LIMEHOUSE

A number of the friends and neighbors of the McDonald family called on them after church on Sunday afternoon to present Clifford with a gift before he moves with the Lorne Scots. Mrs. S. Gishy came forward with a leather hill fold, a fountain pen and pencil set and a collapsible leather kit, containing a shaving set, while Mrs. A. Beaton read the following address:

Limehouse, June 8th, 1941.
Dear Clifford:

This happy yet sad little gathering has but a small representation of your many friends in this community. Happy because you are willing to answer to your country's and the Empire's call; sad because we are going to be separated from you for a time and in separation there is always sadness. You have always been willing to help with any sacrifice, whether at your home or elsewhere, and we hope that by the will of the Almighty you will be with us again in the not too distant future.

As a slight token of the esteem in which you are held in this community may we present you with these little gifts. And as you use them in your daily life away from us may they remind you of your associations at Limehouse. Good luck and God bless you and keep you safe until we return.

God bless our brave men everywhere. On sea and land and in the air. Be Thou their help wherefore befaul and in Thy mercy hear their call. Forgive our sin, relieve our pain.

Pte. Karl Frank of the Lorne Scots Hamilton, is home on leave.

Mrs. Alan Feirer and baby, Hamilton, spent a few days at the home of her parents Mr. and Mrs. Wm. Servi.

Signed on behalf of your friends and neighbors:

MARY GISHY,
MAXINE ELLERY,
STEPHEN NORRIE,
ARTHUR BENTON.

It being the occasion of Mrs. McDonald's birthday also, Marion Norrie, on behalf of Limehouse community presented her with a large bouquet.

The regular June meeting of the Limehouse Women's Institute was held at the home of Mrs. Gowdy on Thursday afternoon with eleven ladies attending and the president Mrs. Ellery in the chair. An incident of pioneer days was the roll call and some proved rather interesting. It was decided to pack another carton for the Salvation Army soon and to hold a quilting once a week if possible throughout the summer, missing the week of our regular meeting. Mrs. Gishy and Mrs. Norrie were chosen as captains. It was decided to get a gift for a local boy in the army and a baby book for a new baby whose mother is a member. Twenty dollars is to be spent during the season for Jane overseas and donations to be given for war work as follows: twenty-five dollars to the Salvation Army, twenty-five dollars to the Georgetown Red Cross and ten dollars to the Central Fund of the Women's Institute.

Mrs. Gowdy was asked to collect clippings concerning the doings of the Women's Institute for the county scrap book. Any news concerning the age of our branch and the names of the first officers and members would be appreciated.
