

The school is in full swing.

—Pupils are now at the farm afternoons at the local office, writes L. Wright.

—Pupils are writing their first examinations this week and will close next week.

—The bowling green is in splendid condition and the summer events are in progress.

—Monday will be Dominion Day and some other parties.

—Roses are in full bloom in gardens but probably the most important thing is the weather.

—The new dormitory at the Armaco Co., Ltd., is nearing completion.

—Harvey Walker has signed a contract on behalf of the firm of the auditorium of the Eaton Hall here.

—Don't know what the crop will be like but some of the potato tops in our garden were two feet high this week.

—A fire drill at the Boardman plant last Thursday afternoon, realized that the local brigade responded also.

—It will help the voluntary workers in the salvage rooms immensely if newspapers put in salvage are piled flat and tied in bundles.

—Spent one day in the slogan back of the slogan, "Buy greater sale of war bonds and Certificates this week."

—Mr. Stanley Clegg has purchased the property of Mr. Wm. Bell on Agnes Street. The sale was effected through F. L. Wright.

—Feed for stock must be bought. Farmers need help now to market crop of hay gathered in the fields of the local office, writes F. L. Wright.

—The annual convention of the Halton-Progressive Association, formerly of Acton, is to be held in Ontario Retail Department Store, 100 King St. W., the annual convention is to be held this week.

—The Boy Scout Headquarters in Halton District at the Scout Reserve next week-end is attracting the attention of Scout groups throughout the district. It looks like the light of the summer for a lot of the troops who are fortunate enough to attend.

#### FRANCE IN FRAGMENTS

**LONDON** (CP) — The French Nationalists schemed to capture the city early in August, General Charles de Gaulle, in command of the Free French forces, withdrew from the city, and that France has lost its members.

#### BOW, BOW

The village of Bow, in Essex, were spending the summer with the garrison, and eventually found round to what they had professed.

"Well," said the doctor, "what was made from the medical record?"

"Not at all," said the doctor. "Before Adams, I had a cord—order wire. To get order wire, you need that makes me the oldest."

"Hell," interjected the doctor. "Who do you think I am?"
