Thank You

I want to thank the electors of North Wellington and Dufferin for the support they gave me on June 4th.

I am most grateful for the efforts my friends and workers put forth in an endeavour to secure my election.

The election officials are to be congratulated for the manner in which they conducted the election. A tribute to their efficiency was that while the vote was large, no change was necessary for either Mr. McEwing on myself, when the official count was taken.

With best wishes for the future of North Wellington and Dufferin.

Yours sincerely,

John Root
