BRAY CHICKS PROMPT SHIPMENT

YES-the Bray Hatcheries have chicks for prompt shipment, in spite of a deluge of orders. Not, perhaps, in the breed that's your first choice. Not, perhaps, in the Xtra-Profit grade. But Bray Chicks of the usual

high Bray quality. Mind you, that's not saying that the breed and grade you want aren't available. Very probably they are. But demand is uneven. In some breeds it is so heavy that the Bray hatcheries are booked ahead-in those breeds for weeks. In others even last-minute orders can be filled, for both day-old and started chicks. For instance, right nowawe can supply both day-old and started Standard White Leghorns.

PLEASE NAME YOUR SECOND CHOICE

So when you order your Bray Chicks, please name your second choice. . . even your third choice, if possible . . . on breed, grade, and date of shipment: It may prevent delay and disappointment. All Bray breeds have the same backing of skill and care behind them, so you will probably be pleased with the results you get, even if the breed isn't the one you ordinarily order. And we'll do our best to see that you get your first choice, if it is at all possible.
