Are We Behind Them?

To those who have paid the Supreme Sacrifice—these wounded and prisoners—and all that are each day going through hell for us over there—we can show our gratitude by supporting them with our purchases of bonds in this 7th VICTORY LOAN. We cannot buy "till it hurts" because we know it does not hurt to BUY VICTORY BONDS. But it does hurt to be a fighting man in the war zone.

Let's Show Them Acton will Go Over the Top "Invest in Victory—Buy One More than Before"
