1. The advisability of purchasing a

2. Purchase of two trucks to replace two now in use. 3. Purchase of a county car. The

suggestion regarding the purchase of "County Car" was because the county engineer-had been advised by the Office of the Oil Controller that his car had been placed in Category C, and, according to Mr. Smith, this would not give him enough gasoline to even begin to look after the county ronds. Therefore he suggested that the county purchase a car to be registered in the county name and used by county officials on county busi ness. However, council was of the opinion that the matter should first be taken up again with the Oil Controller. It was also recommended that instead of buying new trucks the old trucks should be reconditioned with new motors as an economy measure. The grader was another matter, since i the present grader had already been n service for twelve years. It was therefore moved by Mr. Gilbert, sec onded by Mr. Kerns, that we author-
