Notice Re Public Health

In an effort to avoid a repetition this year of the outbreak of infantile paralysis suffered in Acton last summer all citizens are requested to observe the following sanitary regulations:

- (1) Use chloride of lime freely in all outhouses.
- (2) Avoid throwing dirty water on the ground surface, but use a small pit for disposal, treated freely with lime.
- (3) All refuse from yards and stables must be cleaned now and kept clean at all times.

In the interest of general health in the community citizens are requested to give full co-operation.

By Order,
47-2 **Medical Officer of Health**
