Insurance AND Real Estate

Now is the time to review your Fire and other lines of Insurance. Are you sufficiently covered? Though rates have dropped considerably, values have increased. Many benefits have been added by the Underwriters, on general and specific lines. Let us advise you.

AUTO INSURANCE
Due to wartime conditions and anticipating further improvement in claims experience as a result in curtailed driving and reduced speeds, the insurance companies have voluntarily reduced auto insurance rates up to 35 per cent., according to gasoline ration category. Do not drive unless you are insured. These new low rates make it possible.

REAL ESTATE DEPT.

JUNIOR FARMERS' GROUP HONOR NEWLY-WEDS

The Acton Junior Farmers held their meeting at Lorne School on Friday night, January 29th. Mr. Bert Davidson acted as chairman for the following program: piano solo by Dorothy FRANK; saxophone solo by Leslie Swackhamer. Mr. and Mrs. Dirk vanGoozen were then asked to come forward and Edna Nellis read the following address:
Dear Isabel and Dirk:
The Acton Junior Farmers, your many friends have gathered here this evening to extend to you our heartfelt congratulations, and best wishes upon your recent marriage.

During the many years in which you have been members of our club we have always found you most active, willing workers, have shown an interest in its welfare and success. In this way you have made many sincere friends.

It is with feelings of pride that we think of you Dirk as one of the valued members of our R.C.A.F. May God grant you and all our boys the courage to carry on in this gigantic struggle for king and country.

To you Isabel, as a helmsman we trust you will be given the strength to overcome the hardships as well as the joys of life.

Again wishing you the best of luck, health, happiness and a speedy return we ask you to accept these gifts as a token of esteem in which we regard you both.

Signed on behalf of Junior Farmers:
ELWOOD JOHNSTON,
MARGARET McPHAIL,
EDNA NELLIS,
IRMA WATSON.

Mr. and Mrs. vanGoozen were then presented with many lovely gifts, after which Dirk made a fitting reply. Lunch was served and the remainder of the evening spent in dancing.

THE MOLES-STEWART WEDDING FRIDAY AT MIDLAND MANSE

The marriage of Miss Katharine Campbell Stewart and Elmer Martin Moles was celebrated Friday at the manse at Midland. The bride is the daughter of Rev. and Mrs. A. C. Stewart, Midland, the groom is the son of Captain W. J. Moles and the late Mrs. Moles, Toronto. The ceremony was performed by the bride's father, and Douglas Major played the wedding music.

Given in marriage by her brother, W. MacDonald Stewart, the bride wore a gown of ivory crepe made on princess lines. Her finger tip veil of tulle illusion was worn by her mother on her wedding day. The headdress was a tiny cap of gardegias and the bridal bouquet was a cascade of orchids and huddelia. Miss Grace Stewart was maid of honor for her sister, and was attired in heaven blue sheer, made similar to the bridal gown. Her headdress was a halo of rosebuds and she carried a matching bouquet of pink roses. The groom's twin brother, Lieut. Jack Moles, R.C.N.V.R., was his best man.

At a reception the bride's mother received, in a gown of teal blue, black accessories and corsage of light pink roses. The groom's aunt, Miss M. Moles, who also received, wore a black gown, matching hat and a corsage of pink roses. For the wedding trip to the Laurentians, the bride donned a black suit, trimmed with silver fox, small black hat and a corsage of orchids. Mr. and Mrs. Moles will live in Toronto.

Twenty Years Ago

From the Issue of The Free Press of Thursday, February 21st, 1923

The January thaw failed to connect this year.

Strawberries have been on sale in town during the week. They looked fine, too, and the price was only 75c per box.

According to the records taken at the Ontario Agricultural College, the snowfall in this district up to the end of January, totalled 33 inches.

Mr. William Robertson who has owned the farm at the corner of the first line, Esquating and the stone road to Nassagaweya, has sold the property to Mr. Charles Packer of Weston. Mr. Robertson has purchased Mr. John Ruddle's residence on Victoria Avenue and he and Mrs. Robertson will remove to Acton in a few weeks.

Mr. Harold S. Nicklin, C.E., son of A. E. Nicklin, J.P., Acton, has been appointed city engineer for the city of Guelph.

Last Thursday evening the employees of the shoe factory had a jolly sleighride and party at the home of Mr. and Mrs. W. Early, Nassagaweya.

