TO PAY TAKES PROMPTLY

War-time taxes are necessarily so heavy as to be a financial problem for every Canadian. It is advisable to save money to pay taxes promptly, but if through unforeseen circumstances you, find yourself without sufficient cash to meet them when due, a bank loan is probably the best solution to your problem. A loan may actually save money for you by enabling you to avoid penalties for overdue taxes.

Our policy in making personal loans is to help Canadian wage-and-salary-earners, professional men and women and business executives to keep financially fit. We therefore make such loans-at very low rates and on easy terms of payment. Do not hesitate to talk over your needs in confidence with the manager of our branch in your own locality.
