MOFFAT

The weather seems to be the main topic of conversation among our citizens. Both seeding and gardening have been greatly hindered by the excessive rainfall. However, now that the election is over, we may expect a more normal condition in our community life and probably the weatherman will see fit to favor us with a little more sunshine.

Many of our people attended the Centenary Services held in the Acton Presbyterian Church on Sunday and report a most interesting time in reviewing the past and meeting former friends of the congregation. We join in hearty congratulations on the historic occasion.

The friends of the Community Church are busy preparing for their second anniversary to be held next Sunday, June 10 morning and evening. The Lambert Twins, of Rockwood, will sing in the morning and Eden Mills Presbyterian choir will 'render two male choruses and an anthem. Rev. J. A. MacNell B.A., will preach at the morning service.

Mr. and Mrs. Stanley Harrison, of Hamilton, were the guests of Rev. C. L. and Mrs. Poole on Monday.

Cpl. W. A. Fraser, who has spent the past three years in Newfoundland with the R.C.A.F., is home now, having received his honorable discharge from that branch of the services. Miss Isobel Donaven and Miss Edna

Roberts spent Sunday at their respective homes. Miss Anna Allison, of Galt, was

home with her parents, Mr. and Mrs. John Allison over the week-end! The W. M. S. and the Ladles' Aid of the Presbyterian Church held their

monthly meeting at the home of the Misses Minnip and Jessie Dunkie on Thursday evening, June 7th.

JUST PLAIN SENSE!

The Canadian people have made a magnificent contribution to the common victory in Europe.

The Liberal administration can say with honesty and justice:

> This is the Government which has directed Canada's war effort at home and abroad.

This is the Government which during the war worked out a program of full employment and social reform.

These things are now a matter of record and of common knowledge.

On the basis of its record the choice of Prime Minister King's party to form the next Government of Canada is a matter of just plain sense!

Let the Liberal Government finish its work
