County Council Approves New Bridge At Glenwilliams

(Continued from Page One)

the regular subsidy on same. (3) That on receipt of the Department's approval the County Engineer proceed with the preparation of plan and the calling of tenders for the construction of this bridge—Carried.

Mr. Vansickle, Campbellville, addressed the Council briefly, asking them to use their influence to secure better railway service for the village of Campbellville. At present only one down train stops at the station and none going up. "We are asked to save rubber and gas," said Mr. Vansickle, "and yet no way is provided for anyone to leave the village other than by car."

Council agreed the complaint was justified and the following resolution was passed: Moved by Mr. Heslop, seconded by Mr. Craig, that the council instruct the clerk to write the Railway Board for additional train service to the village of Campbellville, requesting that the morning train at 7.25 a.m. and the evening train at 6.30 p.m. stop instead of the present one at 8.25 a.m.—Carried.

Mr. Gilbert informed council of the fact that the Department of Highways has requested that road expenses by-law be reduced from \$67,500 to \$50,000. Council felt this was hardly advisable and the following resolution was passed: Moved by Mr. Gilbert, seconded by Mr. Kerns (1) That this council advise the Department of Highways that they disapprove of the reduction of Road Expenditure by-law from \$67,500 to \$50,000. (2) And that in view of the reduction the ratepayers of the county will be called upon to contribute more than 50 per cent. of the expenditure necessary to adequately maintain our road system. Now therefore be it resolved that the Department of Highways be requested to restore the Road Expenditure by-law to \$67,500.—Carried.

With regard to insurance the following resolutions and amendments were put before the council.

Moved by Mr. McDonald, seconded by Mr. Hillmer that we place our Workmen's Insurance with the Workmen's Compensation Board of Ontario.

An amendment was: Moved by Mr. Gilbert, seconded by Mr. Kerns: That we place our Workmen's Compensation Insurance with A. E. Wilson as Robert Ford as agent. The amendment carried.

Moved by Mr. McDonald, seconded by Mr. McDonald: That the Road Liability Insurance be awarded to the Anglo Scottish Insurance at a premium of \$185.88.

An amendment was moved by Dr. Heslop, seconded by Mr. Robertson: That we accept the road liability premium of Continental Insurance Co. 10-20 and 2 for \$346.60.—Carried.

Accounts passed were as follows: Finance \$ 683.21 Education 157.73 Hospital Accounts 878.65 Printing 248.02 County Buildings 170.44 Special Communications 25 \$2,083.05

Moved by Mr. Cleave, seconded by Mr. McDonald, that the council consider the advisability of increasing the salary of the County Engineer on the recommendation of the Finance Committee. The motion was defeated.

Moved by Mr. May, seconded by Mr. Murray: That we give a grant of \$62.50 to the Halton Junior Home-makers and \$62.50 to the Halton Junior Farmers.—Carried.

Moved by Mr. McDonald, seconded by Mr. Campbell, that a grant of \$25 be given to the Navy League of Canada.—Carried.

By-laws were passed increasing the following salaries: The County Treasurer from \$1,500 to \$1,550. The County Clerk from \$1,000 to \$1,150. The Matron for the House of Refuge, from \$800 to \$810. All salary increases to take effect as of January 1st, 1942. Council adjourned.

Gabby in Daytime Preaches Nights

Carries Bible in Glove Compartment, Religious Service Free

MEMPHIS, Tenn. (CP) - A modern version of the old-time circuit rider is the versatile Rev. W. A. Turner, 225-pound, comb-over, taxi driver-circuit rider, who carries a Bible in the glove compartment of his cab.

Unlike the old-time circuit riders, the 30-year-old Turner of the Nazarene minister would never be recognized as such by the casual cab rider because "I never start a conversation until the fare says something. Taxi driving during the day is my business and I do my preaching during the night." He preaches in churches that cannot afford to pay a regular clergyman.

