-------Written Specially for The Acton Free Press by GWENDOLINE P. CLARKE

Our gesoline ration book arrived this morning two days before the deadline and that won't my fault. It was March 6 when our application was filled in; two weeks before it was oknyed, and then by the time I got around to the bouer of the ration books like supply bud run out. But I left my paper with him and the ration book finally arrived by mail. So, since I was early in applying, I would say dear help anyone who was late Well, we're all set anyway at lend as long as our tires and springs wh

Jast. And I mention springs because well, maybe you know something about Highway No. 25! And we can't even have the comolation of grumbling about it now because that would be unpatriotic. There is a war to win so we just have to smile and look pleasant as we ride over the bumps, the writer puddles and the places that have heaved up with the frost. And yet if we really feel we must grumble DINING & ROOM FURNITURE: there is one good way of getting around to it. time is at a premium, that helps 'out

At this first meeting twe had splendid speaker Squadron Leader Rev. Ewart Cockram lately returned from England: He testified to the amazing vigitance and resourcefulness of the British Home Guard Said Mr. Cockram "I can tell you I would rather be a British prisoner in the hands of the Germans than fall foul of the British Home Guard And I say Heaven help the Germans if they ever try to invade England" And accordingly to Mr Cockram the tenacity of purpose of the Home Guard, has all come about since Dunkirk, at which time England really became alive to her imminent danger The wanderers have returned. Partner says the Cardiner meeting was fairly well attended but no questions, asked. "The meeting started at 8:30 and the chairman announced that Mr. Gardiner had to leave at 1040 p.m. to catch a train, and yet it was . 9.30 before he begins his speed house guess there was not much time for questions. What a pity it is when there is an important speaker that he cannot be given the floor first and introductions come afterwards!

Are you nervous and irritable - can't sleep or eat - tired out all the time? If you're like that, a faulty liver is polsoning your whole system! Lasting III health may be the cost!

· Your liver is the largest organ in your body and most important to your health. It supplies energy to muscles, tissues and glands. It unhealthy, your body tacks this energy and becomes enfeebled-youthful vim disappears. Again your liver pours out hile to digest food, get rid of waste and allow proper nourishment to reach your blood. When your liver gets out of order proper digestion and nourishment stop-you're poisoned with the waste that. decomposes in your intestines. Nervous troubles and rheumatic pains arise from this poison. You become constipated, sumuch and kidneys can't work properly. The whole system is affected and you feel "rotten," headachy, backachy, dizzy, tired out-a ready prey

for sickness and disease. -I housemels of people are never sich, and have won prompt relief from these miseries with "Improved Fruit-a-tives Liver Tablets." The liver is tuned up, the other organs function normally and fasting good health results. Today "Improved Fruit-a-tives" are Canada's largest selling liver tablets. They must be good!
