Wm. E. NICHOL

Last Friday afternoon there passed away at his home in Simcoe one who was well-known and highly suspected by many in this community, in the person of William E. Nichol.

In his early boyhood, Mr. Nichol was adopted by the late Mr. and Mrs. John H. Cripps and until death claimed them both, he continued to reside Evening Service Withdrawn because on the homestead on the Second Line, Eramose where he proved at all times a dutiful and loving son. MRS. HERBERT ANTHONY

Many friends and relatives attended the funeral services held Monday afternoon for the late Mrs Herbert Anthony who passed away at her home early Friday morning, after a short illness

Born in Esquesing Township, Mrs. Anthony was the last surviving member of the family of the late Mr. and Mrs. Joseph Shortill. In 1890 she married William Herbert Anthony who predeceased her four years ago. They celebrated their golden Wedd-

ing Anniversary in 1940. Four sons and five daughters survive to mourn the loss of a dear mother, Frank of Shakespeare; William Joseph and Frederick Mrs K. R. Mc Donald, Mrs. W Roszell, Mrs. John Fox, Mrs Fred Brooks and Miss Florence all of this district also ten grand-

HIGHER CLEAVER Liberal Federal Candidate for Halton County

To the Electors of Halton County: . I promised that this week I would deal with the Liberal Party's position The funeral on Monday afternoon in regard to labor. The one question when only a few years ago we could Mr. Nichol was a fine type of not find enough money to pay decent budget was in the red? This question son we have been able to employ evveryone in time of war is because of the fact that we had a market for Levery plane, tank, ship, gun, shell and other equipment that we could produce, and we had a Minister of Finnoce who said that he would make financially possible the financing of every war product that it was physically possible for us to produce. As a result we have reached full employment, though in doing so it was nevessary to impose heavy taxation, price control and rationing. So long as the Canadian people will unite with the same determination in peacetime to supply the highest standard of living possible to our people, we can have

full employment The key to the whole problem, in my opinion, is markets. If we maintain a sufficiently high standard of living in Canada to consume all of the civilian goods that we produce for our own use, plus our imports, then we will have a market which will result in full employment. The Liberal Party believes that the only way this domestic market, or some call it consumer buying power, can be maintained in Mrs. F. J. Shortill sang a solo "There peacetime, is to see that each of the three main groups, labour, agriculture and finance, receive their proper distributive share of the national in-Floral tributes included offerings come. Gray have re- supported by every Liberal, C.C.E. and Social Credit member, but it was op-

> posed by every Conservative member. Taxation of excess profits should be imposed wherever excess profits are earned to the point where they result

in a distribution of the national income which is harmful to our economy. Let me give you an illustration of the importance of distribution. Last year the national income, that is the sum total of all of our earnings, war Mr. Wm. G. McDowell 85 billions. We collected from you 2.7 billions in federal taxes and a further Dear Sir: 29 through Victory Loan sales. This teft a net spending power in the hands of the general public for all purposes of less than 3 billions. This amount was less than the national income in the depth of the depression. And yet everyone last year had a decent living. We had no poverty or distress. You haven't forgotten and heither have I, the poverty and distress of the depression years. Why the marked difference between the depression and last year? The answer is distribution. Everyone had his fair share. Anyone who refuses to face up to the obvious lesson to be learned from these figures, is either dumb or selfish. You can take your choice,

The Liberal Party is pledged to a policy of full employment and whenever unemployment occurs the Government will enter the field with public works projects

Yours sincerely,

MHTON

The citizens of Milton and District may well be proud of their showing in the Eighth Victory Loan Campaign No less than 1078 citizens of the District purchased bonds and their subscriptions totalled \$566,150, in contract to the objective of \$360,00 In other words, Milton Instruct went over the top to the tune of 157% of their quota. This is the blichest percentage obtained by any District in the County and wins the Halton County Victory Loan Plaque

Residents of Million district will be happy to know of Miss Margaret Dixon's graduation from Guelph leneral Hospital Training School for nurses. Miss Dixon received the special award for Bedside nursing which honor will be of great value to her in her coosen profession Canadian Champion