WINTER TEMPERATURES NEW EXPERIENCE ON PACIFIC COAST

A letter and paper received from LAC Harvey McCutcheon by his parents, ex-Rover and Mrs. F. McCutcheon, give some interesting information of a snow storm and cold weather at a camp on the Pacific Coast where he is stationed. Homes and quarters here are not built for winter weather and while the temperature was only six above zero, Harvey felt the cold worse than in the temperatures we have here.

A six-inch fall of snow tied up all motor traffic and only street cars were moving. It seems that it all depends on what you are used to that counts. That temperature and snow-fall here hardly compares with what we had, but then we expected something of the sort in these parts.

BOWLERS WIN BUT DROP IN LEAGUE STANDING

The McCutcheon bowlers defeated Master Cleaners 5-2 last Thursday night in the Guelph City Major League.

Although winning, the locals dropped to third place in the standing, 4 points back of first place and 7 points back of second.

Presentation to Miss Vera Neares At Bannockburn

A presentation was held at Bannockburn School Monday evening in honor of Miss Vera Neares prior to her leaving for active service in the R.C.A.F. A very enjoyable program consisted of community singing, instrumentalists by Mrs. Clarence Cole and solos by Charles Landborough. Miss Neares was then called upon and the following address given by Mrs. Wilmer Davidson.
Dear Vera:
We, your many friends in the community wish to take the opportunity at this time to express to you our appreciation for your willingness at all times to assist in any possible way you could to help.

Although both we and the pupils regret to lose you as our teacher, we wish you much happiness and the best of luck as you go to serve your country in the Royal Canadian Air Force. We ask you to accept this gift as a small token of the esteem in which you are held. May this serve to remind you of the happy memories of Bannockburn School.

Signed on behalf of the Literary Society,
ADA DAVIDSON,
D. S. MORRISON,
WILMER ROSSZELL.
Miss Irma Watson then presented her with a pen and pencil set, and writing paper and envelopes in a blue leather case. Miss Neares thanked everyone sincerely in a few well chosen words. The meeting then closed with the National Anthem.

THIS YEAR Start your chicks EARLIER!

THIS YEAR, it's good practical, profitable patriotism to start your chicks earlier than ever... get them going up the job of producing urgently needed eggs and meat that much sooner. Then, too, an earlier start gives you time to give them a better start. Once the spring work opens up, you won't have much time to spare! Again, the top prices of the year are realized in the fall... September to December. Early-started, winter-started chicks have time to reach full size and development, and full egg-size, by the time prices are climbing, even though high-protein feeds, for starting and growing, are going to be scarce. You can raise your chicks on less of these high-proteins if you start them earlier and give yourself time to grow them more slowly. Don't overcrowd your chicks. Order just the number you have room for. If you jam them in too tight, nature very often steps in, and cuts the number to about what you should have in the first place. Second, plan to hold down your growing costs with green pasture, and if at all possible, with some milk by-product. This calls for planning ahead, but it is time well spent.

HYDRO

Answers the Challenge!

WARTIME POWER DEVELOPMENTS IN ONTARIO

- To meet the power needs of Ontario's war industries your Hydro has increased the supply of electricity in the last four years by over 760,000 h.p.
- This has made a tremendous contribution to the war effort, providing our highly electrified factories in Ontario with the necessary power to produce great quantities of weapons for our fighting forces.
- The development of new power sources is continuing in the wilds of Northern Ontario a huge diversion program, that will reverse the natural flow of water, is nearing completion. In other parts of the Province additional power projects are nearing the final stages of construction.
- The splendid co-operation of the citizens of Ontario in conserving electricity during the recent months has contributed greatly to our war effort and is thankfully acknowledged. The shortage of power, however, is still critical and the need for conservation continues.
- Still more power is needed to produce still greater supplies of war weapons and materials. When the victory is won, that same power will be available to contribute to peacetime progress in our industrial, commercial and home life.

INCREASE IN POWER FROM MOST RECENT DEVELOPMENTS

- Plant nearing completion to provide 65,000 h.p.
- Mid-Ontario plant supplying 10,000 h.p.
- Hundreds of miles of new transmission lines.
- Rapid progress on new diversion program.
- 34,000 h.p. plant into production last summer.
- 200,000-volt Transformer Station to distribute power.
