family.

Odds and Ends

Lent started yesterday. Easter Sunday will be April 13th.

To-morrow is the last day of February. It has been a real winter month.

The daylight saving period is now adjusted so that working-hours are now nearly all daylight.

Some splendid displays have been made in the shop windows in connection with the War Savings Campaign.

A thermometer in A. T. Brown's window indicates the progress of the War Savings Campaign in Acton and district.

The local housing situation continues a serious problem. There just aren't any vacant houses or parts of houses.

Finishing touches are being given the new Bank of Nova Scotia building and it is expected the branch will move into the new quarters on March 8th.

Miss Ursula McDonald passed with honors her theory examination in harmony at Toronto Conservatory of Music. Acton friends extend congratulations.

There were no criminal cases on the docket at the County Court in Milton this week, and Mr. Justice C. P. Plaxson was presented with the customary white gloves.

You have a partnership with men in the Air Force, in the Army and in the Navy. Are you living up to it? You can, by pledging to buy War Savings Certificates for the duration.

Mr. George Mason, 18, is making considerable alterations to his residence on Lake Avenue. A new garage adjoining the house, with two extra rooms is being built and the heating system changed.

JOHN CRAWSHAW

A well-known and highly respected resident of Esquimaux township, John Crawshaw, passed away at his home near Speyside on Friday, February 14, in his 71st year. He had been ill for three months, and in spite of all the care loving hands could do, he passed on in peace.

Mr. Crawshaw came to this country from Boothby Lincolnshire, England, when just a lad of 3 years with his only brother three years of age, and his late parents, Mr. and Mrs. Henry Crawshaw and for some time the family lived in Limerhouse where Mr. Crawshaw Sr., and his two sons followed the trade of stone cutters, and attended regularly the old Limerhouse Methodist Church.

Mr. Crawshaw was married to Emily, who had a lad of 3 years with his only brother three years of age, and his late parents, Mr. and Mrs. Henry Crawshaw and for some time the family lived in Limerhouse where Mr. Crawshaw Sr., and his two sons followed the trade of stone cutters, and attended regularly the old Limerhouse Methodist Church.

When we have a job to do in ACTON we usually do it . . .

Here in Acton we pride ourselves that we are good citizens. We're challenged to prove it NOW.

This community, and all communities in Canada, must work and save and LEND to win the war.

Some will buy War Bonds. ALL can buy War Savings Certificates.

It's a small thing we're asked to do when we consider the sacrifices that others are making.

We are only asked to LEND our money . . . and we will get it back . . . with interest.

Let all of us budget to buy all the War Savings Certificates we can. Budget to buy them regularly as long as the war lasts.

Let's show the boys from the fighting forces that we are ALL back of them!

A Plan for Hospital Care For Ontario

TORONTO, Feb. 26. For the price of a postage stamp daily, employed persons in Ontario may now protect themselves against possible hospitalization expense in connection with illness affecting themselves or their dependents.

This was announced today by C. J. Decker, president of the Ontario Hospital Association, at a meeting at the Royal York Hotel when the plan for hospital care was inaugurated. N. H. Sanders of Toronto was appointed managing director of the plan.

Enrollment in the plan for hospital care is open to groups of employed workers throughout the province, it was announced by Mr. Decker.

Similar community services in the United States have about 6,000,000 subscribers enrolled in 66 community and state-wide plans," he stated, "while that operated in Manitoba is now entering on its third successful year."

For less than two cents a day an employed worker will under the terms of the plan's contract, be entitled to standard hospital accommodation for a period of 21 days in any one year. For less than three and one-half cents a day, he may secure the same benefit to all members of his family.

Inaugurated by the Ontario Hospital Association, the plan has the endorsement of the Ontario Medical Association and the Academy of Medicine while Hon. Harold J. Kirby, Minister of Health for Ontario, has approved its schedule of rates and benefits.

Specifically, the plan guarantees its subscribers complete hospitalization for 50 cents monthly for the individual, or \$1.00 monthly for an entire family. Standard accommodation is provided. Participating hospitals will require no cash deposit on admittance of a subscriber or his dependent. The hospital bill will be rendered to and paid directly by the plan. The benefits consist entirely of hospital service and cash indemnity is not paid to the subscriber.

In addition to the routine services of the hospital, the subscriber will be entitled to:

Use of operating room as often as necessary.

Anaesthesia material and equipment.

Routine laboratory services.

All ordinary drugs and medicines. Dressings and plaster casts.

One half the hospital charges for maternity cases, including delivery room service and ordinary nursery care of the baby.

The subscriber will have free choice of hospitals and free choice of doctors, it was stated.

The board of administration, which serves on a voluntary basis, includes R. Fraser Armstrong, Kingston; J. Clark Keith, Windsor; F. H. Holmes,

When we have a job to do in ACTON we usually do it . . .

Four Presidents of The Canadian Pacific Railway

George Stephen became the company's first president on February 17, 1881. His was the task of financing the project; to attract investors under unfavorable conditions because ten years of government effort to build the line had placed the whole thing in bad odor; to borrow from the government, which was even more difficult; to fight off the creditors, to bear the brunt of the most bitter opposition from political and business enemies. The line was completed in 1883, the first through train was operated in 1885, and the company was founded as a C.P.R. in 1907.

William Van Horne was the practical engineer, the man whose sharp wits paved the way for the completion of the Canadian Pacific Railway. He was a public servant whose whole career was devoted to the advancement of Canada. Sir Edward Beatty became president in the last months of the 1920s. He was the company's champion through the post-war depression and the greatest period of prosperity and worst depression of the world has ever known. He is now giving intelligent and strong leadership under the changed conditions imposed by the present war. He has been active in a score of other companies, has lent his full support to all organizations working for national improvement and is now serving as representative in Canada of the British Ministry of Shipping.

Of the many honors conferred on this dynamic leader, the most important came to him in 1935 when he was made a Knight Grand Cross of the Most Excellent Order of the British Empire.
