HALTON HOLSTEIN BREEDERS STAGE RECORD SHOW

The third annual show of the Halton Holstein Breeders was staged at Milton on September 27th. And what a show, the little county of Halton of four townships brought forth convincing evidence of their alogan "The County with more holsteins per square mile than any other county in the dominion." Shortage of labor, short crops and the bluy season coupled with the recent windstorm which blew down numerous allos at a most inopportune time, couldn't keep them away. No less than 37 Halton breeders brought out one or more animals making a total of 132 individual animals. Furthermore, almost without exception they brought out their animals clipped and well halter broken. It-looked like another C.N.E. when one saw 14 cows in milk out in the Mature Class, 13 progenys of Dam 13 "Gets" and 13 herds. In the latter class 52 animals were in the ring

at the one time. W. S. Hall of Oakville contributed the largest number of animals and incidentally won the junior female championship on his senior yearling helfer Montvic Hlemke Rag Apple Vera. Robinson Bros. were the premier exhibitors winning the senior and grand championship on their 2 year old bull Leeholm Sir Texal junior championship on their senior bull calf Credholme Francy Segis; senior and grand champion female on Dalay Gano Hartog, their five 9:53 a.m., 2:23 p.m., b 6:18 p.m., 8:08 year old dry cow. The same breeders won the strong herd class as well as the strong wet cow class and the junior yearling helfer class. T. I. Leslie & Son were also well to the fore in several classes topping th progeny class with twin four-year old daughters of Grace Rauwerd Dewdrop and also with the winning get of Lonsdale Texal Boy and the winning two year old in milk on Alluviadale Rauwerd Echo. A. Stark & Son repeated their 1940 triumph of securing the Bank of Nova Scotta special for the best Get bred and owned by exhibitor and also topped the three year old class with Sunnybank Rag Apple Laura all sired by Glen Allen Rag Apple Snowball, G. Leslie Peer & Son won the two year old dry class with Hillandale Aaggle Hiemke and the strong junior heifer class on Hillandale Pabet Aaggie which animal it will be recalled won the big calf club class at the C.N.E. Emerson Ford topped the senior helfer calf class with a granddaughter of Strathmore Koba Zozo and Roy Wilson the yearling bull class with Woodland Teake Romeo Lad. The Premier exhibitor was John Picket & Son and Esquesing Township won the Inter-Township class.

Halton Jersey Breeders Indicated in no unmistakable manner at their annual Jersey Show held at Milton on September 27th that they are well on the way to becoming the leading Jersey centre in the province of Ontarlo. Not only have they a progresgive club with upwards of fifty members but they also demonstrated that they have the cattle by parading 75 Jerseys of the kind that pleases both the eye and the pocketbook. According to judge Oswald Warman of Brampton, it was one of the best, If not the best, county Jersey shows at which it had been his privilege to officiate. Secretary James Brenner of the Canadian Jersey Cattle Club, was also an enthusiastle ringside spectator. In all 16 different Halton Jersey herds were repesented at the show. The awards were fairly evenly divided with the senior and grand championship for bulls going to Maurice C. Beatty on Brampton Daronis Royal. The same breeder topped the 2 year old helfer class with a Lindale Basilus, a granddaughter of Brampton Basilua that noted world's champion cow. He also showed the way in the strong helfer calf class with Lindale Estella Flashlight and topped the Progeny of Dam class with the progeny of Osborne Blossom.
