County Council Gives \$300 to Proposed Organization

Only One Dissenting Voice Ruled Against Proposal.—Lorne Seats Also Get Increased Grant.—Resolutions from Other Municipalities Are Endorsed—Equalization Again to the Fore-front.

Drastic Action To be Taken on Utilities Arrears

Use of Water and Electric Services Continues on the Increase

Halton County Council held its third meeting of the year in Milton on Tuesday with all members present.

In the forenoon communications and minutes of the last meeting were read by the clerk. In the afternoon committee meetings were held by the Good Roads Committee and the Agricultural committee prior to the general meeting of the council.

When council finally reassembled in regular session a delegation of officers from the county regiment waited upon the council. Colonel Fitzgerald, former commanding officer of the regiment introduced his successor Colonel R. V. Conover.

Col. Conover gave a short outline of the activities of his regiment and regretted that the department had not yet called them to active service. Because many of the men were anxious for overseas service 500 of them had already transferred to other regiments according to the Colonel. He also stated there were at present about 825 in the regiment, 600 of whom had expressed willingness for active service.

Asked if he could give any reason why the Lorne Seats had not been called earlier Conover stated that it was probably due to the fact that when the war first started, Colonel Keane who previously commanded the Lorne Seats, had applied for the regiment to be represented as a Base unit. This had been done and those officers and men appointed had been sent overseas. But now it was felt this representation was not enough and Colonel Conover said: "We would appreciate it very much if this council would draft a resolution, that this regiment should be mobilized. We are doing good work individually, but, as men are being drafted into other regiments our regiment as a whole is not getting any credit. And we are ready to go at any time the call should come." Col. Conover also asked for the usual grant from the county.

A delegation of farmers representing the Federation of Agriculture was also present, their spokesman being Mr. Paul Fisher. Mr. Fisher outlined the aims and purposes of the Federation and asked that the council give them a grant to help finance this organization. Towards the end of the meeting when this matter was under discussion a somewhat heated argument took place after it had been moved by Mr. Hall and seconded by Mr. Robertson that a grant of \$300 be made to the Halton Federation of Agriculture. The dissenting voice was that of Reeve Harold Cleave of Georgetown. Mr. Cleave agreed that the farmers were not getting a square deal and that they should get better prices for what they had but he questioned whether it was a fair thing to expect the general taxpayer to support an organization which was entirely to the benefit of the farmer. Mr. Cleave felt the proposed \$100 tax which it had been suggested should be levied against the farmer should be sufficient to finance the organization and if it were not then, the membership fee should be raised. However, since the other members all presented the case of the farmer and thought the motion was quite in order they carried the motion.

Committee reports submitted in Committee of Whole with Mr. Flory as chairman were as follows:

SISTER SUE AT DUBLIN LITERARY

On Friday evening the Dublin Literary met in the school with the president Walter Linham, in charge. It was decided to have a tongue-twister for the roll call on the next meeting.

Stewart Elliot very capably acted as chairman for the program. Mrs. David Joe favored the society with a reading. Doreen Steele and Eleanor Ross rendered a piano duet, and Betty Britton gave a reading. "Sister Sue" a one-act comedy play was then presented under leadership of Walter Linham, by the following cast: Mr. Cutts, Mrs. W. Linham, Dorothy Barber, Vera Webster, Molly Cutts, Lawrence Webster and Jimmie Melson. The meeting closed with the National Anthem. Luncheon was served and a very enjoyable evening of dancing spent.

MARCIUM MEETING

ACTON BRANCH OF WOMEN'S INSTITUTE

The March meeting of the Acton Women's Institute was held at the home of Mrs. J. E. Gamble with the president, Mrs. Lapkin in charge. After the opening exercises, the motto "Learn to Know You Neighbor" was given. Current Events were given by Mrs. Wilderspin, Roll. Summer Cooking" when some real tips were given.

