Some of the ladies gathered here this afternoon represent the members of the Limehouse Women's Institute of which you have been a member for the past three and a half years. We have found you a faithful helper in anything you undertook to do. The number associated with our organization is small and so the removal of a member seems greater.

Those of us who have lived nearest to you will perhaps miss and grieve as you have been a kind and good neighbor.

Fortunately, your new home is not far away and perhaps it will be convenient for you to find your way back to our social affairs and to visit among us.

On behalf of the Limehouse Women's Institute may we leave with you this little gift. Although not valuable, we hope that it may remind you a little of the burg which you have called home for over nine years.

Signed on behalf of the members of the Limehouse Women's Institute: Marie Ellery, President; Isabel Beaton, Sec.-Treasurer.

You have always taken part so ably in anything we have asked you to do and been so willing to help in all our undertakings. You have always been a real inspiration in our meetings.

We shall never forget you but just for fear you might forget us we ask you to accept this token of our regard for you. Girls' Lookout Club, Limehouse, Ont.
