G. C. VERM. SEABEDON

VICTORIA, B. C. (CP)—Heart disease is British Columbia's Number One killer, the 1937 report of the provincial government vital statistics branch reported. Cancer is second, accidental deaths third, syphilis is fourth and tuberculosis, formerly the chief destroyer, is fifth.

"What is that deaf and dumb cancer as frantic about?"

"He just hit his thumb with the hammer and he can't find his pad and pencil."

HOUSEHOLD EQUIPMENT AND SUPPLIES

Manufacturers are now free to make pencil and pensholders in whatever style and color they wish and are not restricted to specified colors for pens, typewriter ribbons and carbon paper. Packaging restrictions on these products are also eliminated. The lifting of these restrictions was announced last week by F. S. Kenna, Prices Board administrator of office machinery, equipment and supplies. Identification tags may now be made in whatever metal is available.

In the future of Labour in Acton

Organized labour has taken a definite place in Acton. We feel that the people of Acton should know and understand bona-fide affiliated unions and what can be accomplished when the co-operation of the people and industry are behind organized labour.

In order to give you that opportunity to know and understand what organized labour can do for Acton, an open meeting will be held in

The Town Hall, Acton

Friday, Nov. 10th, at 8.30 sharp

with Canada's outstanding labour leader

C. H. Millard M. L. A.

as the principal speaker. Meeting sponsored by Local 26, National Union of Shoec and Leather Workers

H. ARBIC, President
