## 6000 Attend Acton Two Day Fair Finest Exhibit of Livestock in Years

Second Day Set Record as Finest Fall Weather Greeted the Crowd—First Night Show Hampered by Loss of Arena and Coldest Night of Years—Exhibit of Cattle and Horses Brought Out Showings Unparalleled at Any Rural Fair—Baby Show had Twenty-Seven Contests.

### OVER 600 ATTEND DANCE IN TOWN HALL SATURDAY NIGHT

Followed with an ideal September day on Saturday a near record attendance of 6000 thronged Acton Fair grounds where one of the finest exhibits of livestock was shown and a splendid program presented. The lack of fine areas in the park for the hall exhibit and for the big first night show was a handicap which disappointed the directors as well as those attending, and it is hoped it can be overcome before next year. The temperature dropped on Friday night to the lowest point hit this fall and as a result the crowd was about half of that which usually attends the arena performances.

The attendance the second day is conservatively estimated at 5000 which is near the all high record and at the dance in the Town Hall that evening between 500 and 600 crowded the place to the doors. Taking everything into consideration the fair of 1943 was a most successful one—in many respects more successful than many of its predecessors and one of which its predecessors and one of which its predecessors and for other local items.

The First Night Show

Lacking the arena which is doing a wartime job of storing wool for the Dominion Government, the directors arranged the performance for the front of the grandstand. The track and grounds were floodlighted and in spite of the cold a good program was presented.

President Lowrie made a tour of the town in a truck and played on the streets and at the park. They are making good progress under the direction of Mr. Chas. Mason. The midway was in partial operation after the show and attracted many, especially the booths serving hot refreshments. The whole grounds was very well lighted.

The Second Day Show

Saturday morning dawned bright and clear and it didn't take the sun long to chase away the chill and frost of the night previous. It was an ideal day for Acton Fair. Shortly after one o'clock the parade of 500 school children with the Lorne Scots Band leading left the Town Hall and paraded to the park. Their arrival and dismissal was the go ahead signal for opening up and there was a wild rush for the merry-go-round, and other attractions.

In calling on Warden J. M. McDonald to officially open the fair, President Lowrie thanked the visitors and exhibitors for their co-operation and the work of the directors and others who assisted in maintaining Acton fair.

In his remarks in the official opening of the fair Warden J. M. McDonald said Acton Fair was this year marking its thirtieth successful year

### Home Badly Damaged by Fire Thursday Afternoon

Fire which was first noticed about four o'clock on Thursday afternoon destroyed a section of the house on Victoria Avenue where Mr. and Mrs. Clarence Dibble reside. The whole structure was thrown with destruction for a short time. A strong west wind was blowing when the fire was discovered in the kitchen at noon. By the time the alarm was turned in and the Fire Brigade had reached the scene the whole rear section was a mass of flames.

Two lines of hose were laid and the brigade soon had the blaze under control and prevented its spreading to the other section of the house. The weather damage will however be considerable for this section. The fire was one of the most difficult to subdue as the building was a frame structure covered with metal siding.

### MRS. BONNIE HOSTESS FOR MEETING OF CHURCHILL W. A.

The September meeting of the Churchill Women's Association was held in the home of Mrs. C. Birnie, with Miss Edna Russell, president. Bell will be answered by Superintendent.

Mrs. T. Gordon read a paper on "Previous Day Markets in Germany" by a German pastor and a reading was given by Mrs. H. Allan "Our Summer Barber." Mrs. Foreman gave a reading on the small business of life for which we should thank God. After the business meeting had closed a luncheon was served by Mrs. Birnie, hosted by Mrs. Gordon. A vote of thanks was given the hostess for her hospitality.

### MARKING ITS 10TH ANNIVERSARY ON SUNDAY THE 25TH

Other items have been arranged that will make the service at 10 a.m. and 12:30 p.m. memorable.

### Airman Fatally Injured on Highway Near Here Saturday

C. W. Willard Injured as He Attempts to Board Truck Giving Him a Ride

Miss June Cowland had a narrow escape from serious injury at Acton Fair on Saturday afternoon when the horse she was riding missed the high jump and stumbled. She was thrown to the ground and narrowly missed being stepped on by the horse as he recovered. Miss Cowland was however soon able to be back in the saddle again. The jump she attempted to put her horse over was the last one of the performance and was getting close to six feet.