It was decided to send a donation to the War Victims Fund, also to send a baby's layette through Mrs. Atkins, in Toronto, for the needs of England and arrangements were made for more socks. A story of "The Adventure of Mr. Todd" was read and slips had been passed around and each filled in the spaces. It was very amusing and caused some real fun. A St. Patrick's social was enjoyed and the social committee served all the good things. In April the branch will visit Mrs. Earl Lambert.

SUNDAY SCHOOL VAN WORKERS INTERESTING STORY

A story of great interest was told Friday afternoon at a small meeting in St. Albans Rectory of Sunday School Van workers covering an area and the size of Europe in western Canada. The speaker was Miss Iris Sayle of Winchester, England who has been walking with Miss Eva herself the founder since 1926. The first van went out in 1920 and now the Church of England has twenty-four of them manned by voluntary tennis stricken teacher and a motor mechanic (both women). They have reached lonely settlers and ministered to both physical and spiritual needs. They are licensed to conduct services.

At the meeting of Acton Public Utilities Commission on Tuesday evening accounts were passed for payment as follows:

Hydro Dept.	\$5.57
Hill Telephone Co., services	3,061.51
Hydro-Electric Corp., supplies	32.15
Hydro Inspection Dept. fees	2.20
Maffatt Ltd., repairs	2.07
Canadian General Electric Co., supplies	20.11
Dept. of Finance and Com- mire, metre inspection	6.60
C.N.R. and transports	2.61
Dept. of National Revenue, sales tax	72.57
Acton Fire Dept., printing	22.11
	\$3,236.93

A report was received from the inspection department of the government in Hamilton on the metres used in Norton Motors. These were certified to be correct within the limits allowed.

The list of arrears was checked and a motion was passed that all services in Arrows on May 31st would be discontinued. On cases where repeated notices had been sent these services were to be disconnected immediately. This order applies to both hydro and water services.

The superintendent reported that pumping of water was now normal and increased from that of a year ago. The repair of water metres and putting more metres in service was discussed.

It was decided by motion to purchase gasoline from the local dealers rather than as at present from the supply at the fire pump house for use in the truck. This would enable the Corporation to secure a rebate on the tax.

All the commissioners were present at this meeting.

Halton Seed Fair Attracts Record Entry and Crowd

Junior Farmers' Judging Competition Held at Same Time

The Prize Winners

The sixth annual Halton Seed Fair

was held in the Milton Town Hall on Friday and Saturday, March 7 and 8. The entry was the largest ever.

The decision for the best half hour

program went to the Norval club

whose program consisted of vocal

soloists in various groups and the

special classes for ten hundred lots of

small oats and barley were special

features. According to C. L. S. Palmer

of the Dominion Seed Branch and

W. W. Wells of the Field Husbandry

Department, O.A.C., who were the

official judges, the quality of the

grain was most excellent and com-

pared favorably with any grain ex-

hibited in former years. The "Eaton

Trophies" which were offered

for the championship jobs in both

small seeds and cereal grains were

awarded to Norman Cartelton,

Hornby and Bruce Brighden, George-

town respectively. Similar trophies

were awarded as master of ceremo-

nies to the respective groups. Nor-

val, Lorne Landy, Acton, Mansell

Nellett, Palmer, George Atkins, Mil-

ton, Wm. Tolton. The evening's en-

tertainment was brought to a con-

clusion by a short dance.

The exhibits were shown in un-

ited form by the Halton Crop Im-

provement Association and these

coupled with some excellent

educational displays made the hall

a very attractive appearance. At the

special session held on Saturday af-

ternoon, the hall was filled to ea-

ctly. President J. H. Willmott of Mil-

ton acted as chairman. Mr. J. A. Car-

roll, superintendent of Agricul-

ture, spoke briefly. Mr. C. L. Palmer

of the Dominion Seed Branch and

W. W. Wells of the Field Husbandry

Department, O.A.C., were the

judges. The results were as follows:

Top rankers in the Midget League

are the Mason Knits and the

Stoney Gloves, coached by Sar-

geous and Cliff Young respectively

and the Wood Cobblers and Tamers

coached by W. Benson and M. Leifer
