The Truth About Drew's Immigration Policy
DON'T BE DECEIVED BY "FANTASTIC NONSENSE"
READ THE PREMIER'S OWN STATEMENT ON THIS IMPORTANT MATTER
"In view of some strange statements that have been made about Ontario's plans for emigration, I think I should tell you exactly what they are. We have taken the position THAT NO LARGE-SCALE IMMIGRATION SHOULD BE PERMITTED UNTIL SUCH TIME AS THE RE-EMPLOYMENT OF OUR VETERANS AND MUNITION WORKERS HAS BEEN ASSURED." But with our confidence about the future of this Province and of Canada, and our faith in its expanding production and prosperity, we are convinced that immigration will be resumed throughout the whole of Canada, and we believe that when the time comes for such immigration we should have plans which will assure the very best type of new citizen in this Province."
The foregoing is a clear-cut statesmanlike utterance of the Government's Policy.