Turner decided to become a preacher eight years ago. Late one night he and another driver were sitting in a cab reading the Bible. "We got to talking and right there we prayed the thing through and before daylight had decided to enter theological school and become preachers."

The "Y" Column

There will be no Y's Men's Supper meeting this Thursday. This meeting which is a regular one is being postponed until the following Thursday evening, April 30th, and at that time all the boys who played hockey in the "School Y" hockey league will be the guests of the Y's men at a banquet in honor of the two winning teams captained by Lloyd Robinson of Senior Group and Martin McCristall of the Juniors, as very special guest will be Turk Broda, popular goalkeeper of the victorious Maple Leaf hockey team. Along with him will be Gus Ryder, a popular sportsman from Toronto, friend of Turk Broda and popular swimming coach. Gus Ryder's main interest in swimming is the development of boys and girls in this healthy and invigorating sport. There is also a possibility of another of-the-vory-popular Leaf players attending this gala affair.

The Women's Institute held a successful euchre in the Y.M.C.A. on Wednesday night. Prizes were awarded to the winners.

The boys and girls of the various gymnasium classes in the "Y" are into serious practice for the coming gymnastic demonstration on May 15 and 16. In this demonstration the boys and girls will show their skill on the tumbling mats and the apparatus with routine that are fast and exciting. This display is being put on so that the parents of the boys and girls in the classes can see the improvement in physical activities the children take part in. We would also welcome everyone interested in seeing this type of work.

NOTE.—The Library will be closed on Monday night to make way for the coming plebiscite vote being held on that day. The lobby inside the main entrance and the lobby inside the side entrance will both be used for polling booths. JOHNNY GRAY.

Mrs. Gordon Agnew Guest Speaker at Knox Y.W.A. Meeting

The Spring Thank-offering meeting of Knox Y.W.A. was held on Tuesday night in the church class room. The guests from the other churches were welcomed by the president, Mrs. O'Hara. The scripture was read by Miss G. Lantz, followed with a prayer by Mrs. R. Spivogel. Miss Eleanor

Beatrice favored the meeting with a solo followed by a duet by Miss M. Carr and Miss L. Anderson. Mrs. Gordon Agnew was then introduced and gave a very inspiring address which was very much enjoyed. Mrs. Caldwell gave a selection on the auto harp. Miss F. Elliott proposed a vote of thanks to Mrs. Agnew and all who had taken part, which was seconded by Mrs. S. Matthews. The offertory prayer was given by Mrs. F. Anderson.

The meeting was closed by the singing of God Save the King. A social time was spent following the program of the meeting.

CONCERT AT LORNE RAISED FUNDS FOR SALVATION ARMY

The "Carry On Canada Club" held a successful social dance last Monday evening at Lorne School. A good program was provided by the following: Mr. Bell, musical selections, readings by Mrs. Wilmer Watkins, Mrs. J. Stewart and Mrs. Shults; vocal duets by June Watkins and Christina Winfield; solo by Audrey McArthur and Mrs. Hall played two selections on the piano and harmonica. A dance followed and the lucky ticket on the quilt was drawn and the quilt won by Mr. George Smith, R. R. No. 3, Acton. The proceeds are being donated to the Salvation Army.

Britain Calling For More Cheese

Australia as Well as Canada Seeking to Increase Production

OTTAWA, (CP) - Australia, like Canada, is producing more cheese in an effort to meet orders from the United Kingdom for this concentrated food.

Reports reaching here and the desire of Britain for increased quantities of cheese resulted in a noticeable shift from butter to cheese production in the first quarter of the new Australian season July to September, 1941. Factory cheese production in the three months amounted to 16,000,000 pounds an increase of six per cent. above a year earlier, whereas butter production in the same period decreased 14 per cent. to 29,000,000, the lowest recorded since 1937. "The paying of higher prices for cheese by the British Food Ministry was said to be encouraging production."
